## X. Individual Approval of Items on the Discussion Agenda

*On motion by Alderman Cornette, second by Alderman Ortiz and all Aldermen present voting aye except Alderman Cornette and Alderman Jobgen, the following Ordinance was adopted:*

1. Third Consideration: Ordinance for Case REZ22-08 being the request of Ecumenical Housing Development Group to rezone 1112 Bridge Avenue from R-4C Single-Family and Two-Family Central Residential District to R-MF Multi-Family Residential District. [Ward 5]

**ADOPTED 2023-72**

### ORDINANCE NO. **2023-72**

AN ORDINANCE FOR CASE REZ22-08 BEING THE REQUEST OF ECUMENICAL HOUSING DEVELOPMENT GROUP TO REZONE 1112 BRIDGE AVENUE FROM R-4C SINGLE-FAMILY AND TWO-FAMILY CENTRAL RESIDENTIAL DISTRICT TO R-MF MULTI-FAMILY RESIDENTIAL DISTRICT.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. The following described unit of Scott County, Iowa real estate is hereby rezoned to "R-MF Multi-Family Residential District":

Beginning at the Northeast corner of said Out Lot; thence South 145 feet along the West Line of Bridge Avenue; thence West 137 feet more or less along a line parallel to the South line of an alley on the North end of said Out Lot, to an alley on the West side of said Out Lot; thence North along the East line of said alley 145 feet to the alley on the North end of said Out Lot; thence East along the south line of said alley 137 feet more or less to the place of beginning. Subject to easements and restrictions of record.

Section 2. The following findings and conditions are hereby imposed upon said rezoning:

Findings:

1. The zoning map amendment is consistent with the Davenport +2035 Land Use Plan, which identifies the property as Residential General.
2. The proposed zoning map amendment to R-MF Multi-Family Residential District is compatible with the zoning of nearby developed property.
3. With conditions recommended by staff, the proposed zoning map amendment will enable the existing building be used in a manner consistent with the surrounding area.
4. As conditioned, the rezoning request is compatible with the established neighborhood character.
5. The proposed amendment will not negatively impact the public health, safety, and welfare of the City.
6. Rezoning the property to R-MF Multi-Family Residential District does not create any nonconformities.

Conditions:

1. The maximum building height shall be 35 feet.
2. The number of dwelling units for the subject property is capped at three dwelling units total. For clarity, future subdivision of the property will not result in any increase to this original total, it shall always be an aggregate total of three regardless of how the underlying property is divided.
3. If the existing structure is razed or demolished or in the event that the existing structure is damaged or destroyed - intentionally, accidentally, or by neglect:
  - A. To the extent of 50% or more of its assessed value, then the structure shall only be restored or rebuilt to be a single-family dwelling or a two-family (duplex) dwelling.
  - B. To the extent of less than 50% of its assessed value, it may be repaired and reconstructed provided that the three dwelling unit cap is not exceeded. A building permit must be obtained for such rebuilding, restoration, repair, or reconstruction within one year of the date of damage or destruction. In the event the building permit is not obtained within one year, then the rules pertaining to damage or destruction of 50% or more shall apply moving forward.
4. The prior legal nonconformity to operate a day-care is hereby surrendered by the landowner petitioner, and no day-care home or center will be allowed; additionally, no children's home, domestic violence shelter, or residential care facility will be allowed.

Section 3. At its December 20, 2022 meeting, the City Plan and Zoning Commission voted to forward Case REZ22-08 to the City Council with a recommendation for approval subject to the listed findings and two conditions. City Council amended the conditions at its February 8, 2023 meeting at the agreement of the petitioner.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Adopted 2/22/2023: Mike Matson, Mayor; Attest: Brian Krup, Deputy City Clerk

First Consideration: Ordinance amending Schedule XI Resident Parking Only of Chapter 10.96 entitled "Schedules" by adding 6th Street along the south side from 75 feet east of Ripley Street, east 80 feet thereto. [Ward 3]

**Recommendation:**

Adopt the Ordinance.

**Background:**

The resident at 321 West 6th Street is having issues with the residents in the adjacent apartment building. The apartment does have some off-street parking available in back but it is more convenient for residents to park on the street. The home does have a driveway but no garage. The apartment residents often take up the parking in front of the home and block the driveway. Numerous calls have been made to the Police Department to clear room in front of the driveway and it has been decided to try a resident parking only zone to see if that will help.

Third Consideration: Ordinance amending Schedule VII No Parking of Chapter 10.96 entitled "Schedules" of the Municipal Code of Davenport, Iowa by adding Fairmount Street along the east side from Locust Street to Garfield Street thereto. [Ward 1]

**Recommendation:**

Adopt the Ordinance.

**Background:**

Fairmount Street is 29-feet wide between Locust Street and Garfield Street and currently allows parking along the east side of the street. Most of the streets of that width that allow parking are residential streets. Fairmount has a volume of about 9,000 vehicles per day. When a vehicle is parked in this corridor, northbound traffic typically waits for southbound traffic to pass before proceeding past the parked vehicle. This is not good for traffic flow on a busy collector street. Rarely are vehicles parked in this corridor, so this change should not be a problem for the residents. Most of the residents along the east side of Fairmount have driveways that are 80 feet or longer.

[All Wards]

Recommendation:

Adopt the Ordinance.

Background:

13.16.109 is currently reserved for 'fees', however, no fees have been set by resolution. This Ordinance will clean up the fee setting process by allowing staff to bring updated fee proposals to council as needed for consideration and update. There is currently a need to update fees to reflect current market conditions.

First Consideration: Ordinance amending Schedule XI Resident Parking Only of Chapter 10.96 entitled "Schedules" by adding Bridge Avenue along the frontage of 1032 Bridge Avenue thereto. [Ward 5]

**Recommendation:**

Adopt the Ordinance.

**Background:**

The resident at 1032 Bridge Avenue lives across the street from a large apartment complex. There is 90-degree parking along the north side of the apartment buildings but residents will often park on Bridge Avenue if it is closer to their apartment doors. The parking in front of 1032 Bridge is often occupied by these residents and it is believed that a resident parking only zone in front of this home will help take care of this problem. The zone will be 50 feet long.

Resolution for Case F22-09 being the request of Beckett Place Development, LLC for a final plat of Beckett Place, a 51-lot subdivision on 25.8 acres located south of Veterans Memorial Parkway and east of Interstate 74. [Ward 6]

**Recommendation:**

Adopt the Resolution.

**Background:**

The final plat that is consistent with the preliminary plat approved by the City Council on January 12, 2022. The Plan and Zoning Commission reviewed Case F22-09 at its August 16, 2022 meeting and recommended approval subject to the following findings and conditions:

**Findings:**

- 1. The final plat conforms to the comprehensive plan Davenport +2035.
  2. The final plat prepares the area for future development.
  3. A variance to Section 16.24.040C is warranted due to topographical challenges and safety concerns.
  4. The final plat (with conditions and variance previously approved on the preliminary plat) would achieve consistency with subdivision requirements.

**Conditions:**

- 1. That the surveyor signs the plat.
  2. That the utility providers sign the plat when their easement needs have been met.
  3. A signature shall be added for Metronet.
  4. A variance to Section 16.24.040C for a cul-de-sac exceeding maximum length is granted for Madelyn Court.
  5. Standard Plat Notes shall be added.
  6. Relabel "Common Space #1" and "Common Space #2" as "Outlot 1" and "Outlot 2".
  7. Common Space #1 shall be labelled as a stormwater detention easement.
  8. Add a note stating, "On-street parking shall be limited to one side of the street. No parking will be permitted within the cul-de-sac."
  9. Add a note stating, "Sidewalks shall be constructed along all street frontages prior to the completion of residential construction for each lot, or as so ordered by the City of Davenport."
  10. Add a note stating, "Stormwater detention and water quality treatment are required for this subdivision and shall be owned and maintained by the owner or home owners association.
  11. All easements shall be a minimum width of 15 feet or twice the depth of the utility line, whichever is greater. All drainage easements shall be a minimum width of 20 feet.
  12. Provide full easement widths on Lots 5, 9, 10, and 11.
  13. Add allowable low entry elevations to each lot adjacent to drainage ways and the pond.

**Comprehensive Plan:**

1. Within Existing Urban Service Area: Yes
2. Within Urban Service Area 2035: Yes
3. Future Land Use Designation: Residential General (RG)

Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.

The proposed final plat complies with the Davenport +2035 proposed land use section.

**Zoning:** R-2 Single-Family Residential District.

**Technical Review:**

1. Streets: The standard specifications call for parking on only one side of the street where street width is 27 feet or less. Sidewalks are required along all city right-of-way. A variance for the cul-de-sac length of Madelyn Court was approved as part of the preliminary plat.
2. Storm Water: The site requires stormwater detention and shall meet water quality criteria in the Iowa Storm Water Management Manual. Storm detention is proposed in Common Areas 1 and 2, which should be relabeled as outlots. Access must be provided for maintenance of detention areas and any drainage ways must be maintained to provide for the proper flow of water. The full extent of the trail must be located within an access easement.
3. Sanitary Sewer: Existing sanitary sewer infrastructure is available at Lakehurst Drive, Whispering Pine Drive, Thomas Pointe Road, and Veteran's Memorial Parkway. Sanitary Sewer will be extended throughout the subdivision as development occurs.
4. Parks/Open Space: The proposed plat does not impact any existing or planned parks or public open space. Open space is provided on the site via a walking path surrounding the detention basin at the center of the subdivision.
5. Other: This is an urban area and normal utility services are available.

**Public Input:** No Public Hearing is required for a final plat.

## Variance Request Review

Code Section 16.32.010 states:

*“Whenever the tract to be subdivided is of such unusual size or shape or is surrounded by such development or unusual conditions that the strict application of the requirements contained in the regulations would result in real difficulties and substantial hardships or injustice, the City Plan & Zoning Commission may vary or modify such requirements so that the subdivider is allowed to develop his property in a reasonable manner, but so, at the same time, the public welfare and interests of the City and surrounding area are protected and the general intent and spirit of these regulations are preserved.”*

### **Exceeding Maximum Cul-de-Sac Length of 600 feet**

Code Section: 16.24.040(C) states:

*“Cul-de-sac turnarounds shall be provided at the end of all permanently closed streets. No Cul-de-sac shall exceed 600 feet in length as measured from the centerline of the intersecting street to the termination of the right-of-way.”*

Madelyn Way is approximately 900 linear feet from the centerline of Lakehurst Drive to the terminus of the cul-de-sac.

#### Staff Analysis:

Madelyn Way – The topography of the site provides a natural detention area that would cause a hardship to provide an additional east/west road connection within the subdivision. Connection to Veterans Memorial Parkway would cause a significant safety concern due to traffic volume, limited visibility, speed, and proximity to the I-74 overpass. The City also wishes to limit the number of connection points onto Veterans Memorial Parkway. As a result, staff believes a variance from 16.24.040C is warranted.

**Subject:**

Resolution for Case F22-07 being the request of Civil Engineering Consultants, Inc on behalf of MidAmerican Energy Company for a final plat of Subdivision 78, a 2-lot subdivision on 14.52 acres located at 6702 and 6652 North Division Street. [Ward 8]

**Recommendation:**

Adopt the Resolution.

**Background:**

The Plan and Zoning Commission reviewed Case F22-07 at its May 31, 2022 meeting and has recommended approval subject to the listed findings and conditions:

**Findings:**

-

1. The final plat conforms to the comprehensive plan Davenport +2035.
2. The final plat (with conditions recommended by City staff) would achieve consistency with subdivision requirements.

**Conditions:**

-

1. That the surveyor signs the plat.
2. That the utility providers sign the plat when their easement needs have been met.
3. Add an approval signature line for Metronet.
4. Provide a minimum 15-foot wide utility easement along street right-of-way.
5. Provide a minimum 10-foot wide utility easement along all adjacent properties.
6. Add a note stating, "Stormwater detention and water quality treatment will be required with this subdivision and shall be owned and maintained by the property owner."

**Comprehensive Plan:**

Within Existing Urban Service Area: Yes

Within Urban Service Area 2035: Yes

**Future Land Use Designations:**

1. Residential General (RG)
2. Commercial Node (CN)

**Zoning:**

1. R-1 Single-Family Residential District
2. R-4 Single-Family and Two-Family Residential Zoning District

**Technical Review:**

- **Zoning:** The subject area is split zoned. The property at 6652 North Division Street is zoned R-1 Single-Family Residential District, which is consist with the large lot west of North Division Street. The remainder of the site, including the utility substation and vacant greenspace, is zoned R-4 Single-Family and Two-Family Residential District. This is compatible with the surrounding neighborhoods abutting the subject site.
- **Streets:** Lot 1 will maintain frontage and access along North Division Street. In addition, Wilkes Avenue has a stub along the north property line. It is unlikely Wilkes Avenue will be extended given the existing utility substation. Access to Lot 2 is provided by Pacific Street, which dead ends at the northern property line.
- **Storm Water:** The development of the property will need to comply with the City's stormwater requirements.
- **Sanitary Sewer:** Should development occur at the site, sanitary sewers can be extended from existing infrastructure to serve this subdivision. Additional storm and sanitary sewer easements shall be required based on preliminary engineering of conceptual plans at the time of development.
- **Other Utilities:** Mid American Energy Company has established their easement needs. Other normal utility services are available.

Resolution No. \_\_\_\_\_

Resolution offered by Alderman Gripp.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION approving Case F22-07 being the request of Civil Engineering Consultants, Inc on behalf of MidAmerican Energy Company for a final plat of Subdivision 78, a 2-lot subdivision on 14.52 acres located at 6702 and 6652 N Division Street.

WHEREAS, the Plan and Zoning Commission reviewed Case F22-07 at the May 31, 2022 regularly scheduled meeting with a recommendation for approval subject to the following six conditions:

1. That the surveyor signs the plat.
2. That the utility providers sign the plat when their easement needs have been met.
3. Add an approval signature line for Metronet.
4. Provide a minimum 15-foot-wide utility easement along street right-of-way.
5. Provide a minimum 10-foot-wide utility easement along all adjacent properties.
6. Add a note stating, "Stormwater detention and water quality treatment will be required with this subdivision and shall be owned and maintained by the property owner."; and

WHEREAS, the conditions will be added to the plat and/or provided.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that the final plat of Subdivision 78, an addition to the City of Davenport, Scott County, Iowa as filed with the City Clerk, by MidAmerican Energy Company, an Iowa corporation, be and the same is hereby approved and accepted; and the dedication for public street purposes and the granting of easements as shown on said plat are accepted and confirmed by the Mayor and Deputy City Clerk of said City; and

BE IT FURTHER RESOLVED that the Mayor and Deputy City Clerk are hereby authorized and directed to certify to the adoption of this Resolution on said plat as required by law.

Passed and approved this 8th day of March, 2023.

**PROJECT RENEWAL  
FIT-FEST  
April 15, 2023**

Greetings Neighbors:

Thanks to all who participated last year in Project Renewal's FIT-FEST!

Project Renewal is announcing our annual FIT-FEST on **Saturday, April 15, 2023** - and you are invited!

We are notifying all residents along this event route so you may contact us with any questions, concerns and/or would like to participate. ***The route will be blocked off the morning of the event 7:00 a.m. – Noon, Saturday, April 15, 2023 for the safety and well-being of participants and residents. If you must use your vehicle during this time please park off the route THE NIGHT BEFORE. This will help with the safety for all and respect for your property. The approximate time to expect the streets to be clear is after Noon. As soon as the route is clear of pedestrians and obstacles traffic will resume. We ask for your patience and consideration at this time.***

This event promotes physical well being and healthy lifestyle choices among area youth and adults. It also brings awareness of positive developments in the surrounding neighborhood. In addition, this fundraising opportunity is a chance for people to learn more about the service Project Renewal provides area children and the community. This is a good time for us to tidy up our yards and streets to share with visitors the beauty of our neighborhood!

Project Renewal provides educational and recreational activities for children during the school year and summer in a safe, loving environment. Staff and volunteers are positive role models for the children, reinforcing values needed in order to live healthy and productive lives. Project Renewal is an important organization in our community which can deeply impact the life of a child and is very rewarding personally for those who volunteer or provide financial support.

Many opportunities, if interested, are available to you for this event; you can run, walk, volunteer, cheer - cheer from your own yard and/or join the festivities at Sr. Concetta Park. The route will start and finish at 6<sup>th</sup> and Warren Streets where the park is located, refreshments will be available, awards and prizes for registered participants. For any questions or more information on Project Renewal, to volunteer, or receive a registration form you may call 563-324-0800 or go to our website: [www.projectrenewal.net](http://www.projectrenewal.net). Come and support our neighborhood!

Thank you for your support!

2023 "Arconic Jr. Bix 7"

Children's fun run for kids 12 & under:

The Cornbelt Running Club is requesting to have 4th Street closed to traffic from River Dr. to Pershing St. The hours of the closing would be from 1:00 pm until 9:00 pm. The date is Friday, July 28, 2023. Also, we request to have 3rd St. from Iowa St. to River Dr. closed for the same period.

We would also need to have no parking on 4th St. from River Dr. to Pershing St. and on 3rd St., Iowa St to River Dr. on that day (7/28/23).

The event is a children's fun run. The ages would be from 12 yrs. and under. The distances would range from 7/10 of a mile to 70 yards.

Each age would have a separate race, so there will be several races going on.

We are requesting the proper police support to maintain a safe environment.

Resolution awarding a blanket contract for the purchase of hot mix asphalt for the 2023 construction season to Manatts, Inc - Eastern Iowa Division of Camanche, Iowa and to back-up contractors Langman Construction, Inc of Rock Island, Illinois and RiverStone Group, Inc of Davenport, Iowa, CIP #35059. [All Wards]

**Recommendation:**

Adopt the Resolution.

**Background:**

An Invitation to Bid was issued on January 26, 2023 and was sent to 120 vendors. On February 17, 2023 the Purchasing Division opened and received three (3) responsive and responsible bids.

It is expected the City of Davenport will purchase approximately five thousand (5,000) tons of hot mix asphalt (HMA) for the 2023 construction season from a supplier whose equipment has been calibrated according to Iowa DOT specifications. This contract will be valid until November 15, 2023 or until the supplier has produced and the City has picked up the tonnage required to complete its paving projects during the 2023 construction season.

Awarding a blanket contract for the purchase of hot mix asphalt for the 2023 construction season to Manatts, Inc - Eastern Iowa Division of Camanche, Iowa in the amount of \$66.50 per ton, and to back-up contractors Langman Construction, Inc of Rock Island, Illinois in the amount of \$68.31 per ton and RiverStone Group, Inc of Davenport, Iowa in the amount of \$69.95 per ton.

A back-up contract is needed when the main producer cannot meet the demand of the City.

Funding for this contract is from CIP #35059.

**Background:**

John Deere asked for a study to see if traffic signals were warranted at the intersection of East 90th Street and their west driveway, which lines up with Scott Park Road. The Peak Hour Volume warrant was met during their exit time. John Deere usually has an off-duty officer directing traffic during that time so these signals will help make exiting from the site safe with less waiting. The City will design and bid the project and be responsible for maintenance. The project will proceed pending John Deere's approval of cost.
