X. Individual Approval of Items on the Discussion Agenda

No action was taken on this item as the request to rezone was withdrawn by the petitioner.

1. First Consideration: Ordinance for Case REZ20-06 being the request of Malwa LLC to rezone 1.38 acres, more or less, of property located at 4425 W Locust St from C-1 Neighborhood Commercial to C-2 Corridor Commercial. [Ward 1] **REQUEST WITHDRAWN**

**THE PLAN AND ZONING COMMISSION RECOMMENDS DENIAL OF THE REQUEST. A
3/4TH MAJORITY IS REQUIRED.**

XI. Approval of All Items on the Consent Agenda

****NOTE:** These are routine items and will be enacted at the City Council Meeting by one roll call vote without separate discussion unless an item is requested to be removed and considered separately.

On motion by Alderman Ambrose, second by Alderman Peacock with all Alderman present voting aye (Alderman Ambrose voting nay on item #9 and the liquor license for MC's Happy Hallow at 1502 W 14th St under item #17), the Consent Agenda was approved as follows:

1. Third Consideration: Ordinance amending Chapter 15.08.300 of the Davenport Municipal Code entitled "Permits." [All Wards] **ADOPTED 2020-375**

ORDINANCE NO. **2020-375**

AN ORDINANCE AMENDING CHAPTER 15.08.300 OF THE DAVENPORT MUNICIPAL CODE ENTITLED "PERMITS."

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. That Chapter 15.08.300(B)(1)(k) of the Municipal Code of Davenport Iowa, be and the same is hereby modified as follows:

15.08.300 Permits.

B. Exempted Work. A permit shall not be required for the types of work in each of the separate classes of permit as listed below. Exemption from the permit requirements of the administrative code shall not be deemed to grant authorization for any work to be done in violation of the provisions of the technical codes or any other laws or ordinances of this jurisdiction.

1. Building Permits. A building permit will not be required for the following:

- k. Prefabricated swimming pools accessory to a Group R-3 Occupancy that are less than 24 inches in depth and not over 5,000 gallons, provided such swimming pools shall meet the fencing and enclosure requirements contained elsewhere in the technical codes.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Approved 9/9/2020: Mike Matson, Mayor; Attest: Brian Krup, Deputy City Clerk

2. Third Consideration: Ordinance amending Chapter 15.16 of the Davenport Municipal Code entitled "Electrical Code." [All Wards] **ADOPTED 2020-376**

ORDINANCE NO. **2020-376**

AN ORDINANCE TO REPEAL CHAPTERS 15.16.030-15.16.070 OF THE MUNICIPAL CODE OF DAVENPORT, IOWA, AND ENACT AS A REPLACEMENT A NEW CHAPTER 15.16.030, MODIFIED.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. That Chapter 15.16.030- 15.16.070 of the Municipal Code of Davenport Iowa, be and the same is hereby repealed in its entirety and replaced by a new Chapter 15.16.030 as follows:

Chapter 15.16.030

15.16.030 Chapter 1, modified.

A. Add a new paragraph "Wiring" as follows:

1. Minimum line Voltage wire size shall be 12 AWG copper.
2. Feeder conductors within dwellings shall be installed within an approved raceway. Type AC and Type MC Cable is not approved for this application. Exception: This is inapplicable where feeder conductors originate and terminate within a dwelling unit.
3. Non-Metallic Sheathed cable shall be permitted within one & two family dwellings and their garages and storage buildings; and multi- family dwelling in accordance with National Electrical Code.
4. Exposed Non-Metallic Sheathed cable shall be protected to a height or eight (8) feet above the floor by approved materials and methods.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Approved 9/9/2020: Mike Matson, Mayor; Attest: Brian Krup, Deputy City Clerk

3. Second Consideration: Ordinance amending Chapter 13.38.100 entitled "Construction Site Erosion and Sediment Control - Enforcement" of the Davenport Municipal Code to allow City Council to set the schedule of fines by Resolution. [All Wards]

AMERICAN LEGION POLICE OFFICER/FIREFIGHTER AWARDS

Posted on 09/16/2020

Sept. 16, 2020 - On Monday, September 15, 2020, American Legion Post 26 honored Davenport Police Lt. Greg Behning and Davenport Fire Capt. Todd Whitchelo as their police officer and firefighter of the year.

FIREFIGHTER OF THE YEAR

Whitchelo, who has been a Davenport firefighter for nearly 30 years, was recognized for his work maintaining and acquiring personal protective equipment during the COVID-19 pandemic as well as providing first aid to a climber who was seriously injured in a 30-foot fall.

Whitchelo, DFD's EMS officer, has maintained the supply of appropriate personal protective equipment for the department, acquiring masks, eye protection and gowns which fell to short supply at times early in the pandemic. With DFD's medical director, Whitchelo established needed changes to safety protocols for first responders during the pandemic. He assisted Davenport Police Department and City Administration in obtaining the proper equipment for all essential workers. Whitchelo also serves as the liaison for the Scott County Fire Departments to the Scott County Emergency Management Agency as part of its COVID-19 response.

As part of his recognition, Whitchelo who noted for assisting the climber. He was walking with his wife at a local state park came across a man who had fallen about 30 feet off a rock cliff and suffered serious injuries. Whitchelo and his wife administered first

aid and notified medical crews of the situation. Due to his condition and location a helicopter was called to airlift the man. Whitchelo assisted medical crews and rode in the ambulance to a farm field where they met the helicopter for transport.

POLICE OFFICER OF THE YEAR

Behning, a 25-year veteran of the Davenport Police Department, was recognized for his gallantry and bravery, while at risk of his own life, that allowed him and two fellow officers to safely exit a violent attack, and ultimately saved the lives of his fellow officers during the unrest of May 31.

On Sunday, May 31, 2020 at 10:55 PM, the Davenport Police Department activated a department wide callout for all available police personnel to respond to the station equipped with helmet and riot gear. Davenport Police in coordination with City Officials also requested that residents “shelter in place” and to stay in their homes due to citywide civil unrest.

These emergency directives were issued due to violence citywide with more than 100 vehicles occupied by rioters roaming throughout the city involved in shots fired incidents, rioting and looting of businesses. Over the next four hours, there were four shooting victims with two fatalities and one officer shot in an ambush. During this same time, officers responded to 45 serious disturbances calls and numerous businesses being looted. These businesses included pawnshops, jewelry stores, department stores at a mall, and convenience stores.

At approximately 2:55 AM, officers observed three suspicious vehicles traveling together through a neighborhood. During mobile surveillance, the three vehicles spilt up with one of the vehicles going down an alley eastbound in the area of 14th and Myrtle St.

Officers followed one of the vehicles eastbound in an alley when suddenly; the officers began taking simultaneous gunfire from the east (in front) and from the north (left of driver side door). During the ambush, a fellow officer was shot twice. While the truck was taking hostile gunfire, Lt. Behning kept his composure and directed the wounded officer to drive the truck through and out of the ambush zone to safety.

As the wounded officer was driving, Lt. Behning could not see the attackers in the dark of night. He returned gunfire through the back window towards the gunshot flashes that he saw. Lt. Behning heroically returned fire while being shot at from multiple sides and being covered in glass from rounds breaking the windshield and both front passenger windows. Lt. Behning’s actions allowed other responding officers to pursue a suspect vehicle and successfully apprehend six suspects, seven firearms, in addition to

ammunition and magazines from inside the vehicle.

Behning's conduct, actions, and professionalism in a very dangerous and stressful situation are a credit to his commitment to the Davenport Police Department and the citizens of Davenport.

ORDINANCE NO. _____

Ordinance amending Chapter 13.38.100 entitled "Construction Site Erosion and Sediment Control – Enforcement" of the Davenport Municipal Code to allow City Council to set the schedule of fines by Resolution.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

That Chapter 13.38.100 entitled "Construction Site Erosion and Sediment Control – Enforcement" is hereby amended to read as follows:

13.38.100 Enforcement

- A. Violation of any provision of this chapter may be enforced by civil action including an action for injunctive relief. In any civil enforcement action, administrative or judicial, the City shall be entitled to recover its attorneys' fees and costs from a person who is determined by a court of competent jurisdiction to have violated this chapter.
- B. Violation of any provision of this chapter may also be enforced as a municipal infraction within Chapter 1.30, pursuant to the City's municipal infraction ordinance. Fees for these fines shall be set from time to time by City Council resolution.

1. Schedule of violations

Type 1

- First offense
- Second offense
- Third offense
- Fourth and subsequent

Type 2

- First offense
- Second and subsequent

2. Definition of offenses

Type 1

- a. Failure to control off-site tracking of silt, sediment, or mud.
- b. Failure to implement stormwater pollution prevention controls as designated in SWPPP or grading, erosion and sediment control plan.
- c. Failure to maintain stormwater pollution prevention controls.
- d. Failure to document any stormwater discharge that is a violation of water quality standards, or in a manner inconsistent with the permittee's SWPPP, General Permit #2 and/or COSESCO permit.

Type 2

- a. Operating without a COSESCO permit.
- b. Discharging silt/sediment to the City of Davenport's storm or sanitary sewers.
- c. Failure to comply with a written directive issued by the City Engineer, Public Works Director or the enforcement officer designated by the City.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained not illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Second Consideration: Ordinance amending Schedule VI of Chapter 10.96 entitled "Speed Limits" by adding Utica Ridge Rd from Crow Creek Rd to Veterans Memorial Parkway as a 35 mph street. [Ward 6]

Recommendation:
Adopt the Ordinance.

Background:

Traffic Engineering analyzed the traffic data on Utica Ridge Rd from Crow Creek Rd to Veterans Memorial Parkway and recommends the current 40 mph speed limit be reduced to 35 mph.

If this ordinance is enacted, the speed limit will be consistent from Spruce Hills Dr to Veterans Memorial Parkway.

ORDINANCE NO. _____

Ordinance amending Chapter 13.34.060 entitled "Requirements for Stormwater Management Plans" defining the documentation required prior to COSECO permit issuance.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

That Chapter 13.34.060 entitled "Requirements for Stormwater Management Plans" is hereby amended to read as follows:

13.34.060 Requirements for stormwater management plans.

- A. No application for development will be approved unless it includes a stormwater management plan detailing how runoff and associated water quality impacts resulting from the development will be controlled or managed. This plan must be prepared by an individual approved by the City of Davenport, typically the applicant's engineer, and must indicate whether stormwater will be managed on site or off site and the location and type of practices.
- B. The stormwater management plan(s) shall be referred for comment to all other interested agencies, and any comments must be addressed in a final stormwater management plan. This final plan must be signed by a professional engineer licensed in the State of Iowa, who will verify that the design of all stormwater management practices meets the submittal requirements outlined in the Davenport Stormwater Manual. No building or COSECO permits shall be issued until a satisfactory final stormwater management plan, or a waiver, shall have undergone a review and been approved by the City Engineer or their designee after determining that the plan or waiver is consistent with the requirements of this chapter.
- C. A stormwater management plan shall be required with all permit applications seeking approval under this Chapter 13.34 of the Davenport Municipal Code and will include sufficient information (e.g., maps, hydrologic calculations, etc.) to evaluate the environmental characteristics of the project site, the potential impacts of all proposed development of the site, both present and future, on the water resources, and the effectiveness and acceptability of the measures proposed for managing stormwater runoff generated at the project site. The intent of this planning process is to determine the type of stormwater management measures necessary for the proposed project and ensure adequate planning for management of stormwater runoff from future development. The information required in the plan can be found in the Davenport Stormwater Manual. For development or redevelopment occurring on a previously developed site, an applicant shall include within the stormwater plan measures for controlling existing stormwater runoff discharges from the site in accordance with the standards of this chapter to the maximum extent practicable.
- D. In addition to the requirements above, a landscaping plan must be submitted as part of the stormwater management concept plan to describe the vegetative stabilization and management techniques to be used at a site after construction is completed. This plan will explain not only how the site will be stabilized after construction, but who will be responsible

for the maintenance of vegetation at the site and what practices will be employed to ensure that adequate vegetative cover is preserved. This plan must be approved prior to issuance of a permit for construction of the project.

- E. After review of and modifications to the stormwater management plan and the Maintenance & Repair Agreement, as deemed necessary by the City of Davenport, the final Stormwater Management Plan must be submitted for approval. The final stormwater management plan shall include all of the information required in the final stormwater management plan outline found in the Davenport Stormwater Design Manual. One copy of the approved Maintenance & Repair Agreement shall be signed by the owner and notarized and submitted to the City for signature prior to any COSECO permit issuance and prior to the recording at the Records Office of Scott County. After the City of Davenport signs, notarizes and sends for recording, the recorded copy shall be returned to the owner.
- F. The City of Davenport may, at its discretion, require the submittal of a performance security or bond prior to issuance of a building or COSESCO permit in order to insure that the stormwater practices are installed by the permit holder as required by the approved stormwater management plan. The performance security shall contain forfeiture provisions for failure to complete work specified in the stormwater management plan. The installation performance security shall be released in full only upon submission of as-built plans and written certification by a registered professional engineer licensed in the State of Iowa that the stormwater practice has been installed in accordance with the approved plan and other applicable provisions of this chapter. The City of Davenport will make a final inspection of the stormwater practice to ensure that it is in compliance with the approved plan and the provisions of this chapter.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained not illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Subject:

Resolution approving Case F20-05 being the request of Townsend Engineering for a final plat of KC Kimberly Hills Addition on 8.57 acres, being a replat of Lot 2 of Westgate 13th Addition, located north of the W 37th St & N Birchwood Ave intersection; plat to contain 33 single-family lots. [Ward 2]

Recommendation:

Adopt the Resolution.

Background:

Comprehensive Plan:

Within Urban Service Area (USB35): Yes

Future Land Use Designation: Residential General (RG)

Technical Review:

Streets: 1,485 linear feet of streets are proposed with this request.

Storm Water: The plat will need to conform to any requirements of the City of Davenport Natural Resources Division; see the condition in the recommendation.

Sanitary Sewer: Sanitary sewer will be extended to this subdivision.

Other Utilities: Normal utility services are available in this developed area.

Parks/Open Space: No park shall be required with this infill development.

DISCUSSION

Planning Staff has reviewing this plat for conformance to the subdivision code. The plat meets (or shall meet as conditioned) code requirements.

STAFF RECOMMENDATION

Findings:

-

- 1) The plat conforms to the comprehensive plan Davenport+2035; and
- 2) The plat would achieve consistency with subdivision requirements properly conditioned.

Recommendation:

-

The City Plan and Zoning Commission forwarded F20-05 to the City Council with a recommendation

for approval subject to the following conditions (which have been met):

1. Monuments shall be described and shall have a tie to quarter sections;
2. A sanitary easement shall be provided;
3. Storm sewer and excess stormwater passageway easements shall be shown;
4. The purpose and maintenance responsibility of the outlots shall be shown/noted;
5. ROW shall be called out to be dedicated with the recording of the plat;
6. Sidewalk along Kimberly Road shall be constructed with sidewalk along 38th Place and shall be properly noted and the statement excluding the sidewalk in note 11 shall be removed;
7. Curve locations shall be identified on the plan;
8. Storm sewer easement for lots 6, 7, & 8 shall be accessible from a location other than Kimberly Road ROW, should the State disallow access from a state route;
9. Stormwater management shall be provided for northerly flow; a stormwater easement is not sufficient.
10. Water quality treatment facilities shall be required and an easement for such" (either specific or blanket site easement) "shall be provided to allow access to and throughout the water quality best management practice site(s)

PLAN AND ZONING COMMISSION

DESCRIPTION

Case F20-05 & P20-1 of IMEG for final (and preliminary) plat KC Kimberly Hills Addition on 8.57 acres, being a replat of lot 2 of Westgate 13th Addition (PIN 01637-02) located north of the W 37th St & N. Birchwood Ave intersection; plat to contain 33 single-family lots. [Ward 2]

Recommendation: Staff recommends the City Plan and Zoning Commission forward F20-01 and P20-1 to the City Council with a recommendation for approval subject to the following:

Aerial Photo & Zoning Map (R-3 Single Family & Two Family):

This aerial map shows a residential neighborhood in Hilldale. A large, central vacant lot is labeled "Residential General". To the left of this lot is a large, light-colored building with the address 3801. The lot is bordered by W Kimberly Rd to the north, W 37th St to the south, Hilldale Rd to the west, and N Thornwood Ave to the east. Surrounding the central lot are several other residential properties with addresses: 2922, 2906, 2818, 3704, 2750, 2734, 2720, 2706, 2921, 2817, 3626, 2712, 3828, 3827, 2707, 3812, 3804, 3726, 3718, 3712, 3719, 3707, 3805, and 3817. The map also shows a red-shaded area on the far left and a road labeled "HILLDALE RD" running vertically along the left edge.

[illegible]

BACKGROUND

Comprehensive Plan:

Within Urban Service Area (USB35): Yes

Future Land Use Designation: Residential General (RG)

Technical Review:

Streets: 1,485 linear feet of streets are proposed with this request.

Storm Water: The plat will need to conform to any requirements of the City of Davenport Natural Resources Division; see the condition in the recommendation.

Sanitary Sewer: Sanitary sewer will be extended to this subdivision.

Other Utilities: Normal utility services are available in this developed area.

Parks/Open Space: No park shall be required with this infill development.

DISCUSSION

Planning Staff has reviewing this plat for conformance to the subdivision code. The plat meets (or shall meet as conditioned) code requirements.

STAFF RECOMMENDATION

Findings:

- 1) The plat conforms to the comprehensive plan Davenport+2035; and
- 2) The plat would achieve consistency with subdivision requirements properly conditioned.

Recommendation:

Staff recommends the City Plan and Zoning Commission forward F20-05 and P20-01 to the City Council with a recommendation for approval subject to the following: P20-01 conditions,

1. Kimberly Street shall be changed to "Kimberly Road"
2. A permanent or temporary turn around, either with a hammer head or cul-de-sac at the west end of 38th, shall be proved for city services;
3. Storm sewer, excess stormwater passageway and sanitary easements shall be shown;
4. The outlots shall be labeled according to their purpose;
5. Existing sewers shall be identified;
6. Sanitary sewer shall be shown in correct location within the utility easement and the description shall include sewer in the easement description

F20-05 conditions,

1. Monuments shall be described and shall have a tie to quarter sections;
2. A sanitary easement shall be provided;
3. Storm sewer and excess stormwater passageway easements shall be shown;
4. The purpose and maintenance responsibility of the outlots shall be shown/noted;
5. ROW shall be called out to be dedicated with the recording of the plat;
6. Sidewalk along Kimberly Road shall be constructed with sidewalk along 38th Place and shall be properly noted and the statement excluding the sidewalk in note 11 shall be removed;
7. Curve locations shall be identified on the plan;

8. Storm sewer easement for lots 6, 7, & 8 shall be accessible from a location other than Kimberly Road ROW, should the State disallow access from a state route;
9. Stormwater management shall be provided shall be provided for northerly flow; a stormwater easement is not sufficient.
10. Water quality treatment facilities shall be required and an easement for such" (either specific or blanket site easement) "shall be provided to allow access to and throughout the water quality best management practice site(s)

Subject:

Resolution adopting the resolution of necessity covering the 2020 Alley Resurfacing Program, for the north-south alley between Pershing Ave and Iowa St from E Columbia Ave to E Garfield St, CIP #35038. [Ward 5]

Recommendation:

Adopt the Resolution

Background:

This program involves the resurfacing of one alley with Hot Mix Asphalt (HMA). This is an assessment program where 50% of the total cost to reconstruct or resurface the alley is paid for by the City and the other 50% is paid for by the abutting property owners based on the size of their lot. The resident requesting to have their alley reconstructed or resurfaced would have to obtain the necessary signatures on a petition prepared by the City with over 50% of the owner-occupied property abutting the alley.

The City received and has accepted one petition for this work. The alley is the north-south alley between Pershing Ave and Iowa St. from E Columbia Ave to E Garfield St. The estimated cost for the alley is currently \$80,000 and is budgeted in CIP #35038. Due to the assessments, half of the project expense would eventually be recouped by the City. State law requires that certain Council actions regarding the assessment procedure must precede the bid letting date.

Resolution No. _____

Resolution offered by Alderman Dunn

RESOLVED by the City Council of the City of Davenport.

RESOLUTION adopting the resolution of necessity covering the 2020 Alley Resurfacing Program, for the north-south alley between Pershing Ave and Iowa St from E Columbia Ave to E Garfield St, CIP #35038.

WHEREAS, this Council heretofore provisionally adopted a resolution of necessity covering the 2020 Alley Resurfacing Program; and

WHEREAS, this Council held a Public Hearing, as required by law, and heard all objections to the 2020 Alley Resurfacing Program; and

WHEREAS, this Council previously amended the proposed Resolution of Necessity, as deemed necessary; and

WHEREAS, this Council has overruled all objections regarding the 2020 Alley Resurfacing Program; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport, Iowa that the resolution of necessity for the 2020 Alley Resurfacing Program, as provisionally adopted on August 5, 2020, and as previously amended is finally adopted.

BE IT FURTHER RESOLVED, that this Council hereby directs the Clerk to certify assessments and deficiencies to the County Treasurer and Chief Building Inspector.

Passed and approved the 23rd day of September, 2020.

Resolution No. _____

Resolution offered by Alderman Dunn.

RESOLVED by the City Council of the City of Davenport.

RESOLUTION ordering preparation of detailed plans, specifications, notice of hearing, notice to bidders, form of contract, and publication of the notice to bidders and notice of hearing covering the 2020 Alley Resurfacing Program, for the north-south alley between Pershing Ave and Iowa St from E Columbia Ave to E Garfield St., CIP #35038.

WHEREAS, this Council has adopted the final Resolution of Necessity in connection with the 2020 Alley Resurfacing Program; and

WHEREAS, detailed plans and specifications, notice of hearing, notice to bidders and form of contract should be prepared and filed with the Clerk; and

WHEREAS, said notice of hearing should now be published and the hearing held; and

WHEREAS, said notice to bidders should now be published for the letting date determined;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport, Iowa, as follows:

Section 1. That the Project Engineer be and hereby instructed to prepare and file with the Clerk detailed plans and specifications covering the aforementioned Improvement Project.

Section 2. That the Project Engineer and the City's Attorney be and they are hereby instructed to prepare, file with the Clerk notice of hearing, notice to bidders, and form of contract covering the aforementioned Improvement Project, publish said notice of hearing and notice to bidders and hold the hearing and the letting.

Section 3. That all resolutions or parts of resolutions in conflict herewith be and the same are hereby repealed, to the extent of such conflict.

Passed and approved the 23rd day of September, 2020.

Resolution approving the contract for the RiverCenter South Complex Roof replacement project to Economy Roofing and Insulating Co Inc of Bettendorf, IA in the amount of \$641,500, CIP #69028. [Ward 3]

Recommendation:
Adopt the Resolution.

Background:
An Invitation to Bid was issued on August 7, 2020 and sent to contractors. On September 8, 2020, the Purchasing Division opened and read three responsive and responsible bids. See bid tab attached.

This bid is for the roof replacement at the RiverCenter South Complex.

Economy Roofing & Insulating Co, Inc of Bettendorf, IA was the lowest bid. The bid was under the Engineer's estimate.

Funding for this project is from CIP #69028. These funds are from the sale of General Obligation Bonds and Hotel Motel tax.

Resolution approving the plans, specifications, form of contract, and estimate of cost for the Main Library Renovation Project, CIP #23028. [Ward 3]

Recommendation:
Adopt the Resolution.

Background:
The Main Library renovation project is focused on the public areas of the building. The project includes: creation of individual study rooms, a new first floor public meeting room, a more defined Children's Area, a new Teen Space, improved public computer area, and a new flex space that can be used as a Maker area or for programming. A new service desk in a new location will allow staff to better serve patrons.

Department	Reviewer	Action	Date
City Clerk	Admin, Default	Approved	9/14/2020 - 8:31 AM

The Renwick mansion has been a proud part of Davenport history as a home, a boarding school and since 2007 a wedding and event venue. We are fortunate to be a part of Davenport history and to bring in people from across the country for special occasions to celebrate with us.

COVID 19 has affected all of us in different ways, and one of those is the need to social distance. This has been an extremely difficult year for many small businesses, especially wedding and event venues like The Renwick Mansion, who are dependent on large gatherings. This has pushed more events outdoors, so as our neighbor we wanted to inform you that we are working hard with the city and the police department to make sure we can carry on the tradition and the business and be a good neighbor.

We are in business year round but during the months of March-November we will generally have events outdoors Friday, Saturday and/or Sunday. These events will be over or brought indoors by 10:00 pm to follow the City of Davenport's Nighttime hours sound ordinance between 10 pm-7 am.

We hope you appreciate the hard work and effort put into maintaining a historic part of Davenport history, the positive community events, and the lifelong memories made at The Renwick Mansion.

Thank You!

Motion accepting work completed under the 2020 Crack Seal Program totaling \$53,371.20 with Manatts, Inc - Eastern Iowa Division, CIP #35042. [Wards 3 - 6]

Recommendation:
Pass the Motion.

Background:

This program provided preventative maintenance to asphalt streets recently rehabilitated as part of the City-wide pavement management program. Crack sealing is a highly cost effective strategy of increasing pavement life and performance by preventing water intrusion and freeze-thaw. Street segments included in this contract were:

- Eastern Ave (Locust St – Duck Creek bridge)
- Marquette St (12th St – 17th St)
- W Lombard St (Harrison St – Western Ave)
- E Locust St (Kenwood Ave - Eastmere Dr)
- N Lincoln Ave (Telegraph Rd – Thornwood Ave)

Work has been satisfactorily completed by Manatts, Inc – Eastern Iowa Division (Blue Grass, IA). The total project cost was \$53,371.20.

Subject:
Motion approving a professional services contract for federal grant consultant work with Keller Partners and Company of Washington, DC in the amount of \$81,100, CIP #60015. [All Wards]

Recommendation:
Pass the Motion.

Background:

In an effort to better identify grant opportunities and strategically market projects at the federal level, the City of Davenport enters into a twelve month contract with a consulting firm. Since 2018, Keller Partners and Company have been an excellent partner in assisting city staff with grant applications and arranging meetings with key federal departments in order to promote city wide goals. This contract will be for twelve months, beginning September 24, 2020 and ending on September 25, 2021. During this time period, Keller Partners and Company will perform the following:

- Plan and implement government relations strategies designed to accomplish the City's federal funding objectives;
- Assist in the identification of grants and other funding streams;
- Arrange meetings with Members of Congress, congressional staff, and federal agency decision-makers to advance funding efforts;
- Strategically market the City's need to federal decision-makers;
- Serve as liaison to federal agencies relevant the projects.

RE: LETTER OF AGREEMENT – LIST OF CAPITAL PROJECTS AND CITY PROJECT FUNDING AMOUNTS

Dear Dave,

As described in Section 10(b) of the Stadium Lease Agreement, the City and Main Street Iowa are required to periodically negotiate in good faith the amount of funding provided in the Capital Improvement Fund (CIF). As of the date of this letter, the City contributes \$375,000 annually to the CIF and \$45,000 annually to the Stadium Improvement Fund (SIF). Per the current Stadium Lease Agreement, the City's annual contribution to the SIF increases to \$136,500 in FY 2020. These amounts are committed to in the Stadium Lease Agreement through June 30, 2022 (FY 2022). The purpose of this Letter of Agreement is to acknowledge that both parties agree to extend the next required negotiation date through the City's FY 2028, or June 30, 2028. The parties agree that beginning July 1, 2028 (City's FY 2029) and every five (5) years thereafter consistent with all other considerations outlined in Section 10(b), the annual amount of the City's CIF shall be renegotiated in good faith provided, however, that such annual amount shall not be changed to an amount less than \$425,000 per fiscal year. The parties also agree to evaluate the amount contributed to the SIF at that time. Both parties agree that as of July 1, 2023 (City's FY 2024), the City shall contribute \$425,000 annually to the CIF and \$186,500 to the SIF.

Further, both parties agree that the following improvements shall be made at the ballpark and credited as follows against amounts committed by the City for the CIF and/or SIF.

PROJECT	ESTIMATED AMOUNT	CIF ALLOTMENT	SIF ALLOTMENT
Electronic Scoreboard Replacement (per conditions outlined below)	\$250,000	FY 2019 - \$125,000 FY 2020 - \$64,050 FY 2021 - \$60,950	N/A
Ribbon Board Replacement	\$250,000	FY 2021 - \$28,100 FY 2022 - \$114,050 FY 2023 - \$107,850	N/A

PROJECT	ESTIMATED AMOUNT	CIF ALLOTMENT	SIF ALLOTMENT
Sound System Replacement	\$35,000	N/A	FY 2021 - \$35,000
Ballpark Security	\$150,000	FY 2023 - \$150,000	N/A
Facia	\$500,000	FY 2023 - \$117,150 FY 2024 - \$132,850	FY 2022 - \$100,000 FY 2023 - \$100,000 FY 2024 - \$50,000
Party Plaza Shade Covering	\$375,000	FY 2024 - \$292,150 FY 2025 - \$82,850	N/A
Seat Replacement	\$425,000	FY 2025 - \$275,000	FY 2024 - \$100,000 FY 2025 - \$50,000
Generator Replacement	\$250,000	FY 2025 - \$67,150 FY 2026 - \$57,850	FY 2025 - \$100,000 FY 2026 - \$25,000

The estimated amounts and associated allotment years are not intended to obligate either of the parties to complete any or all of the listed projects should actual costs differ substantially from the estimated amounts shown. Knowing that actual costs will differ from estimated amounts, this Letter of Agreement in no way obligates or commits the City to spend more than the total amount available through CIF- and SIF-provided funding consistent with the lease agreement as modified in this Letter of Agreement through June 30, 2026, nor does it prevent the parties from adding new projects to spend down remaining funding once all projects listed herein have been completed. If a project listed herein is funded from both CIF and SIF, City agrees to first utilize the listed SIF allotment before committing the listed CIF allotment in its prioritization of payment sources.

Based on estimated amounts, the City shall undertake each of these projects during the following fiscal years:

Project	Fiscal Year
Electronic Scoreboard Replacement (per conditions outlined below)	FY 2019
Ribbon Board Replacement	FY 2019
Sound System Replacement	FY 2019
Ballpark Security	FY 2020
Facia	FY 2021
Party Plaza Shade Covering	FY 2022
Seat Replacement	FY 2023
Generator Replacement	FY 2024

Further, the parties also agree that Section 10(d) of the Stadium Lease Agreement shall hereafter be amended as follows to reflect that the total cost of the electronic scoreboard replacement will be split evenly by the parties and that the electronic scoreboard no longer be considered a trade fixture:

"10(d) The Parties agree that prior to the replacement scheduled in FY 2019 that the electronic scoreboard, which includes the video board, shall for all purposes of this Lease be considered a removable trade fixture. The City is not responsible for the care, maintenance, repair or replacement of the scoreboard purchased in 2011. The Parties agree that the City shall replace the electronic scoreboard as outlined in a Letter of Understanding dated April 24, 2019 and that Lessee shall be responsible for half of all costs associated with the replacement to include, but is not limited to, installation, hardware, software, programming, and other related costs and equipment. Once replaced and Lessee has paid its share of the costs, the electronic scoreboard shall no longer be considered a trade fixture, but shall become a City-owned amenity of the Premises and shall be treated as any other amenity of the Premises with regards to the responsibilities of the Parties under Section 8 of this Agreement."

Further, the City agrees to fund the replacement of the HVAC system at Modern Woodmen Park, which cost shall be borne entirely by the City in its FY 2021 Capital Improvement Program. Whereas the current HVAC system is contained above the drop ceiling on the suite level, this project shall include the installation of new HVAC equipment on the roof of the building to improve overall efficiency and effectiveness of the system. This amount shall not be deducted from or against CIF or SIF funding from the City to Main Street Iowa. As part of the HVAC project, City will determine the differential cost of removing the drop ceiling on the suite level to increase the ceiling height to the height of the original roof line versus the cost of restoring the current drop ceiling after the HVAC system has been removed. After detailed consultation between the parties, the City shall include this component to the HVAC project if the City, in its sole determination, determines that the cost differential is not substantial (i.e. less than \$50,000). If the cost is determined by the City to be substantial, the parties shall agree to a funding plan for CIF to fund the differential cost and may modify projects listed in this Letter of Agreement or utilize future uncommitted CIF.

Further, the City agrees to fund, exclusive of CIF and/or SIF funding available through the Stadium Lease Agreement, half of the Generator Replacement project scheduled in FY 2024. The City's commitment of half of the total project amount shall be spent first in its prioritization of payments, followed by scheduled SIF funding, followed by CIF funding. To be clear, the estimated cost of the Generator Replacement project is \$500,000. The City, through its CIP Program, is estimated to fund \$250,000. The remaining \$250,000 estimated amount will be spent from CIF and SIF according to the schedule in this Letter of Agreement.

This Letter of Agreement may only be modified or changed by written approval of both parties. The signatures at the bottom of this page signify approval of all terms and conditions outlined herein.

Sincerely,

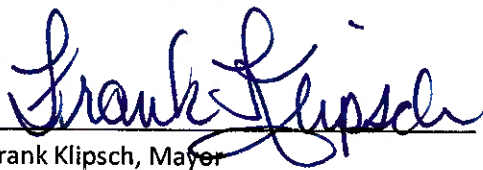

Corri Spiegel
City Administrator

Wards:

Action / Date

9/23/2020

Subject:

Resolution approving Case F20-08 being the request of Prairie Heights Development, LLC for a final plat of Prairie Heights Third Addition for a 23-lot subdivision on 25.04 acres located west of Olde Brandy Ln and Mississippi Ave. [Ward 8]

Recommendation:

Adopt the Resolution.

Background:

Comprehensive Plan:

Within Existing Urban Service Area: Yes

Within Urban Service Area 2035: Yes

Future Land Use Designation: Residential General (RG) – Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.

The proposed Final Plat would comply with the Davenport 2035 proposed land use section.

Zoning: The property is currently zoned R-4 Single and Two-Family Residential Zoning District.

Technical Review:

- Streets: The property would have access via Olde Brandy Lane and would add 889 linear feet of new street added to the City, all of which would meet Davenport Municipal Code requirements.
- Storm Water: The development will include more than 5,000 square feet of hard surface. Outlot A will serve as water detention for this development. With R-4 zoning, the maximum impervious surface coverage is 60% of each of the lots. The development of the property will need to comply with the City's stormwater requirements.
- Sanitary Sewer: Sanitary sewers will be extended from existing infrastructure on Olde Brandy Lane.
- Other Utilities: Other normal utility services are available.

Public Input:

No Public Hearing is required for a Final Plat.

Discussion:

The request is for a Final Plat for a 23 lot subdivision on 25.04 acres of property to facilitate a residential development. This plat is a continuation of the development adjacent to the east and is compatible with that development.

Recommendation:

Findings:

1. The plat conforms to the comprehensive plan Davenport+2035; and
2. The plat (with conditions recommended by City staff) would achieve consistency with subdivision requirements.

Plan and Zoning Commission forwarded Case F20-08 to the City Council with a recommendation for approval subject to the following conditions:

1. That the surveyor signs the plat;
2. That the utility providers sign the plat when their easement needs have been met;
3. That a signature line for the City Plan & Zoning Commission is added and the City approval stamp is removed.
4. That the 40' sanitary sewer easement shall continue south through lot 23.
5. That easements denoted as utility shall be called out as sewer easements if a sewer is within it.
6. That the right-of-way to be dedicated shall not be platted as Outlot C.
7. That building setback lines shall be shown.
8. That notes be added to address drainage easement and excess stormwater passage statements.
9. That the plat is tied to two quarter corners both labeled with description or two previously established lot corners both labeled with description of each corner;
10. That a note be added to the plat stating that sidewalks shall be installed along street frontages when so ordered by the City.

Staff will review the revised final plat to ensure the conditions have been met prior to releasing the plat to be signed and recorded.

Resolution No. _____

Resolution offered by Alderman Gripp and Alderman Condon.

RESOLVED by the City Council of the City of Davenport.

RESOLUTION approving Case F20-08 being the request of Prairie Heights Development, LLC for a final plat of Prairie Heights Third Addition for a 23-lot subdivision on 25.04 acres located west of Olde Brandy Ln and Mississippi Ave. [Ward 8]

WHEREAS, the Plan and Zoning Commission reviewed Case F20-08 at the September 1, 2020 regularly scheduled meeting with a recommendation for approval subject to the following ten conditions:

1. That the surveyor signs the plat;
2. That the utility providers sign the plat when their easement needs have been met;
3. That a signature line for the City Plan & Zoning Commission is added and the City approval stamp is removed.
4. That the 40' sanitary sewer easement shall continue south through lot 23.
5. That easements denoted as utility shall be called out as sewer easements if a sewer is within it.
6. That the right-of-way to be dedicated shall not be platted as Outlot C.
7. That building setback lines shall be shown.
8. That notes be added to address drainage easement and excess stormwater passage statements.
9. That the plat is tied to two quarter corners both labeled with description or two previously established lot corners both labeled with description of each corner.
10. That a note be added to the plat stating that sidewalks shall be installed along street frontages when so ordered by the City.

WHEREAS, the conditions have been added to the plat and/or provided; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport that the final plat of Prairie Heights 3rd Addition to the City of Davenport, Iowa be the same and is hereby approved and accepted;

and the Mayor and Deputy City Clerk are hereby authorized and instructed to certify to the adoption of this resolution.

Passed and approved this 23rd day of September, 2020.

Preliminary Plat – Required for subdivisions of four lots or more.

Property Location:

Part of the SE 1/4 of Section 1, Township 78 North, Range 3 East of Fifth Principal Meridian, in the City of D

Total Land Area: 25.04 Acres

Total Number of Lots: 23 + 3 outlets

Does the Property Contain a Drainage Way or is it Located in a Floodplain Area: ☒ Yes ☐ No

Submittal Requirements:

- The completed application form.
- Required fee:
Ten or fewer lots - \$400 plus \$25 per lot.
Eleven to twenty-five lots - \$700 plus \$25 per lot.
More than twenty-five lots - \$1,000 plus \$25 per lot.
- A PDF of the proposed plat at a scale of not less than one inch per one hundred feet, which depicts the following:
 - The location of existing property lines, section lines, easements, corporate limits and other legally established districts, streets, buildings, watercourses, tree masses and other existing features within the area to be subdivided and similar facts regarding existing conditions on the land.
 - The proposed location and width of streets, alleys, lots, building setback lines and easements.
 - Existing sanitary and storm sewers, water mains, culverts and other underground structures within the tract and immediately adjacent thereto. The location and size of the nearest water main and sewer or outlet shall be indicated in a general way upon the plat.
 - Proposed name of the subdivision (which shall not duplicate any previously filed plat), the name of the land owner, land developer, and land surveyor.
 - The names and adjoining boundaries of all adjacent subdivisions and the names of record owners of adjoining parcels of unsubdivided land.
 - Existing contours with intervals of five feet or less.
 - North point, scale and date.
 - A vicinity sketch showing the proposed subdivision in relationship to surrounding development and street systems.

Final Plat – Required for subdivisions of two lots or more.

Property Location:

Part of the SE 1/4 of Section 1, Township 78 North, Range 3 East of Fifth Principal Meridian, in the City of D

Total Land Area: 25.04 Acres

Total Number of Lots: 23 + 3 outlots

Linear Feet of Streets Added: 889

Does the Property Contain a Drainage Way or is it Located in a Floodplain Area: ☒ Yes ☐ No

Submittal Requirements:

- The completed application form.
- Required fee:
 - Ten or fewer lots - \$400 plus \$25 per lot.
 - Eleven to twenty-five lots - \$700 plus \$25 per lot.
 - More than twenty-five lots - \$1,000 plus \$25 per lot.
- A PDF of the proposed final plat at a scale of not less than one inch per one fifty feet, which depicts the following:
 - The boundary lines of the area being subdivided with accurate distances and bearings.
 - The lines of all proposed streets and alleys with their width and names.
 - The accurate outline of any property which is offered for dedication for public use.
 - The lines of all adjoining lands and the lines of adjacent streets and alleys with their width and names.
 - All lot lines and an identification system for lots and blocks.
 - Building lines and easements for any right-of-way provided for public use, services or utilities, or excess storm water passageways with figures showing their dimensions.
 - All dimensions, both linear and angular, necessary for locating subdivision boundaries, lots, streets, alleys, and of any other areas for public or private use. The linear dimensions are to be expressed in feet and decimals of a foot.
 - Radii, arcs and chords, points of tangency, central angles for all curvilinear streets, and radii and tangents for all rounded corners.
 - All survey monuments and bench marks together with their descriptions.
 - Name of subdivision and description of property subdivided showing its location by distance and bearing to the nearest quarter section monument; points of compass; graphic scale of map; and name and address of owner or owners or the subdivider, or in the case of corporate ownership, the name and address of the registered agent of said corporation shall also appear on the plat;
- Prior to forwarding the proposed final plat to City Council:
 - One full size copy of corrected final plat with the original mylar/sepia and one reduced copy signed/stamped by the utility companies.
 - Executed platting certificates acceptable to the City of Davenport:
 - Acceptance by the City of Davenport.
 - Hold Harmless Agreement.
 - Assessment waiver (sidewalks and subdivision improvements).
 - Dedication of Owner.
 - Consent to platting where applicable.
 - Certificate of Attorney.
 - Surveyor's Certificate.
 - Certificate of County Treasurer.
 - Certificate of Subdivision Name by Scott County Auditor.

The petitioner hereby acknowledges and agrees to the following procedure and requirements for submission and approval of a Preliminary Plat:

(1) Application:

- The submission of the application does not constitute official acceptance by the City of Davenport. Planning staff will review the application for completeness and notify the applicant that the application has been accepted or additional information is required. Inaccurate or incomplete applications may result in delay of required public hearings.

(2) Plan and Zoning Commission's consideration of the proposed preliminary plat:

- Planning staff will perform a technical review of the petition and present its findings and recommendation to the Plan and Zoning Commission.
- The Plan and Zoning Commission will vote to provide its recommendation to the City Council. The Plan and Zoning Commission's recommendation is forwarded to the City Council.

(3) City Council's consideration of the proposed preliminary plat:

- The Committee of the Whole (COW) will consider the petition. Subsequently, the City Council will vote on the petition.

The petitioner hereby acknowledges and agrees to the following procedure and requirements for submission and approval of a Final Plat:

(1) Application:

- The submission of the application does not constitute official acceptance by the City of Davenport. Planning staff will review the application for completeness and notify the applicant that the application has been accepted or additional information is required. Inaccurate or incomplete applications may result in delay of required public hearings.

(2) Plan and Zoning Commission's consideration of the proposed final plat:

- Planning staff will perform a technical review of the petition and present its findings and recommendation to the Plan and Zoning Commission.
- The Plan and Zoning Commission will vote to provide its recommendation to the City Council. The Plan and Zoning Commission's recommendation is forwarded to the City Council.

(3) City Council's consideration of the final plat:

- Prior to forwarding the petition to the City Council, the following must be provided to the Community Planning and Economic Development Department:
 - One full size copy of the corrected final plat and one reduced copy of the corrected final plat signed/stamped by the utility companies.
 - Executed platting certificate.
- The Committee of the Whole (COW) will consider the petition. Subsequently, the City Council will vote on the petition.

(4) Recordation:

- After the Mayor signs the approved final plats and Acceptance by the City of Davenport, the final will be released to the Surveyor to obtain and return 21 full size copies to the Community Planning and Economic Development Department.
- After the 21 copies are returned, two copies of the final plat and platting certificates will be released to the petitioner.
- It is the petitioner's responsibility to record the final plat with the Scott County Recorder's Office.

Resolution No. _____

Resolution offered by Alderman Gripp and Alderman Condon.

RESOLUTION approving the following street closure on the listed date and time to hold an outdoor event.

RESOLVED by the City Council of the City of Davenport.

WHEREAS, the City, through its Special Events Policy, has accepted the following application to hold an outdoor event on the following date; and

WHEREAS, upon review of the application it has been determined that the street on the date and time listed below will need to be closed.

NOW, THEREFORE, BE IT RESOLVED that the City Council approves and directs staff to proceed with the temporary closure of the following street on the following date and time:

*Annie Stopulos; Celebration on Second; Downtown; Friday, September 25, 2020 2:30 p.m. – 10:00 p.m.; **Closure:** E 2nd St from Perry St to just west of the main entrance to 321 E 2nd St. [Ward 3]*

Passed and approved this 23rd day of September, 2020.
