I. Call to Order

Chairman Frueh called the meeting to order with the following Commissioners present: Cordes, Cochran, Franken, Kuehl, Wonio

II. Secretary's Report

A. Consideration of the December 10, 2019 meeting minutes.

Motion by Wonio, second by Cochran to approve the December 10, 2019 meeting minutes. Minutes were unanimously approved by voice vote (6-0)

III. Communications

A. Introduction of new Staff

Brandon Melton introduced himself and provided a brief summary of his professional experience. Mr. Melton will be staffing the Commission until further notice.

IV. Old Business. There was none.

V. New Business

Case No: NRHP20-01: Review and recommendation on the proposed National Register Historic Places Davenport Commercial Historic District. The approximately 49-acre Historic District is bounded by the south side of W. 2nd Street at the southernmost, the north side of W. 5th Street and the west 500 block of Brady Street at the northernmost, east side of Perry Street at the easternmost, and east side of Western Avenue at the westernmost. [Ward 3]

Melton provided the staff report.

Jennifer James, the consultant who completed the application, was available by telephone to provide comment and answer questions from the commission.

Marion Meginnis, 3rd Ward Alderman, provided positive comments regarding the nomination and thanked the commission for their support.

Kyle Carter, representing the Quad Cities Chamber of Commerce, which helped initiate and funded the consultant’s work, similarly thanked the commission.
Findings:

1. That the Davenport Commercial District is associated with events that have made a significant contribution to the broad patterns of our history (Criterion A); and

2. That the Davenport Commercial District embodies the distinctive characteristics of a type, period, or method of construction, or that represent the work of a master, or that possess high artistic values, or that represent a significant and distinguishable entity whose components may lack individual distinction (Criterion C).

Staff recommends the Historic Preservation Commission recommend approval of the Davenport Commercial Historic District and authorize the Chairperson to sign the Certified Local Government Review Form.

Motion by Cordes, second by Cochran to approve NRHP20-01 in accordance with submitted material. Motion to approve was unanimous by roll call vote (6-0).

VI. Other Business.

A. Election of Officers

Nominations for Commission Chair were opened. Kuehl nominated John Frueh. There were no other nominations. Frueh was elected unanimously by roll call vote (5-0, 1 abst)

Nominations for Commission Vice Chair were opened. Wonio nominated Bob McGivern. There were no other nominations. McGivern was elected unanimously by roll call vote (6-0)

B. A future petitioner had questions for the commission regarding the submission of an application. Melton offered to meet with her outside of the meeting to assist in preparing an application.

VII. Open Forum for Comment. No one from the audience spoke.

VIII. Adjourn. The meeting was adjourned at approximately 6 pm.
Subject:
Case No: COA20-01: Replace windows at 509 Ripley St. The Wohler Flats are part of the Local Landmark and National Hamburg Historic Districts. Jamey Licandro of Licandro Management, petitioner. [Ward 3]

Recommendation:
Findings:
1. Pursuant to the Section 14.01.060.C.6 of the Davenport City Code, Deteriorated architectural features should, where possible, be repaired rather than replaced. Where the severity of deterioration requires replacement, the new feature shall match the old in design, color, texture and other visual qualities and, where possible, materials. Replacement of missing features shall be substantiated by documentary, physical or pictorial evidence; and
2. The proposed windows would be similar to those noted in the site inventory form included in this report (1/1 Wood).

Staff recommends approval of COA20-01 in accordance with the submitted documentation.

Background:
47 Quaker Classic Fit aluminum clad, wooden windows to be installed where currently only storm windows or no windows exist.

**Not sure if you have a Historic Resource?** You can click [here](#) to access the City’s GIS Map. Click the layers icon toward the top right of the page. Click the Planning Layers dropdown. Turn the Historic Resources layer on by checking the box.

Historic Resources requiring a Certificate of Appropriateness are mapped with a 🌿 or 🌈. If you are unsure, please contact the Community Planning and Economic Development staff at (563) 326-7765 or [planning@ci.davenport.ia.us](mailto:planning@ci.davenport.ia.us) and we can help you.

**When is a certificate of appropriateness required?**
Prior to the commencement of the work.

**What type of activity requires the approval of a certificate of appropriateness?**
Any activity requiring a building or sign permit, except demolition, that would change the exterior architectural appearance of a structure. Examples include new construction, exterior alterations, relocations, reconstructions and infill development.

**Submittal requirements**
- Please contact Planning staff at (563) 326-7765 or [planning@ci.davenport.ia.us](mailto:planning@ci.davenport.ia.us) so we can help you determine what exactly is required to be submitted.
- Incomplete applications will not be accepted.

**Submittal requirements for all types of requests:**
- The completed application form.
- A work plan that accurately and completely describes the work to be done.
- Color digital photographs depicting the building elevations and proposed construction.

**Submittal requirements for specific types of requests:**

**Minor alterations to existing buildings and new and replacement signs (all of the above and):**
- Specifications, including dimensions, material used and color of the material.
- A rendering of the proposed alteration as depicted on the existing building.
- Samples of the materials, including the color, along with scaled, accurately colored elevations for any proposed sign and/or sign package.

**Minor additions, site improvements and outdoor storage areas (all of the above and):**
- A dimensioned site plan, including the locations of any proposed or existing buildings on the subject parcel and on surrounding parcels.
- A preliminary grading plan showing before and after grades at two-foot contour intervals, where deemed necessary by the development official.
- Outdoor storage areas shall be reflected in the elevation drawings submitted and shall show their relationship to the building elevations as well as the materials and treatment proposed that would accurately reflect the screening of the storage areas.
- A landscape plan.
**Major additions and new buildings (all of the above and):**
- Reproductions of building or site information found in the historical surveys if applicable
- A verifiable legal description, or a land survey.
- A map showing the existing topography of other properties at two-foot contour intervals, extending one hundred feet from the subject parcel.
- Elevation drawings, in color and drawn to scale, of the front, sides, rear, and roof lines of all proposed buildings or structures, illustrating the appearance and treatment of required screening elements for roof-mounted equipment, where deemed necessary by the development official.
- A materials board containing samples of each type of exterior building materials.

**Formal Procedure**

(1) Application:
- Prior to submission of the application, the applicant shall correspond with Planning staff to discuss the request, potential alternatives and the process.
- The submission of the application does not constitute official acceptance by the City of Davenport. Planning staff will review the application for completeness and notify the applicant that the application has been accepted or additional information is required. Inaccurate or incomplete applications may result in delay of required public meetings.

(2) Historic Preservation consideration of the request:
- Only work described in the application may be approved by the Commission.
- If the Commission determines there is insufficient information to make a proper judgment on the application, it may continue the application as long a period of 60 days has not elapsed from an accepted application. This time period does not apply if the applicant requests the continuance.

(3) After the Historic Preservation Commission’s decision:
- If approved, a certificate of appropriateness does not constitute a City permit or license and does not vest against any other land development regulation or regulatory approval. You will need to contact Davenport Public Works and other regulatory agencies regarding permits and/or licenses.
- If approved, a certificate of appropriateness will expire one year from the date of approval unless a building permit is obtained within such period. The Zoning Administrator may grant an extension for a period of validity longer than one year. An applicant may apply in writing for an extension of time at any time prior to the date of expiration.
- The applicant may appeal the Historic Preservation Commission’s determination to the City Council. A written appeal along with payment of $75.00 must be submitted to the Zoning Administrator within thirty calendar days of the Historic Preservation Commission’s decision.

Applicant: [Jamey Licandro] Date: [02/28/2020]

This Iowa Site Inventory form has been prepared to supplement and document research for the amended Hamburg Historic District nomination project. Research was completed in 2014-16 by Ryan Rusnak, Rebecca Lawin McCarley, interns with the City of Davenport, and members of the Davenport Historic Preservation Commission. Research was reviewed by Rebecca Lawin McCarley and incorporated into the amended nomination with the information on the table below. The table below summarizes the research and architectural notes for this property. Additional information and final determinations of eligibility may also be found in the amended NRHP nomination (McCarley 2016). This project was funded by a FY2015 Historic Resource Development Program grant, through the State Historical Society of Iowa, with matching funds and staff hours contributed by the City of Davenport.

**Narrative Description**

This is a three-story Classical Revival apartment building that was built around 1909 by John Peter Wohler. The brick building sits on a concrete foundation. The roof is clad in a rubberized membrane. The building features a cornice with brackets, flat lintels (keystone at the entry) and sills on the façade and arched lintels and sills on the remaining elevations.

The façade is the west elevation of the apartment building, facing Ripley Street. The non-historic entry door in a modified opening with lintel is accessed from concrete steps. The west elevation contains two one-over-one light double-hung wood windows on the first floor, three one-over-one light double-hung wood windows on the second floor and three one-over-one light double-hung wood windows on the third floor, with lintels and sills as noted. The west elevation also contains one one-over-one light double-hung window, with arched lintel and sill, on the basement floor. The south elevation contains four one-over-one light double-hung wood windows on the first floor, four one-over-one light double-hung wood windows on the second floor and four one-over-one light double-hung wood windows on the third floor, with lintels and sills as noted. The south elevation also contains two entry doors, with lintels and three one-over-one light double-hung wood windows, with lintels and sills as noted, on the basement floor. The east elevation contains two one-over-one light double-hung wood windows on the first floor, two one-over-one light double-hung wood windows on the second floor and two one-over-one
light double-hung wood windows on the third floor, with lintels and sills as noted. The north elevation contains three one-over-one light double-hung wood windows on the first floor, four one-over-one light double-hung wood windows on the second floor and three one-over-one light double-hung wood windows on the third floor, with lintels and sills as noted. The north elevation also contains one entry door, with lintels and three one-over-one light double-hung wood windows, with lintels and sills as noted, on the basement floor.

**Narrative Statement of Significance**

The Wohler Flats is noted as contributing historically under Criterion A within the revised boundary for the Hamburg Historic District in Davenport. The house was previously noted as contributing in the original Hamburg Historic District in 1983 as well.

Printed On: 2/26/2020 10:48 AM
Terms:

- This quote is based on the products as listed. Customer must review quote and verify quantities, sizes, types, finishes, glazing, and adherence to specifications and job requirements and any relevant local or national codes.
- All prices are subject to change at any time if quantities, product, or other terms and conditions that are not part of the original quotation change or if the buyer requests extended delivery dates.
- This quote is an offer by Quaker Window Products Co. ("Quaker"), a Missouri corporation, to sell to the Customer the products described herein at the prices indicated, subject to the terms and conditions stated in this document, including the referenced Quaker warranty and the limitations of liability described therein. Unless otherwise agreed, this offer shall expire after the quote availability date listed on the quote. In order to accept such offer, and before Quaker begins to fabricate such products, Customer must:
  1. Review and approve this quote;
  2. Provide any additional details or information Quaker requires regarding the job or the Customer;
  3. If applicable, complete and submit a credit application subject to approval by Quaker’s credit department; and
  4. If applicable, submit approved Shop Drawings which are incorporated into the order.
- Quaker’s entry of a sales order will serve to acknowledge completion of these steps. Any purchase order or other document that Customer may use to indicate acceptance of this quote, shall be considered for Customer’s internal purposes only, and notwithstanding any language to the contrary in any such document, any resulting order shall remain subject to the governing terms and conditions stated in this quote. Quaker expressly objects to, and does not accept, any conflicting, modified, or additional terms or conditions proposed by Customer unless such proposed terms and conditions are specifically approved in writing by Quaker’s credit department, legal counsel, or an appropriate officer of the company.
- TAXES: Unless otherwise indicated, sales or use taxes are not included in this quote. It shall be Customer’s responsibility to ensure payment of any applicable state or local sales or use or other taxes, and Customer shall indemnify Quaker against any claimed failure to pay such taxes when due.
- Any lead times provided are estimates only. An estimated delivery date will be established by Quaker and communicated to Customer once the sales order is entered.
- If you request any change to your order after placing your order, then you will be responsible for any actual or reasonably estimated costs incurred by Quaker in processing such change, and Quaker may require submittal of a change order documenting the requested changes.
- WARRANTY: The sale of the quoted products is subject to Quaker’s Limited Warranty for Single-Family Dwellings dated 4/1/2019, which contains the relevant manufacturer’s warranty and various limitations of liability, is hereby incorporated by reference, and is available at www.quakerwindows.com/warranty-information/. Customer will provide this warranty to the end user as appropriate.
- Undeliverable Product Storage Fee: If Customer is not willing or able to accept delivery of an order that is ready for shipment, then for any delivery delayed by more than 14 calendar days from the estimated delivery date, an undeliverable product storage fee of $50 per trailer per week will be added to the order, which may be invoiced at that time.
- Delivery & Detainage Fee: Customer is responsible for inspecting and unloading products associated with this order upon delivery. If offloading time is excessive, then Customer will be responsible for payment of detention fees in the amount of $50 per hour. If Customer’s inspection reveals products damaged during shipment, such damage should be photographed at the time of delivery, and must be documented on the delivery ticket.
- Product rating information: Individual units greater than gateway size may have a reduced rating per Quaker’s calculations based on AAMA 2502-07 Comparative Analysis Procedure for Window and Door Products. Overall Design Pressure of mulls/assemblies may be less than the computed values of individual units per Quaker’s calculations based on AAMA 450-10 Voluntary Performance Rating Method for Mulled Fenestration Assemblies. Thermal ratings are based on NFRC test size.
- Any vertical or horizontal mullin system is designed for lateral wind loading only and does not provide structural down loading. Headers must be sized to allow for a maximum deflection of 1/8 of an inch. Please consult an architect or engineer for design requirements and building code compliance when combining multiple units together.
- FIELD TESTING: In order to be warranted for performance by Quaker, any field testing of QUAKER products must be conducted as specified in the above-described warranty.
- PRICE ADJUSTMENT: Quaker reserves the right to adjust the pricing described in this quote, or impose an additional surcharge, in the event of any extraordinary increase in any of its costs associated with manufacturing, supplying, or distributing the quoted products after the date of this quote, whether or not such increase arises out of an event of force majeure or a failure of presupposed conditions, upon notice to the Customer at any time prior to Quaker’s entry of Customer’s order regarding the adjustment or surcharge necessary to defray such increases.
- FORCE MAJEURE: Quaker will not be liable for any nonperformance, delay in performance, or damage that results from any cause beyond Quaker’s reasonable control, including, without limitation, any: Act of God; act of the Customer; restraint of government, such as embargo or other trade restrictions or governmental regulations or demands (whether or not later proven to be invalid); fire; flood; accident; strike or other labor disturbance; machinery or equipment breakdown; plant shutdown or slowdown; war; riot; terrorist act; delay in transportation; delays of suppliers or carriers; or inability to obtain necessary labor, materials or manufacturing facilities at customary prices ("Force Majeure Events").

Resolution No. 2020-01

Resolution offered by Commissioner Diane Franken

RESOLVED by the Davenport Historic Preservation Commission (HPC).

RESOLUTION encouraging the consideration of desirability of preserving historic character when considering changes to Davenport’s local landmark parks.

NOW, THEREFORE, BE IT RESOLVED, by the Historic Preservation Commission of the City of Davenport that when considering changes to any of Davenport's local landmark parks, whatever the type of those changes maybe, the Historic Preservation Commission recommends to the Parks & Recreation Department and it's Advisory Board, those changes be taken with the consideration of the desirability of preserving the historic character of those parks.

Any changes within these local landmark parks, should be guided by the local, state, or national designation and its 'period of significance', taken from its original application for historical designation and refer to the National Park Service's Preservation Briefs to guide decisions in making changes to local landmark parks.

and the Chairperson and Secretary be, and they are hereby authorized and instructed to certify to the adoption of this resolution.

Attest: Approved:
