Mr. Dann C. Naverson

This letter is in regards to the proposed construction of a private access drive from 46th Street in Davenport, IA across parcels P1303-03C, P1304-05, and P1304-04A, all of which are owned by SCI Funeral Services of Houston, TX. Per our previous discussions, the proposed drive would be used to access Rock Church Ministries' parcel, P1304-02C, with plans to build a new church at that location. Rock Church Ministries grants SCI full access to the drive for future development purposes. This includes the use of and connection to the proposed drive. Plans for the location of the drive are shown on the following page.

In order for the City to move forward with Rock Church's rezoning application, an authorized signature granting the construction of said drive is required. As Director of Real Estate for SCI, we have provided a signature line for you below.

Please review and return a signed copy for Rock Church's records in moving forward with the rezoning application. If you should have any questions or concerns, please contact us and we can discuss.

Regards,
