Subject:

Public Hearing for the Ordinance for Case REZ20-06 being the request of Malwa LLC to rezone 1.38 acres, more or less, of property located at 4425 W Locust St from C-1 Neighborhood Commercial to C-2 Corridor Commercial. [Ward 1]

# THE PLAN AND ZONING COMMISSION RECOMMENDS DENIAL OF THE REQUEST. A 3/4TH MAJORITY IS REQUIRED.

Recommendation: Hold the Hearing.

Background:

#### **Comprehensive Plan:**

- Within Existing Urban Service Area: Yes
- Within Urban Service Area 2035: Yes
- Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.
- Future Land Use Designation: Residential General (RG) Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Zoning: The property is currently zoned C-1 Neighborhood Commercial Zoning District.

#### **Technical Review:**

- Streets: The property is located south of West Locust Street. No impacts to streets are proposed.
- Stormwater: There is no proposal to redevelop. No additional stormwater requirements apply at this time.
- Sanitary Sewer: There is sanitary sewer adjacent to the property.
- Other Utilities: Other normal utility services are available.

#### **Public Input:**

- Property owners within 200 feet of the property have been notified and a sign has been placed on the property.
- A neighborhood meeting was held on Tuesday, July 21, 2020 via GoToMeeting and in person at City Hall. No one attended.
- The Notice of a Public Hearing was published in the Quad City Times on July 24, 2020.
- One property owner spoke in opposition at the August 4, 2020 Plan & Zoning Commission

Action / Date 9/2/2020 public hearing.

• No written letters of objection have been received.

#### **Discussion:**

The petitioner is requesting a rezoning to C-2 Commercial Corridor to accommodate retail alcohol sales. There is an existing license to sell beer and wine, and the Petitioner wishes to expand sales to include liquor. The current beer and wine license was grandfathered in when the new Zoning Code was adopted in 2019. Rezoning to C-2 would allow any owner to apply for any liquor license offered by the City, including one for hard liquor sales.

The adoption of the new zoning ordinance in 2019 resulted in significant stretches of the Locust Street corridor being downzoned to C-1, Neighborhood Commercial District. Further, the new Code restricted retail alcohol sales to districts zoned C-2 and above. Both actions were approved as a way to enhance neighborhood compatibility, specifically with the goal of reducing, over time, the prevalence of retail alcohol sales outlets along the Locust Street Corridor.

The existing license allows the existing owner to continue to sell beer and wine and is considered a legal Nonconforming Use as the use was an allowed use within a zoning district prior to the adoption of the new zoning ordinance in 2019.

Why is a zoning map amendment required? The new Zoning Ordinance does not permit the retail alcohol sales in the C-1 Neighborhood Commercial Zoning District. This was deliberate in the adoption of the New Zoning Ordinance. Therefore, the existing retail alcohol sales is a nonconforming use. According to Section 17.15.020B:

A nonconforming use of a structure or land cannot be expanded, extended, enlarged, or **increased in intensity**. Such prohibited activity includes additions or enlargements of any structure devoted entirely to a nonconforming use, and any expansion, extension, or relocation of a nonconforming use to any other structure, any portion of the floor area, or any land area currently not occupied by such nonconforming use.

Therefore, the zoning map amendment is being requested in order to expand and relocate the retail alcohol sales and allow a gas station as a permitted use.

# Analysis of Section 17.14.040.E of the Davenport City Code, entitled Approval Standards.

*E.* Approval Standards: The Plan and Zoning Commission recommendation and the City Council decision on any zoning text or map amendment is a matter of legislative discretion that is not controlled by any particular standard. However, in making their recommendation and decision, the Plan and Zoning Commission and the City Council must consider the following standards. The approval of amendments is based on a balancing of these standards.

#### 1. Approval Standards for Map Amendments

# *a.* The consistency of the proposed amendment with the Comprehensive Plan and any adopted land use policies.

The Davenport 2035 Residential General (RG) Future Land Use Designation reads:

Neighborhoods are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along

Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Davenport 2035 does not designate West Locust as an Urban Corridor in the location of the subject property. The nearest Urban Corridor boundary is approximately 1.75 miles to the east at Locust Street and Hickory Grove Road/Division Street intersection.

First, residential development is in close proximity to the subject property. Objections regarding the negative impacts of the current business and the potential for these impacts to be increased were expressed at the public hearing. Expressed negative impacts include, trash generated from the business.

When the new zoning ordinance was adopted, the City consciously decided to not allow retail alcohol sales as a new use in the C-1 Zoning District for 3 principal reasons:

- 1. The potential of negatively impacting nearby and adjacent neighborhoods
- 2. The existing concentration of these facilities along older corridors in the Central City
- 3. A desire for these existing facilities to be grandfathered in now but slowly go away over time.

It is staff's opinion that the proposed amendment would not be compatible with the Comprehensive Plan.

## b. The compatibility with the zoning of nearby property.

The subject and adjacent properties are zoned C-1 Neighborhood Commercial Zoning District. Residential zoning and development is in close proximity to the subject property. The introduction of C-2 Corridor Commercial Zoning District for the subject property may encourage other adjacent property owners to request the same zoning. There are several uses that are permitted in the C-2 Zoning District that are not permitted in the C-1 Zoning District. Table 17.08-1 Use Matrix is included in the background material. While Zoning to C-2, would allow for the requested expansion of retail alcohol sales, it would introduce other uses that are generally incompatible with residential such as, drive-through facilities, bars and minor vehicle repair without the oversight of the Zoning Board of Adjustment, and hotels and car washes.

The nearest commercially zoned property that is categorically higher than C-1 Neighborhood Commercial Zoning District is Shaffer Automotive, which is located approximately 1,800 feet south of the subject property. A map showing the 1,800 foot radius is included in the background material.

It is staff's opinion that the proposed amendment would not be compatible with the zoning of nearby property.

## c. The compatibility with established neighborhood character.

The established neighborhood character is primarily residential adjacent to a smaller-sized neighborhood commercial cluster. The introduction of C-2 Corridor Commercial Zoning District on the subject property may encourage other adjacent property owners to request the same zoning. There are several uses that are permitted in the C-2 Zoning District that are not permitted in the C-1 Zoning District. A modified version of Table 17.08-1 - Use Matrix is included in the background material.

It is staff's opinion that the proposed amendment would not be compatible with the established neighborhood character.

# d. The extent to which the proposed amendment promotes the public health, safety, and welfare of the City.

Residential development is in close proximity to the subject property. Objections regarding the negative impacts of the current business and the potential for these impacts to be increased were expressed at the public hearing. Expressed negative impacts include trash generated from the business.

Zoning is a form of the police power, which authorizes the government to take actions that promote the public health, safety, and welfare of the City. Sometimes this means imposing new regulations to support this end. Indeed before the new code was enacted a liquor license was eligible at this location. But it is the City's desire to reduce the concentration of alcohol facilities in the City. The restriction in the new Code was enacted to support the health, safety and morals of the neighborhood and City.

It is staff's opinion that the proposed amendment would not promote the public health, safety, and welfare of the City.

# e. The suitability of the property for the purposes for which it is presently zoned, i.e. the feasibility of developing the property in question for one or more of the uses permitted under the existing zoning classification.

The property is already developed and being operated as convenience store and gas station and thus well suited for this location.

It is staff's opinion that the property is suitable for the purposes for which it is presently zoned.

## f. The extent to which the proposed amendment creates nonconformities.

The property's current license may be maintained at its current level as the Retail Alcohol Sales use has been grandfathered. Gas Stations are Special Uses in C-1. Gas Stations and Retail Sale of Alcohol are permitted uses in the C-2 Corridor Commercial Zoning District.

It is staff's opinion that the proposed amendment would not create new nonconformities.

## Recommendation:

Findings offered by City Staff:

- 1. The City made a deliberate decision to not allow retail alcohol sales in C-1 under the new Zoning Ordinance.
- 2. The request conflicts with the Comprehensive Plan.
- 3. The proposed zoning map amendment would not achieve consistency with approval standards in Section 17.14.040E of the Davenport City Code.

The Plan and Zoning Commission considered Case REZ20-06 at its August 18, 2020 meeting and voted to forward the request to City Council with a recommendation for denial.

The Commission vote was 9 yes (motion was to deny the request), 0 no and and 0 abstention.

To the Honorable Mayor and City Council:

At its August 18, 2020 meeting, the Plan and Zoning Commission considered Case REZ20-06, the request of Malwa, LLC to rezone 4425 W Locust Street from C-1, Neighborhood Commercial District to C-2, Corridor Commercial District.

The Commission voted unanimously, 9-0, to forward the Case to the City Council with a recommendation for denial, with the following findings:

- 1. The City made a deliberate decision to not allow retail alcohol sales in C-1 under the new Zoning Ordinance.
- 2. The request conflicts with the Comprehensive Plan.
- 3. The proposed zoning map amendment would not achieve consistency with approval standards in Section 17.14.040E of the Davenport City Code.

Sincerely,

Robert Inghram, Chair

Subject:

Public Hearing on the amended Annual Action Plan for Year 46 (July 1, 2020 - June 30, 2021) for the CDBG and HOME Programs. [All Wards]

Recommendation: Hold the public hearing

Background:

Each year, the City must submit an Annual Action Plan (AAP) to the Department of Housing and Urban Development (HUD). This plan is required to receive Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds. The plan for Program Year 46 (Federal FY20/City FY21) covers the period from July 1, 2020 through June 30, 2021. The plan was submitted to HUD and was approved on July 8, 2020.

The AAP identifies the goals and needs for the CDBG and HOME programs, including the objectives to be addressed, which were approved by Council at the November 13, 2019 meeting; and the allocations of the federal entitlement funds which were approved by Council at the March 25, 2020 meeting.

In light of the unprecedented impacts of COVID-19, HUD has instructed communities receiving the CDBG and HOME grants to amend their current Annual Action Plans to incorporate COVID-19 response funding and activities. HUD published suspensions, waivers and guidance on March 31, April 9, and April 10, 2020. HUD also issued a Federal Register Notice with additional guidance, waivers, and flexibilities on August 10, 2020, which directed that the Annual Action Plan should be amended as soon as possible, without need for amending the associated Consolidated Plan, and with the public comment period reduced from 30 days to 5 days along with a virtual public hearing. Previous amendments resulted in the amendment of the Citizen Participation Plan on April 22, 2020 to incorporate the 5-day comment period and virtual public hearings. Notice of the public comment period was published in the Quad City Times on August 28, 2020 and the required 5-day comment period will run from August 29-September 2, 2020.

This substantial amendment to the 2020 Annual Action Plan the Citizen Participation Plan will enable the City to do the following:

- Receive and administer \$939,776 in Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).
- Increase the administration percentage for HOME funding to 25%, as allowed by HUD waivers dated 04/10/20.
- Add Tenant Based Rental Assistance (TBRA) as an eligible HOME funded activity under both the Housing Goal and Housing Project in the 2020 Annual Action Plan.
- At HUD's direction, add to the plan an additional \$525,000 in replenished CDBG funds for

use towards infrastructure projects in Davenport.

If additional CDBG funding is made available to the City by HUD through the ongoing implementation of the CARES Act it will be used for the same purpose of the initial allocations indicated above which is to prepare, prevent and respond to the spread of coronavirus 19 (COVID-19) and facilitate assistance to eligible households and persons economically impacted by COVID-19. In addition, the City may utilize FY19-FY20 and FY20-FY21 CDBG and HOME funding currently on hand as needed to respond to COVID-19. Specific proposed activities to respond to COVID-19 utilizing CDBG-CV include the assistance of small businesses and microenterprises in preparing for, preventing, and responding to COVID-19. Additional proposed activities, if any, will be made available through future public notices which will provide the public 5-days to comment on the proposed activities. These notices will be printed in the local newspapers and posted online on the City of Davenport's website at www.davenportiowa.com

On this agenda there is an action item to approve the amended 2020 Annual Action Plan.

# **PUBLIC NOTICE**

In accordance with 24 CFR 91.05(c)(2) and subpart B of the federal regulations relative to citizen participation for Community Planning and Development Programs and applicable waivers made available to those requirements through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the City of Davenport is making an amendment to the 2020 Annual Action Plan for Community Development Block Grant available to the public through this notice.

# Public Comment Period and Process:

This amendment is available for a 5-day public review and comment period from August 29, 2020 to September 2, 2020. Citizens wishing to submit written comments during the public review and comment period may mail them, postmarked no later than September 2, 2020, to the following:

City of Davenport Community & Economic Development Department Attention: CDBG Administration 226 W. 4<sup>th</sup> Street Davenport, IA 52801

You may also email comments no later than September 2, 2020 to cped.info@davenportiowa.com

Notice is hereby given that at 5:30 p.m. on September 2, 2020 in the City Council Chambers, City Hall, in the City of Davenport, Iowa, there will be conducted a virtual public hearing on the 2020 Annual Action Plan and Citizen Participation Plan Amendments.

In accordance with social distancing guidelines in place as a result of COVID-19, an in person public hearing is not required by HUD. In order to provide alternatives during this crisis, individuals wishing to comment can do so by providing written comments to the physical or email addresses listed above by noon on the day of the public hearing or by attending the public hearing, acknowledging accommodations and social distancing protocol during the meeting. All comments will be addressed in a timely fashion after the date of the public hearing.

# <u>Amendment:</u>

This is an amendment to the 2020 Annual Action Plan for Community Development Block Grant to enable the City of Davenport to do the following:

• Receive and administer \$939,776 in Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

- Increase the administration percentage for HOME funding to 25%, as allowed by HUD waivers dated 04/10/20.
- Add Tenant Based Rental Assistance (TBRA) as an eligible HOME funded activity under both the Housing Goal and Housing Project in the 2020 Annual Action Plan.
- Add to the plan an additional \$525,000 in replenished CDBG funds for use towards infrastructure projects in Davenport.

If additional CDBG funding is made available to the City by HUD through the CARES Act, it will be used for the same purpose of the initial allocations indicated above which is to prepare, prevent and respond to the spread of coronavirus 19 (COVID-19) and facilitate assistance to eligible households and persons economically impacted by COVID-19. In addition, the City may utilize FY 2019-2020 and FY 2020-2021 CDBG and HOME funding currently on hand as needed to respond to COVID-19. Specific proposed activities to respond to COVID-19 utilizing CDBG-CV include the assistance of small businesses and microenterprises in preparing for, preventing, and responding to COVID-19. Additional proposed activities, if any, will be made available through future public notices which will provide the public 5-days to comment on the proposed activities. These notices will be printed in the local newspapers and posted online on the City of Davenport's website at <u>www.davenportiowa.com</u>

Further, eligible CDBG costs incurred as of January 21, 2020, which is the date identified in HUD's CARES Act Federal Register Notice, and paid for with nonfederal funds, may be repaid with CDBG and ESG funding, including those made available under the CARES Act, contingent upon satisfactory completion of all applicable federal requirements. These pre-award costs will, if needed, will meet all HUD requirements applicable to CDBG including those under the CARES Act.

Public Hearing on the plans, specifications, form of contract, and estimate of cost for the Union Arcade Building subsurface vault fill and support, CIP #35022. [Ward 3]

Recommendation: Hold the Hearing.

# Background:

A streetscaping project on the south side of E 3rd St between Brady St and the River Center parking ramp's entrance was started in 2019. Unexpected structural issues with the basement ceiling of the Union Arcade building stopped work. Portions of this building's basement extends beneath the sidewalk. A structural engineer has recommended and designed a permanent solution that will enable streetscaping work and sidewalk replacement to safely continue. The estimated cost is \$100,870, which includes a project contingency.

<u>First Consideration</u>: Ordinance for Case REZ20-06 being the request of Malwa LLC to rezone 1.38 acres, more or less, of property located at 4425 W Locust Str from C-1 Neighborhood Commercial to C-2 Corridor Commercial. [Ward 1]

# THE PLAN AND ZONING COMMISSION RECOMMENDS DENIAL OF THE REQUEST. A 3/4TH MAJORITY IS REQUIRED.

Recommendation: Adopt the Ordinance.

Background:

# **Comprehensive Plan:**

- Within Existing Urban Service Area: Yes
- Within Urban Service Area 2035: Yes
- Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.
- Future Land Use Designation: Residential General (RG) Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

**Zoning:** The property is currently zoned C-1 Neighborhood Commercial Zoning District.

# **Technical Review:**

- Streets: The property is located south of West Locust Street. No impacts to streets are proposed.
- Stormwater: There is no proposal to redevelop. No additional stormwater requirements apply at this time.
- Sanitary Sewer: There is sanitary sewer adjacent to the property.
- Other Utilities: Other normal utility services are available.

# Public Input:

- Property owners within 200 feet of the property have been notified and a sign has been placed on the property.
- A neighborhood meeting was held on Tuesday, July 21, 2020 via GoToMeeting and in person at City Hall. No one attended.
- The Notice of a Public Hearing was published in the Quad City Times on July 24, 2020.
- One property owner spoke in opposition at the August 4, 2020 Plan & Zoning Commission public hearing.

• No written letters of objection have been received.

# **Discussion:**

The petitioner is requesting a rezoning to C-2 Commercial Corridor to accommodate retail alcohol sales. There is an existing license to sell beer and wine, and the Petitioner wishes to expand sales to include liquor. The current beer and wine license was grandfathered in when the new Zoning Code was adopted in 2019. Rezoning to C-2 would allow any owner to apply for any liquor license offered by the City, including one for hard liquor sales.

The adoption of the new zoning ordinance in 2019 resulted in significant stretches of the Locust Street corridor being downzoned to C-1, Neighborhood Commercial District. Further, the new Code restricted retail alcohol sales to districts zoned C-2 and above. Both actions were approved as a way to enhance neighborhood compatibility, specifically with the goal of reducing, over time, the prevalence of retail alcohol sales outlets along the Locust Street Corridor.

The existing license allows the existing owner to continue to sell beer and wine and is considered a legal Nonconforming Use as the use was an allowed use within a zoning district prior to the adoption of the new zoning ordinance in 2019.

Why is a zoning map amendment required? The new Zoning Ordinance does not permit the retail alcohol sales in the C-1 Neighborhood Commercial Zoning District. This was deliberate in the adoption of the New Zoning Ordinance. Therefore, the existing retail alcohol sales is a nonconforming use. According to Section 17.15.020B:

A nonconforming use of a structure or land cannot be expanded, extended, enlarged, or **increased in intensity**. Such prohibited activity includes additions or enlargements of any structure devoted entirely to a nonconforming use, and any expansion, extension, or relocation of a nonconforming use to any other structure, any portion of the floor area, or any land area currently not occupied by such nonconforming use.

Therefore, the zoning map amendment is being requested in order to expand and relocate the retail alcohol sales and allow a gas station as a permitted use.

# Analysis of Section 17.14.040.E of the Davenport City Code, entitled Approval Standards.

E. Approval Standards: The Plan and Zoning Commission recommendation and the City Council decision on any zoning text or map amendment is a matter of legislative discretion that is not controlled by any particular standard. However, in making their recommendation and decision, the Plan and Zoning Commission and the City Council must consider the following standards. The approval of amendments is based on a balancing of these standards.

# 1. Approval Standards for Map Amendments

*a.* The consistency of the proposed amendment with the Comprehensive Plan and any adopted land use policies.

The Davenport 2035 Residential General (RG) Future Land Use Designation reads:

Neighborhoods are mostly residential but include, or are within one-half mile (walking

distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Davenport 2035 does not designate West Locust as an Urban Corridor in the location of the subject property. The nearest Urban Corridor boundary is approximately 1.75 miles to the east at Locust Street and Hickory Grove Road/Division Street intersection.

First, residential development is in close proximity to the subject property. Objections regarding the negative impacts of the current business and the potential for these impacts to be increased were expressed at the public hearing. Expressed negative impacts include, trash generated from the business.

When the new zoning ordinance was adopted, the City consciously decided to not allow retail alcohol sales as a new use in the C-1 Zoning District for 3 principal reasons:

- 1. The potential of negatively impacting nearby and adjacent neighborhoods
- 2. The existing concentration of these facilities along older corridors in the Central City
- 3. A desire for these existing facilities to be grandfathered in now but slowly go away over time.

It is staff's opinion that the proposed amendment would not be compatible with the Comprehensive Plan.

# b. The compatibility with the zoning of nearby property.

The subject and adjacent properties are zoned C-1 Neighborhood Commercial Zoning District. Residential zoning and development is in close proximity to the subject property. The introduction of C-2 Corridor Commercial Zoning District for the subject property may encourage other adjacent property owners to request the same zoning. There are several uses that are permitted in the C-2 Zoning District that are not permitted in the C-1 Zoning District. Table 17.08-1 Use Matrix is included in the background material. While Zoning to C-2, would allow for the requested expansion of retail alcohol sales, it would introduce other uses that are generally incompatible with residential such as, drive-through facilities, bars and minor vehicle repair without the oversight of the Zoning Board of Adjustment, and hotels and car washes.

The nearest commercially zoned property that is categorically higher than C-1 Neighborhood Commercial Zoning District is Shaffer Automotive, which is located approximately 1,800 feet south of the subject property. A map showing the 1,800 foot radius is included in the background material.

It is staff's opinion that the proposed amendment would not be compatible with the zoning of nearby property.

# c. The compatibility with established neighborhood character.

The established neighborhood character is primarily residential adjacent to a smaller-sized neighborhood commercial cluster. The introduction of C-2 Corridor Commercial Zoning District on the subject property may encourage other adjacent property owners to request the same zoning. There are several uses that are permitted in the C-2 Zoning District that are not permitted in the C-1 Zoning District. A modified version of Table 17.08-1 - Use Matrix is included in the

background material.

It is staff's opinion that the proposed amendment would not be compatible with the established neighborhood character.

# d. The extent to which the proposed amendment promotes the public health, safety, and welfare of the City.

Residential development is in close proximity to the subject property. Objections regarding the negative impacts of the current business and the potential for these impacts to be increased were expressed at the public hearing. Expressed negative impacts include trash generated from the business.

Zoning is a form of the police power, which authorizes the government to take actions that promote the public health, safety, and welfare of the City. Sometimes this means imposing new regulations to support this end. Indeed before the new code was enacted a liquor license was eligible at this location. But it is the City's desire to reduce the concentration of alcohol facilities in the City. The restriction in the new Code was enacted to support the health, safety and morals of the neighborhood and City.

It is staff's opinion that the proposed amendment would not promote the public health, safety, and welfare of the City.

# e. The suitability of the property for the purposes for which it is presently zoned, i.e. the feasibility of developing the property in question for one or more of the uses permitted under the existing zoning classification.

The property is already developed and being operated as convenience store and gas station and thus well suited for this location.

It is staff's opinion that the property is suitable for the purposes for which it is presently zoned.

# f. The extent to which the proposed amendment creates nonconformities.

The property's current license may be maintained at its current level as the Retail Alcohol Sales use has been grandfathered. Gas Stations are Special Uses in C-1. Gas Stations and Retail Sale of Alcohol are permitted uses in the C-2 Corridor Commercial Zoning District. It is staff's opinion that the proposed amendment would not create new nonconformities.

# Recommendation:

Findings offered by City Staff:

- 1. The City made a deliberate decision to not allow retail alcohol sales in C-1 under the new Zoning Ordinance.
- 2. The request conflicts with the Comprehensive Plan.
- 3. The proposed zoning map amendment would not achieve consistency with approval standards in Section 17.14.040E of the Davenport City Code.

The Plan and Zoning Commission considered Case REZ20-06 at its August 18, 2020 meeting and voted to forward the request to City Council with a recommendation for denial.

The Commission vote was 9 yes (motion was to deny the request), 0 no and and 0 abstention.

To the Honorable Mayor and City Council:

At its August 18, 2020 meeting, the Plan and Zoning Commission considered Case REZ20-06, the request of Malwa, LLC to rezone 4425 W Locust Street from C-1, Neighborhood Commercial District to C-2, Corridor Commercial District.

The Commission voted unanimously, 9-0, to forward the Case to the City Council with a recommendation for denial, with the following findings:

- 1. The City made a deliberate decision to not allow retail alcohol sales in C-1 under the new Zoning Ordinance.
- 2. The request conflicts with the Comprehensive Plan.
- 3. The proposed zoning map amendment would not achieve consistency with approval standards in Section 17.14.040E of the Davenport City Code.

Sincerely,

Robert Inghram, Chair

Subject:

Motion approving the amended Annual Action Plan for Year 46 (July 1, 2020 - June 30, 2021) for the CDBG and HOME Programs (City of Davenport, petitioner). [All Wards]

Recommendation: Pass the Motion.

Background:

Each year, the City must submit an Annual Action Plan (AAP) to the Department of Housing and Urban Development (HUD). This plan is required to receive Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds. The plan for Program Year 46 (Federal FY20/City FY21) covers the period from July 1, 2020 through June 30, 2021. The plan was submitted to HUD, and was approved on July 8, 2020.

The AAP identifies the goals and needs for the CDBG and HOME programs, including the objectives to be addressed, which were approved by Council at the November 13, 2019 meeting; and the allocations of the federal entitlement funds which were approved by Council at the March 25, 2020 meeting.

In light of the unprecedented impacts of COVID-19, HUD has instructed communities receiving the CDBG and HOME grants to amend their current Annual Action Plans to incorporate COVID-19 response funding and activities. HUD published suspensions, waivers and guidance on March 31, April 9, and April 10, 2020; and issued a Federal Register Notice with additional guidance, waivers, and flexibilities on August 10, 2020, which directed that the Annual Action Plan should be amended as soon as possible, without need for amending the associated Consolidated Plan, and with the public comment period reduced from 30 days to 5 days along with a virtual public hearing. Previous amendments resulted in the amendment of the Citizen Participation Plan on April 22, 2020 to incorporate the 5 day comment period and virtual public hearings. Notice of the public comment period was published in the Quad City Times on August 28, 2020 and the required 5 day comment period will run from August 29-September 2, 2020.

This substantial amendment to the 2020 Annual Action Plan the Citizen Participation Plan will enable the City to do the following:

- Receive and administer \$939,776 in Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).
- Increase the administration percentage for HOME funding to 25%, as allowed by HUD waivers dated 04/10/20.
- Add Tenant Based Rental Assistance (TBRA) as an eligible HOME funded activity under both the Housing Goal and Housing Project in the 2020 Annual Action Plan.
- At HUD's direction, add to the plan an additional \$525,000 in replenished CDBG funds for use

towards infrastructure projects in Davenport.

If additional CDBG funding is made available to the City by HUD through ongoing implementation of the CARES Act it will be used for the same purpose of the initial allocations indicated above which is to prepare, prevent and respond to the spread of coronavirus 19 (COVID-19) and facilitate assistance to eligible households and persons economically impacted by COVID-19. In addition, the City may utilize FY19-FY20 and FY20-FY21 CDBG and HOME funding currently on hand as needed to respond to COVID-19. Specific proposed activities to respond to COVID-19 utilizing CDBG-CV include the assistance of small businesses and microenterprises in preparing for, preventing, and responding to COVID-19. Additional proposed activities, if any, will be made available through future public notices which will provide the public 5-days to comment on the proposed activities. These notices will be printed in the local newspapers and posted online on the City of Davenport's website at www.davenportiowa.com

Approval of this motion will approve the amended Year 46 Annual Action Plan and the amended Citizen Participation Plan, subject to completion of the required 5-day comment period. Approval also authorizes the City Administrator or her designees to submit the amendment to HUD and to sign necessary documents and agreements.

Resolution approving a cooperative agreement with the U.S. Environmental Protection Agency in an amount up to \$116,250 for the Clean Diesel Emission Reduction through Vehicle Replacement Program for the purchase of three new tandem axle dump trucks. [All Wards]

Recommendation: Adopt the Resolution.

### Background:

On July 31, 2020, the City was awarded a grant from the U.S. Environmental Protection Agency for the National Clean Diesel Funding Assistance Program. The grant will provide 24.24% reimbursement of eligible equipment up to \$116,250 for the purchase of three tandem axle dump trucks with an estimated replacement value for \$380,000. The remaining funds needed for the purchase will come from Capital and Road-Use-Tax funds.

Resolution awarding the contract for the FY21 Contract Milling Program to Tri City Blacktop Inc of Bettendorf, IA in the amount of \$158,472.80, CIP #35041. [Wards 1-7]

Recommendation: Adopt the Resolution.

Background:

An Invitation to Bid was issued on July 23, 2020 and was sent to 43 contractors. On August 13, 2020, the Purchasing Division received and opened two bids. See attached bid tabulation.

Tri City Blacktop Inc of Bettendorf, IA was the lowest responsive and responsible bidder. In the past, they have performed satisfactory work for City projects.

This contract will allow a portion of the milling work done by City crews to be done by a contractor, reducing base preparation time for a street by as much as 60%. This will reduce the overall cost for these streets and allow more streets to be resurfaced in the course of a construction season.

Funding for this project is from the FY21 CIP budget, account #35041.

Resolution approving a contract and conditionally approving the contract and bond for the fabrication of one modified pumper fire truck to Sutphen Corp of Amlin, OH and authorizing Mayor Mike Matson or designee to sign and manage any related agreements. [All Wards]

Recommendation: Adopt the Resolution.

### Background:

This purchase is for one fire pumper to replace Engine 6, which is a 2006 model. The current apparatus will remain with the department as a reserve pumper. The reserve apparatus that the 2006 is replacing is a 1997 model that has reached end of life per the National Fire Protection Agency (NFPA) standards. The manufacturer is Sutphen Corporation, which is the same company that built our new 100 ft aerial apparatus. The new pumper will be configured in a similar manner to all other pumpers in the fleet. That standardization of the fleet is important to control maintenance costs, and streamline fire ground operations.

At no cost, the City of Davenport joined the Houston-Galveston Area Council (HGAC) in 2018, a cooperative group that bids public safety items for members. Because of the volume created by purchases from several communities, the advantage is lower contracted prices. Sutphen was awarded the contract for aerial apparatus vehicles.

The approximate total for this purchase is \$583,194.51. Funding for this purchase is from CIP #24024. These funds are from the sale of General Obligation Bonds.

The City's annual budget process is part of an overall policy framework that guides service delivery decisions and determines core functions and priorities of the City of Davenport. The budget serves an important role in the policy framework by allocating financial resources to implement the City's overall policies and to execute the City's core competencies. The budget document serves as a financial plan, an operating guide, a communications device, a statement of values, and a policy document to guide future decision-making.

As the City continues to face unprecedented times caused by a global pandemic, the City is committed to maintaining priorities set forth by the City Council while also maintaining an overall positive financial condition and outlook. As staff continues to develop the FY 2022 Budget, the following principles and assumptions will apply:

- Budget development will be framed by the 2020 community survey results, various forms of public input, City Council goals, and the City Administrator's workplan. As in prior years, departmental strategies will align with the overall workplan.
- Two-year budget plans will continue, with the FY 2022 Budget being the first year of a two-year budget plan adopted for FY 2022 and looking ahead to FY 2023.
- Budgeted expenditures will be linked to goals and performance-related results. Performance measures will continue to be utilized, monitored, and reported in department budgets.
- The goal of the City's budgeting process is to minimize the tax burden on Davenport citizens, while meeting demand for city services. To this end, the City will first address budgetary gaps through strategic departmental reductions in expenditures that minimize reductions in service levels. If necessary to provide for a structurally balanced budget, revenue options will be explored after expenditure reductions.
- Cities are greatly affected by state and federal codes and regulations, property tax rollbacks, and statemandated employee pension contributions. Certain property tax levies are appropriately not limited by

statute, therefore levy rate increases are rarely necessary given this environment.

- User fee increases will be enacted when necessary to maintain cost recovery rates or to diversify revenue. Where possible, fees will be reviewed with the goal of diversifying General Fund revenues.
- The budget will be balanced with projected expenditures not to exceed recurring revenues. The FY 2022 Budget will be structured such that actual results are realistically anticipated to meet financial policies set forth by the City Council.
- The budget shall provide a basis for revenue and expenditure projections and shall consider long-range operating implications.
- The capital improvement budget and the six-year capital improvement plan (CIP) will include projects that are funded within projected available resources. This program of projects is based on the City's comprehensive planning process, community needs, and the individual proposals of departments, boards, and commissions of local government. The CIP technical committee shall include representatives from all direct-service and necessary support departments.
- Due to the state legislature's adoption of SF 295, cities in Iowa are likely to continue to experience revenue reductions through FY 2024. To this end, the City of Davenport will be continue reducing its reliance on the backfill for operating expenses by modernizing operations and exploring cost-saving and revenueenhancing options to mitigate the impact on service levels. Potential areas of organizational review include the exploration of department/division consolidations, intergovernmental service agreements, new revenue sources, and tax levy adjustments if necessary.

DATE: August 04, 2020

TO: Board of Supervisors

SUBJECT: FY21 JAG Grant Application

The Scott County Sheriff's Office will be submitting a grant on or before August 19, 2020 to the Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2020 Local Solicitation. Scott County is eligible for \$81,074 which is a joint allocation between Scott County, Bettendorf and Davenport.

This grant supports the Scott County Special Operations Task Force providing drug trafficking enforcement in Scott County. Officers assigned to the Scott County Special Operations Task Force are a combination from the Bettendorf and Davenport Police Departments and the Scott County Sheriff's Office. Currently, the Davenport Police Department does not have an officer assigned. Each agency submits documentation of officer's salaries, benefits and partial overtime to the County for reimbursement. The County submits quarterly and annual reports to the Office of Justice Programs.

The Scott County Sheriff's Office serves as the multi-agency fiscal officer. JAG awards are based on a formula between population and reported crime statistics.

The grant requires notification to the governing body, Board of Supervisors, in a public format as well as a Memorandum of Understanding for the joint application which is signed by an authorized representative from each jurisdiction. This is to ensure that only one application is submitted. If the grant is denied, then the application will be withdrawn.

Upon your resolution to accept the applicable award from JAG, the Scott County Sheriff's Office will continue with the grant management process.

Motion approving a five-year contract for employee benefit brokerage consulting services to Assured Partners, Inc of Davenport, IA in an amount not-to-exceed \$70,000 which includes an annual payment to Milliman, Inc for benefit actuarial services. [All Wards]

Recommendation: Pass the Motion.

#### Background:

A Request for Proposals was issued on July 22, 2020 and sent to vendors. On August 14, 2020, the Purchasing Division opened and read eight proposals. See tabulation attached.

An evaluation committee of Finance Department staff evaluated the proposals on the following criteria - 1) Proposed Pricing - 20%, 2) Business Process - 25%, 3) Ability, Experience, Qualifications, Expertise of personnel assigned to the City's account - 25%, 4) Scope of Services, understanding of required service and methodology - 10%, 5) Quality and Thoroughness of Proposal - 20%.

The City of Davenport utilizes a Benefits Consulting Service to help with long-term planning, specifically focusing on cost-saving strategies related to the City's group insurance plan. Additionally, this service helps with drafting, organizing, and evaluating RFPs for stop-loss providers and voluntary benefit vendors, as well as facilitating Third Party Administrator and Pharmacy Benefit Manager evaluations, selections, and transitions. The top three scoring firms from the RFP process were asked to interview on August, 26, 2020; each firm was asked to provide cost-savings strategies specific to the City. Through this exercise, it was determined that Assured Partners, formerly Molyneaux Insurance, Inc, best fit the needs of the City and is recommended for the contract.

Funding for this service is from the Employee Health Fund, and specifically from account: 50460700 520217 (professional services).
