HISTORIC PRESERVATION COMMISSION MEETING
CITY OF DAVENPORT, IOWA
TUESDAY, MAY 12, 2020; 5:00 PM
CITY HALL, 226 W 4TH ST, COUNCIL CHAMBERS

AN ELECTRONIC MEETING IS BEING HELD BECAUSE A FULLY “IN PERSON” MEETING IS IMPOSSIBLE OR IMPRACTICAL DUE TO CONCERNS FOR THE HEALTH AND SAFETY OF COMMISSION MEMBERS, STAFF AND THE PUBLIC PRESENTED BY COVID-19 AND TO FOLLOW THE GOVERNOR’S PROCLAMATION DIRECTING SOCIAL DISTANCING AND PLACING RESTRICTIONS ON GATHERINGS.

I. Call to Order

II. Secretary’s Report
   A. Approval of HPC Minutes from the 3-10-2020 meeting.

III. Communications

IV. Old Business

V. New Business
   A. Case No: COA20-02: Tear off roof and install new at 723 Brown Street. The Paul C.A.F. and Emilie V. (Krause) Karlowa House is located in the Local Historic Hamburg District. Craig Canfield, petitioner. [Ward 3]

   B. Case No: COA20-03: Tear off roof and install new at 1800 W 12th (Abundant Life Ranchers). The structure is located in Fejervary Park which is designated both locally and nationally as historic. Jason Sedlock of Sedlock Construction, petitioner. [Ward 4]

   C. Case No: COA20-04: Tuckpointing on all brick and mortar joints on the chimney at 532 W 6th. The Hirschel, A.J. and H.O. Seiffert House is located in the Local Historic Hamburg District. Herold Jestel, petitioner. [Ward 3]

VI. Other Business

VII. Open Forum for Comment

VIII. Adjourn

IX. Next Commission Meeting:
City of Davenport
Historic Preservation Commission

Department: Community Planning and Economic Development
Contact Info: Brandon Melton, 563-888-2221,
brandon.melton@davenportiowa.com

Date
2/11/2020

Subject:
Approval of HPC Minutes from the 3-10-2020 meeting.

Recommendation:
Approve the minutes.

I. Call to Order

Chairman Frueh called the meeting to order with the following Commissioners present: Cordes, Cochran, Franken, Wonio

II. Secretary's Report

A. Consideration of the January 14, 2020 meeting minutes.

Motion by Cordes, second by Wonio to approve the January 14, 2020 meeting minutes. Minutes were unanimously approved by voice vote (5-0)

III. Communications

Melton noted that the Certified Local Government report had been signed and submitted to IDCA. He also reported that documentation for the designation of the Commercial Downtown Historic District had been submitted to IDCA as well. Melton attended grants session hosted by IDCA and noted there is a grant program available to CLGs to support activities such as surveys of historic districts.

Freuh communicated that there is a bill moving through the state legislature that would limit eligibility for historic tax credits for owner occupied historic houses.

IV. Old Business. There was none.

V. New Business

B. Case No: COA20-01: Replace windows at 509 Ripley St. The Wohler Flats are part of the Local Landmark and National Hamburg Historic Districts. Jamey Licandro of Licandro Management, petitioner. [Ward 3]

Findings:

1. Pursuant to the Section 14.01.060.C.6 of the Davenport City Code, deteriorated architectural features should, where possible, be repaired rather than replaced. Where the severity of deterioration requires replacement, the new feature shall match the old in design, color, texture and other visual qualities and, where possible, materials. Replacement of missing features shall be substantiated by documentary, physical or pictorial evidence; and

2. The proposed windows would be similar to those noted in the site
inventory form included in this report (1/1 Wood).

Motion by McGivern, second by Wonio to approve COA20-01 in accordance with submitted material. Motion to approve was unanimous by roll call vote (5-0).

C. Case No. RES20-01: HPC Resolution encouraging the consideration of desirability of preserving historic character when considering changes to Davenport’s local landmark parks.

Melton read the resolution.

Motion by Cordes, seconded by Cochran to approve RES20-01 as read with one grammatical correction. Motion to approve was unanimous by roll call vote (5-0).

VI. Other Business.

Melton introduced future commissioner Christine Powers.

VII. Open Forum for Comment. No one from the audience spoke.

VIII. Adjourn. The meeting was adjourned at approximately 5:30 pm.
Subject:
Case No: COA20-02: Tear off roof and install new at 723 Brown Street. The Paul C.A.F. and Emilie V. (Krause) Karlowa House is located in the Local Historic Hamburg District. Craig Canfield, petitioner. [Ward 3]

Recommendation:
The proposal achieves consistency with Section 14.060.C.1 of the Davenport City Code, which encourages a reasonable effort to make the minimal number of changes necessary to maintain a designated property in a good state of repair.

Staff recommends approval of COA20-02 in accordance with the submitted material.

Background:
Tear off of existing cedar shingle roof and replace with new cedar shingle roof. Additionally new plywood deck, ice dam in valleys and eaves, and new drip edge will be installed.

### Application Form Type:

- **Plan and Zoning Commission**
  - Zoning Map Amendment (Rezoning)
  - Planned Unit Development
  - Zoning Ordinance Text Amendment
  - Right-of-way or Easement Vacation
  - Voluntary Annexation

- **Zoning Board of Adjustment**
  - Zoning Appeal
  - Special Use
  - Hardship Variance

- **Design Review Board**
  - Design Approval
  - Demolition Request in the Downtown
  - Demolition Request in the Village of East Davenport

- **Historic Preservation Commission**
  - Certificate of Appropriateness
  - Landmark Nomination
  - Demolition Request

- **Administrative**
  - Administrative Exception
  - Health Services and Congregate Living Permit
Historic Resource:

- [x] Local Hamburg Historic District
- [ ] Iowa Soldier’s Orphans’ Historic District
- [ ] Marycrest College Historic District
- [ ] Individually Listed Local Historic Landmark

**Not sure if you have a Historic Resource?** You can click [here](#) to access the City’s GIS Map. Click the layers icon toward the top right of the page. Click the Planning Layers dropdown. Turn the Historic Resources layer on by checking the box.

Historic Resources requiring a Certificate of Appropriateness are mapped with a 🌿 or 🌿. If you are unsure, please contact the Community Planning and Economic Development staff at (563) 326-7765 or [planning@ci.davenport.ia.us](mailto:planning@ci.davenport.ia.us) and we can help you.

**When is a certificate of appropriateness required?**
Prior to the commencement of the work.

**What type of activity requires the approval of a certificate of appropriateness?**
Any activity requiring a building or sign permit, except demolition, that would change the exterior architectural appearance of a structure. Examples include new construction, exterior alterations, relocations, reconstructions and infill development.

**Submittal requirements**
- Please contact Planning staff at (563) 326-7765 or [planning@ci.davenport.ia.us](mailto:planning@ci.davenport.ia.us) so we can help you determine what exactly is required to be submitted.
- Incomplete applications will not be accepted.

**Submittal requirements for all types of requests:**
- The completed application form.
- A work plan that accurately and completely describes the work to be done.
- Color digital photographs depicting the building elevations and proposed construction.

**Submittal requirements for specific types of requests:**

*Minor alterations to existing buildings and new and replacement signs (all of the above and):*
- Specifications, including dimensions, material used and color of the material.
- A rendering of the proposed alteration as depicted on the existing building.
- Samples of the materials, including the color, along with scaled, accurately colored elevations for any proposed sign and/or sign package.

*Minor additions, site improvements and outdoor storage areas (all of the above and):*
- A dimensioned site plan, including the locations of any proposed or existing buildings on the subject parcel and on surrounding parcels.
- A preliminary grading plan showing before and after grades at two-foot contour intervals, where deemed necessary by the development official.
- Outdoor storage areas shall be reflected in the elevation drawings submitted and shall show their relationship to the building elevations as well as the materials and treatment proposed that would accurately reflect the screening of the storage areas.
- A landscape plan.
Major additions and new buildings (all of the above and):

- Reproductions of building or site information found in the historical surveys if applicable
- A verifiable legal description, or a land survey.
- A map showing the existing topography of other properties at two-foot contour intervals, extending one hundred feet from the subject parcel.
- Elevation drawings, in color and drawn to scale, of the front, sides, rear, and roof lines of all proposed buildings or structures, illustrating the appearance and treatment of required screening elements for roof-mounted equipment, where deemed necessary by the development official.
- A materials board containing samples of each type of exterior building materials.

Formal Procedure

(1) Application:
- Prior to submission of the application, the applicant shall correspond with Planning staff to discuss the request, potential alternatives and the process.
- The submission of the application does not constitute official acceptance by the City of Davenport. Planning staff will review the application for completeness and notify the applicant that the application has been accepted or additional information is required. Inaccurate or incomplete applications may result in delay of required public meetings.

(2) Historic Preservation consideration of the request:
- Only work described in the application may be approved by the Commission.
- If the Commission determines there is insufficient information to make a proper judgment on the application, it may continue the application as long a period of 60 days has not elapsed from an accepted application. This time period does not apply if the applicant requests the continuance.

(3) After the Historic Preservation Commission’s decision:
- If approved, a certificate of appropriateness does not constitute a City permit or license and does vest against any other land development regulation or regulatory approval. You will need to contact Davenport Public Works and other regulatory agencies regarding permits and/or licenses.
- If approved, a certificate of appropriateness will expire one year from the date of approval unless a building permit is obtained within such period. The Zoning Administrator may grant an extension for a period of validity longer than one year. An applicant may apply in writing for an extension of time at any time prior to the date of expiration.
- The applicant may appeal the Historic Preservation Commission’s determination to the City Council. A written appeal along with payment of $75.00 must be submitted to the Zoning Administrator within thirty calendar days of the Historic Preservation Commission’s decision.

Applicant: [Craig Canfield] Date: 04/21/2020
By typing your name, you acknowledge and agree to the aforementioned submittal requirements and formal procedure and that you must be present at scheduled meetings.

Received by: Planning staff Date:

Date of the Public Meeting:

Meetings are held in City Hall Council Chambers located at 226 West 4th Street, Davenport, Iowa.
Work Plan

Please describe the work being performed. Please note that only work described in the application may be approved by the Board.

| Tear off of existing cedar shingle roof and replace with new cedar shingle roof. Additionally new plywood deck, ice dam in valleys and eaves, and new drip edge will be installed. |

**State Historic Preservation Office (SHPO) Use Only Below This Line**

- The SHPO has reviewed the Site Inventory and concurs with above survey opinion on National Register eligibility:
  - [ ] Yes  [ ] No  [ ] More research recommended

- This is a locally designated property or part of a locally designated district.

- Comments:

SHPO authorized signature: ____________________________  Date: ____________________________
This Iowa Site Inventory form has been prepared to supplement and document research for the amended Hamburg Historic District nomination project. Research was completed in 2014-16 by Ryan Rusnak, Rebecca Lawin McCarley, interns with the City of Davenport, and members of the Davenport Historic Preservation Commission. Research was reviewed by Rebecca Lawin McCarley and incorporated into the amended nomination with the information on the table below. The table below summarizes the research and architectural notes for this property. Additional information and final determinations of eligibility may also be found in the amended NRHP nomination (McCarley 2016). This project was funded by a FY2015 Historic Resource Development Program grant, through the State Historical Society of Iowa, with matching funds and staff hours contributed by the City of Davenport.

**Narrative Statement of Significance**

The Paul C. A. F. and Emilie V. (Krause) Karlowa House is noted as contributing historically under Criterion A and C within the revised boundary for the Hamburg Historic District in Davenport. The house was previously noted as contributing in the original Hamburg Historic District in 1983. The outbuilding is noted as non-contributing in the original Hamburg Historic District in 1983.
Paul C.A.F. and Emilie V. (Krause) Karlowa House

Subject:
Case No: COA20-03: Tear off roof and install new at 1800 W 12th (Abundant Life Ranchers). The structure is located in Fejervary Park which is designated both locally and nationally as historic. Jason Sedlock of Sedlock Construction, petitioner. [Ward 4]

Recommendation:
The proposal achieves consistency with Section 14.060.C.1 of the Davenport City Code, which encourages a reasonable effort to make the minimal number of changes necessary to maintain a designated property in a good state of repair.

Staff recommends approval of COA20-03 in accordance with the submitted material.

Work Plan

Please describe the work being performed. Please note that only work described in the application may be approved by the Board.

- Remove existing shingles
- Replace any rotten wood
- Install Ice barrier 1-2 rows depending on overhang
- Install Owens Corning synthetic underlayment
- Install 00 1 3/4" drip edge
- Install Owens Corning Duration Shingles
- Install Owens Corning hips ridge shingles or hips ridge
- Install New box vents
- Clean up and Haul away all debris
- Use magnetic sweep

Add additional pages if needed.
Subject:
Case No: COA20-04: Tuckpointing on all brick and mortar joints on the chimney at 532 W 6th. The Hirschel, A.J. and H.O. Seiffert House is located in the Local Historic Hamburg District. Herold Jestel, petitioner. [Ward 3]

Recommendation:
The proposal achieves consistency with Section 14.060.C.1 of the Davenport City Code, which encourages a reasonable effort to make the minimal number of changes necessary to maintain a designated property in a good state of repair.

Staff recommends approval of COA20-04 in accordance with the submitted material with one condition: that the mortar be tested and a custom mix be used to match the determined hardness.

Background:
Based on advice from his contractor, the petitioner has requested to forgo the mortar testing and instead use a type N spec pre-mixed bag. In the contractor’s experience, historic mortar compares similarly to the N spec when tested.

Historic Resource:

☑️ Local Hamburg Historic District
☐ Iowa Soldier’s Orphans’ Historic District
☐ Marycrest College Historic District
☐ Individually Listed Local Historic Landmark

Not sure if you have a Historic Resource? You can click here to access the City’s GIS Map. Click the layers icon toward the top right of the page. Click the Planning Layers dropdown. Turn the Historic Resources layer on by checking the box.

Historic Resources requiring a Certificate of Appropriateness are mapped with a 🌼 or 🌼. If you are unsure, please contact the Community Planning and Economic Development staff at (563) 326-7765 or planning@ci.davenport.ia.us and we can help you.

When is a certificate of appropriateness required?
Prior to the commencement of the work.

What type of activity requires the approval of a certificate of appropriateness?
Any activity requiring a building or sign permit, except demolition, that would change the exterior architectural appearance of a structure. Examples include new construction, exterior alterations, relocations, reconstructions and infill development.

Submittal requirements
- Please contact Planning staff at (563) 326-7765 or planning@ci.davenport.ia.us so we can help you determine what exactly is required to be submitted.
- Incomplete applications will not be accepted.

Submittal requirements for all types of requests:
- The completed application form.
- A work plan that accurately and completely describes the work to be done.
- Color digital photographs depicting the building elevations and proposed construction.

Submittal requirements for specific types of requests:

Minor alterations to existing buildings and new and replacement signs (all of the above and):
- Specifications, including dimensions, material used and color of the material.
- A rendering of the proposed alteration as depicted on the existing building.
- Samples of the materials, including the color, along with scaled, accurately colored elevations for any proposed sign and/or sign package.

Minor additions, site improvements and outdoor storage areas (all of the above and):
- A dimensioned site plan, including the locations of any proposed or existing buildings on the subject parcel and on surrounding parcels.
- A preliminary grading plan showing before and after grades at two-foot contour intervals, where deemed necessary by the development official.
- Outdoor storage areas shall be reflected in the elevation drawings submitted and shall show their relationship to the building elevations as well as the materials and treatment proposed that would accurately reflect the screening of the storage areas.
- A landscape plan.
Major additions and new buildings (all of the above and):
- Reproductions of building or site information found in the historical surveys if applicable
- A verifiable legal description, or a land survey.
- A map showing the existing topography of other properties at two-foot contour intervals, extending one hundred feet from the subject parcel.
- Elevation drawings, in color and drawn to scale, of the front, sides, rear, and roof lines of all proposed buildings or structures, illustrating the appearance and treatment of required screening elements for roof-mounted equipment, where deemed necessary by the development official.
- A materials board containing samples of each type of exterior building materials.

Formal Procedure
(1) Application:
- Prior to submission of the application, the applicant shall correspond with Planning staff to discuss the request, potential alternatives and the process.
- The submission of the application does not constitute official acceptance by the City of Davenport. Planning staff will review the application for completeness and notify the applicant that the application has been accepted or additional information is required. Inaccurate or incomplete applications may result in delay of required public meetings.

(2) Historic Preservation consideration of the request:
- Only work described in the application may be approved by the Commission.
- If the Commission determines there is insufficient information to make a proper judgment on the application, it may continue the application as long a period of 60 days has not elapsed from an accepted application. This time period does not apply if the applicant requests the continuance.

(3) After the Historic Preservation Commission’s decision:
- If approved, a certificate of appropriateness does not constitute a City permit or license and does vest against any other land development regulation or regulatory approval. You will need to contact Davenport Public Works and other regulatory agencies regarding permits and/or licenses.
- If approved, a certificate of appropriateness will expire one year from the date of approval unless a building permit is obtained within such period. The Zoning Administrator may grant an extension for a period of validity longer than one year. An applicant may apply in writing for an extension of time at any time prior to the date of expiration.
- The applicant may appeal the Historic Preservation Commission’s determination to the City Council. A written appeal along with payment of $75.00 must be submitted to the Zoning Administrator within thirty calendar days of the Historic Preservation Commission’s decision.

Applicant: [Signature] Date: [24 APR 2020]
By typing your name, you acknowledge and agree to the aforementioned submittal requirements and formal procedure and that you must be present at scheduled meetings.

Received by: [Signature] Date: [ ]
Planning staff

Date of the Public Meeting: [ ]

Meetings are held in City Hall Council Chambers located at 226 West 4th Street, Davenport, Iowa.
Work Plan

Please describe the work being performed. Please note that only work described in the application may be approved by the Board.

See Proposal from B&B Masonry and Restoration dated 4 Mar 2020
(Mike Krueger 309-373-4269) Attach. 1
Sent Photos' to Brandon Melton (City)
20 Apr 2020 of chimney.

Also Attached email traffic between myself, Brandon Melton and Mike Krueger. Mr. Krueger's email discusses the experience they (B&B) have with testing the mortar. Besides wasting money and review of the photos and the poor shape of some of the bricks already I feel that going with the type "W" mortar should be acceptable. (Attach. 2)

City Hall is located at 226 W 4th St, Davenport IA 52801
DATE: March 4th 2020

CONTRACTOR: General Contractor

ATTN: Harold Jestel

JOB NAME: Harold Jestel Residence
JOB LOCATION: 532 West 6th Street, Davenport, Iowa

SCOPES OF WORK

BASE BID:

We propose to provide all materials, equipment, supervision and labor for the following work items:

1. **Chimney Work:**
   - **Tuckpointing:** Included in our proposal is tuckpointing all of the brick mortar joints on the chimney; all 4 sides. Joints will be ground out to a minimum depth of ¾"; more if needed to reach solid mortar backing. Once grinding is complete, joints will be rinsed clean. Joints will be slightly dampened before tuckpointing to ensure a proper tuckpointing mortar bond. We propose to use Type “N” Spec Mix Pre-Mixed Bag Mortar; color to match existing as close as possible. Newly tuckpointed joints will be struck slightly concave to match existing surrounding joints. Included in our proposal is 65 square feet of chimney joints.

   - **Random Brick Replacement:** Included in our proposal is removing and replacing approximately (65) brick on the chimney. If more brick need to be replaced, our unit cost per brick is $65.00.

   - **Total Bid Chimney Work:** Seven Thousand, Two-Hundred and Forty-Two Dollars ($7,242.00)

2. **Brick Rebuild SOUTH:**

   Only work to be done this year.
• **Brick Rebuild SOUTH:** At the south elevation of the house where brick are starting to push outwards, we will demolish these brick and then relay in new brick; if available. If new brick cannot be found, we will clean and re-use the existing brick. Once brick is laid and mortar has cures we will clean off the smears using Prosoco’s 600 Detergent Cleaner. Included in the rebuild area is approximately 9 square feet.

• **Total Bid Brick Rebuild:** Two Thousand, Five-Hundred and Thirty-Three Dollars ($2,533.00)

3. **Tuckpointing/Caulking Other:**

• **Tuckpointing:** Included in our proposal is tuckpointing all of the brick mortar joints on short walls of the porch area both inside and outside. At the lowest point allowed on the interior side of the porch we will leave a head joint open to the exterior every 2 ft. on center to allow for water drainage. Also included is miscellaneous spot pointing around the lower elevations of the home and the lower wall on the southwest of the home. Joints will be ground out to a minimum depth of ¼”; more if needed to reach solid mortar backing. Once grinding is complete, joints will be rinsed clean. Joints will be slightly dampened before tuckpointing to ensure a proper tuckpointing mortar bond. We propose to use Type “N” Spec Mix Pre-Mixed Bag Mortar; color to match existing as close as possible. Newly tuckpointed joints will be struck slightly concave to match existing surrounding joints. Included in our proposal is 150 square feet.

• **Caulking:** Included in our proposal is caulking all of the porch area capstones and caulking all of the brick control joints. Joints will be caulked using Sikas 15 LM Urethane Sealant; color to match surrounding surfaces as close as possible.

• **Total Bid Tuckpointing/Caulking/Other:** Five Thousand, Five-Hundred and Thirty-Three Dollars ($5,533.00)

• **Total Bid All Areas Combined:** Fifteen Thousand, Three-Hundred and Eight Dollars ($15,308.00)

**Notes:**

• We are fully licensed, bonded, and insured and we guarantee the quality of our work.
• Water and electricity to be provided by owner.
• Because of current OSHA regulations pertaining to air borne dust containment and collection we will use dustless tools when grinding or cutting masonry elements.
• References supplied upon request.
• Sales tax will be added as applicable
• We will build tower scaffolding on the roof to access the chimney.
• 2x10’s, 2x 12’s, or plywood will be placed under the scaffold legs to protect the roof.
• The upper roof will be covered with tarps and/or plywood to alleviate mortar smears on the shingles.
• Included in our proposal for the chimney is scaffold erection and dismantling once job is complete.
Exclusions:

1. Overtime hours
2. No work will be performed beyond our specified scope of work without consent and/or approval from building representatives/owners.
3. Interior work
4. Chimney cap excluded at this time. Once scaffolding is built we can get the exact measurements for fabrication. We estimate the cost for fabrication and install to be around $500.00.

To: brandon.melton@davenportiowa.com, Mike Krueger <mike.krueger@bbmsnry.com>  

Wed, Apr 15, 2020 at 9:54 AM

Good morning Mr. Melton I am reaching out to you in regards to tuck pointing work for 532 W6th Street in Davenport. I am the owner of said property and am planning to do some tuck pointing on the Chimney (See attached bid from B&B masonry).

I am working with Mike Krueger from B&B (Cell 309-373-4269) email mike.krueger@bbmsnry.com . Need to get this done due to crumbling brick so any assistance would be greatly appreciated.

Please feel free to contact me at any time, (cell 563-370-6511) or via email.

Thank You

Harold Jestel

Hello Harold,

As we discussed this morning, since you are doing exterior work in the historic district, you would need to get a Certificate of Appropriateness from the Historic Preservation Commission. I’ve attached an application for that process. You could just reference the Bid for the description of work.

Generally, the recommendation for tuck-pointing on historic homes is to test the mortar and use a custom mix to match the hardness to avoid spalling of the existing brick. I am not aware of the technical ins and outs of how this is done, perhaps your masonry contractor does. If not, I can do some legwork to track down some folks that have done this test. Let me know if you need me to do this.

Kind regards,

Brandon Melton, AICP

Mike Krueger <mike.krueger@bbmsnry.com>  
To: "Melton, Brandon" <Brandon.Melton@davenportiowa.com>, haroldloraine jestel <jesteljunk@gmail.com>

Wed, Apr 15, 2020 at 12:07 PM

My input on this is: We have had mortar tested before and it is costly every time they sample/test it. We did not include any mortar testing cost in our original proposal for the chimney tuckpointing. The outfit that does the testing is David Arbogast and he is located in Davenport. Generally the test always comes back and compares quite similarly to type N spec mix pre-mixed and bagged. Also, we have used type O and M in the past but generally N is acceptable.

Types M and O are more costly than N by about double the bag cost.

Melton, Brandon <Brandon.Melton@davenportiowa.com>  
To: Mike Krueger <mike.krueger@bbmsnry.com>, haroldloraine jestel <jesteljunk@gmail.com>

Wed, Apr 15, 2020 at 4:22 PM

Thanks for the info Mike.

Harold, you could include this information from Mike in your application and request they allow you to forgo the mortar test and go with the N spec mix based on past experience. It will be up to them if they want to waive the standard requirement. From a staff perspective, we will likely need to make the standard recommendation to test and get a custom spec.

Regards,

Brandon Melton, AICP

This house is a significant remaining example of the Queen Anne Style. Despite the visually intrusive brick porch, it retains all of its architecturally significant features except for the original frame porch.

This house was erected in c. 1890 for A. J. Hirschel and his wife Charlotte. A different house was on this site when the Hirschel's acquired the property in 1885 than when they sold it in 1892 to H. O. Seiffert. Hirschel was attorney with the firm Hinz and Hirschel and was probably part of the local Hungarian community. H. O. Seiffert was an important local lumber magnet, serving as president of "Steiffert and Weis Lumber Company" at the time he acquired the house. The house is more commonly known by its second owner due to the nearly 50 year occupancy by the Seiffert family. - Bowers and Svendsen 1981
