

PLAN AND ZONING COMMISSION MEETING

CITY OF DAVENPORT, IOWA

TUESDAY, FEBRUARY 6, 2024; 5:00 PM

DAVENPORT POLICE DEPARTMENT | 416 N HARRISON ST | COMMUNITY ROOM

REGULAR MEETING AGENDA

I. Roll Call

II. Report of the City Council Activity

III. Secretary's Report

- A. Consideration of the January 16, 2024 meeting minutes.

IV. Report of the Comprehensive Plan Committee

V. Zoning Activity

A. Old Business

B. New Business

- i. Case REZ24-01: Request of the City of Davenport to rezone approximately 31.9 acres of land at 2800 Eastern Avenue from S-IC Institutional Campus District to C-T Commercial Transitional District and establish a Planned Unit Development in accordance with the submitted Preliminary Plan. [Ward 5]
- ii. Case ORD24-01: Request of Chris Kretz to amend Table 17.08-1: Use Matrix of the City of Davenport Zoning Ordinance to allow "Bed and Breakfast" and "Reception Facility" as permitted uses in the C-T Commercial Transitional Zoning District. [All wards]
- iii. Case ROW24-01: Request of the City of Davenport to vacate a portion of unimproved Marquette Street right-of-way located south of West 76th Street. [Ward 8]

VI. Subdivision Activity

A. Old Business

B. New Business

- i. Case F24-01: Request of Klinger & Associates, P.C., on behalf of LNL LLC, for a Final Plat of Golf Course Heights Addition. The 1-lot subdivision is located at 2718 Wisconsin Avenue on 3.15 acres. [Ward 1]
- ii. Case F24-02: Request of Klinger & Associates, P.C., on behalf of LNL LLC, for a Final Plat of Locust View Addition. The 1-lot subdivision is located at 5328

West Locust Street on 2.6 acres. [Ward 1]

CITY OF DAVENPORT, IOWA
TUESDAY, JANUARY 16, 2024; 5:00 PM
CITY HALL | 226 WEST 4TH STREET | COUNCIL CHAMBERS

COMBINED PUBLIC HEARING AND REGULAR MEETING AGENDAS

PUBLIC HEARING AGENDA

I. Roll Call

Present: Inghram, Hepner, Maness, Garrington, Tallman, Schneider, Schilling, Johnson, Eikleberry, Dunlop

Absent: Stelk, Schneider

Staff: Bagby, Koops, Werderitch

II. New Business

- A. Case REZ24-01: Request of the City of Davenport to rezone approximately 31.9 acres of land at 2800 Eastern Avenue from S-IC Institutional Campus District to C-T Commercial Transitional District and Planned Unit Development. [Ward 5]

Staff presented an overview of the C-T Commercial Transitional District and Planned Unit Development. The purpose is to identify an adaptive reuse and preserve the historic structures at the Annie Wittenmyer Campus. Since the City is positioning the Annie Wittenmyer Campus for private redevelopment, the S-IC Institutional Campus District is no longer appropriate. The C-T Commercial Transitional District was identified as the most appropriate zoning classification to enable residential development while ensuring the existing social services tenants can continue to operate. The C-T District is the least intense commercial district, which allows for mixed-uses that are sympathetic to existing neighborhoods.

Director of Community and Economic Development, Bruce Berger, provided background on the request. He explained the City's challenges for maintaining the campus and outlined the purchase agreement with the developer.

The developer, Chris Ales, was in attendance to answer questions about the preliminary plan, which include converting structures into housing. The developer is applying for state and federal tax credits and grants to help finance the project. The intent is to consolidate existing social services into the buildings abutting Eastern Avenue, create senior and workforce housing, and establish additional parking.

Numerous members of the public were in attendance to provide comment. Concerns raised included: the future of Davenport Junior Theatre, ability to safely

convert historic structures into affordable housing, historic preservation, types of housing, density of development, impacts to existing residential neighborhoods, traffic, management of the campus, and impacts on property values.

Commissioners inquired about the ability to preserve the cottages for Davenport Junior Theatre, preservation of open space, sidewalks along Eastern Avenue, traffic impacts, and the timeline for development.

With no additional comments, the public hearing closed.

- B. Case ORD24-01: Request of Chris Kretz to amend Table 17.08-1: Use Matrix of the City of Davenport Zoning Ordinance to allow “Bed and Breakfast” and “Reception Facility” as permitted uses in the C-T Commercial Transitional Zoning District. [All wards]

City staff outlined a private citizen’s request to amend the Zoning Ordinance to allow "Bed and Breakfast" and "Reception Facility" as permitted uses in the C-T Commercial Transitional Zoning District. The proposed zoning text amendment will impact all properties throughout Davenport zoned C-T Commercial Transitional District.

Commissioners questioned whether a “Bed and Breakfast” was considered a legal nonconforming use at the petitioner’s property. In addition, Commissioners inquired if a rezoning was more applicable than a text amendment.

Chris Kretz, petitioner, was in attendance to answer questions about the request and his impacted property.

There were no comments from the public.

With no additional comments, the public hearing closed.

- C. Case ROW24-01: Request of the City of Davenport to vacate a portion of unimproved Marquette Street right-of-way located south of West 76th Street. [Ward 8]

Staff presented an overview of the request. The City, on behalf of the Waste Commission of Scott County, is petitioning that a portion of unimproved Marquette Street south of West 76th Street be vacated. The subject land is part of the landfill that was decommissioned in the 1970s. Due to the restrictions on how this area is treated, the construction of a road and installation of underground utilities is infeasible. The area to be vacated is approximately 32,193 square feet or .739 acres, more or less. The intention is to return this area to the Waste Commission of Scott County, since there is landfill within the current right-of-way.

Brian Seals and Bryce Stalcup, Waste Commission of Scott County, were in attendance to answer questions and explain the history of the landfill.

With no additional comments, the public hearing closed.

REGULAR MEETING AGENDA

I. Roll Call

Present: Inghram, Hepner, Maness, Garrington, Schneider, Schilling, Johnson, Dunlop

Absent: Stelk, Schneider, Eikleberry, Tallman

Staff: Bagby, Koops, Werderitch

II. Report of the City Council Activity

Staff provided an update of the City Council activity.

III. Secretary's Report

A. Consideration of the January 2, 2024 meeting minutes.

Motion by Hepner, second by Garrington, to approve the January 2, 2024 meeting minutes. Motion to approve was unanimous by voice vote (6-0).

IV. Report of the Comprehensive Plan Committee

V. Zoning Activity

A. Old Business

B. New Business

VI. Subdivision Activity

A. Old Business

B. New Business

VII. Future Business

VIII. Communications

IX. Other Business

X. Adjourn

Motion by Hepner, second by Johnson, to adjourn the meeting. Motion to adjourn was unanimous by voice vote (6-0).

The meeting adjourned at 6:22 pm.

City of Davenport
Plan and Zoning Commission

Department: Development & Neighborhood Services

Date
2/6/2024

Subject:

Case REZ24-01: Request of the City of Davenport to rezone approximately 31.9 acres of land at 2800 Eastern Avenue from S-IC Institutional Campus District to C-T Commercial Transitional District and establish a Planned Unit Development in accordance with the submitted Preliminary Plan. [Ward 5]

Recommendation:

Staff recommend Case REZ24-01 be forwarded to the City Council with a recommendation for approval, subject to the following findings.

Zoning Map Amendment Findings:

1. The zoning map amendment is consistent with the Comprehensive Plan and adopted land use policies.
2. The proposed zoning map amendment to C-T Commercial Transitional District is compatible with existing on-site uses and the zoning of nearby developed property.
3. The rezoning request is compatible with the established neighborhood character.
4. The proposed amendment will not negatively impact the public health, safety, and welfare of the City.
5. The zoning map amendment facilitates the adaptive redevelopment of a national and local historic landmark.
6. The nonconformities created by the zoning map amendment will be mitigated through the planned unit development process.

Planned Unit Development Findings:

1. The preliminary development plan provides a public benefit to the City.
2. The proposed preliminary plan meets the purpose of a planned unit development.
3. The proposed planned unit development will not impede the normal and orderly development and improvement of surrounding property.
4. There is provision for adequate utilities and infrastructure, drainage, off-street parking and loading, pedestrian access, and all other necessary facilities. A traffic study is not required.
5. There is provision for adequate vehicular ingress and egress designed to minimize traffic congestion upon public streets.
6. The location and arrangement of structures, parking areas, walks, landscape, lighting, and other site design elements, are compatible with the surrounding neighborhood and adjacent land uses.

Background:

Background:

The City of Davenport is requesting a rezoning to C-T Commercial Transitional District and Planned Unit Development. The purpose is to identify an adaptive reuse and to preserve the historic structures at the Annie Wittenmyer Campus.

Why is a Zoning Map Amendment Required?

Since the City is positioning the Annie Wittenmyer Campus for private redevelopment, the allowed uses in the S-IC Institutional Campus District limits adaptive reuse of the property. The C-T Commercial Transitional District was identified as the most appropriate zoning classification to enable residential development while concurrently ensuring the existing social services tenants can continue to operate. The C-T District is the least intense commercial district, which allows for mixed-uses that are sympathetic to existing adjacent neighborhoods.

Comprehensive Plan:

Within Existing Urban Service Area: Yes

Within Urban Service Area 2035: Yes

Future Land Use Designations:

The property is designated as Civic and Institutional in the Davenport +2035 Future Land Use Map.

1. **Civic and Institutional (CI):** Reserved for major developments for government, education, religion, medical, utilities, and other cultural or non-profit organizations located outside of the Downtown (DT).

Zoning:

The applicant is proposing a rezoning from S-IC Institutional Campus District to C-T Commercial Transitional District and Planned Unit Development.

1. **S-IC Institutional Campus District:** This district is intended to encourage a comprehensive approach to development by significant institutions within the City. The S-IC District is also intended to:
 1. Further the policies of the Comprehensive Plan.
 2. Permit appropriate institutional growth within boundaries of the district while minimizing the adverse impacts associated with development and geographic expansion.
 3. Balance the ability of specific institutions to grow and adapt to changing needs while protecting the livability and vitality of adjacent areas.
 4. Encourage the preparation of a land use plan for higher development intensity institutional campuses that enables the community to understand the levels of development being proposed, their likely impacts and appropriate mitigation measures
2. **C-T Commercial Transitional District:** This district is intended to accommodate low intensity limited office, service, and retail uses that may serve as a transition between residential areas and more intensely developed commercial or light industrial areas of the City. Low intensity mixed-use is allowed.

Approval Standards for Map Amendments (Chapter 17.14.040)

The Plan and Zoning Commission recommendation and the City Council decision on any zoning text or map amendment is a matter of legislative discretion that is not controlled by any particular standard. However, in making their recommendation and decision, the Plan and Zoning Commission and the City Council must consider the following standards. The approval of amendments is based on a balancing of these standards.

a. The consistency of the proposed amendment with the Comprehensive Plan and any adopted land use policies.

Staff Response: The property is designated as Civic and Institutional in the Davenport +2035 Land Use Plan. This designation is reserved for major governmental or non-profit

developments located outside the downtown. The proposed planned unit development will continue to provide a public benefit to the community through the addition of housing, social services, the city's retention of the aquatic center, and the preservation of a local landmark.

The established Annie Wittenmyer Complex will maintain its existing characteristics in terms of land use mix, while also converting historic structures into senior and affordable housing.

Rezoning the property to C-T Commercial Transitional District does not require an amendment to the Future Land Use Map. Many of the existing uses on the property will continue to operate in a similar manner, including the numerous non-profit organizations and the city-owned aquatic center. Maintaining the existing land use designation will protect the institutional uses on the site.

It is staff's opinion the proposed amendment is consistent with the Comprehensive Plan and adopted land use policies.

b. The compatibility with the zoning of nearby property.

Staff Response: The following zoning districts abut the Annie Wittenmyer Complex:

- North: S-OS Open Space District
- South: S-IC Institutional Campus District | C-1 Neighborhood Commercial District
- East: S-OS Open Space District | C-T Commercial Transitional District | R-4C Single-Family & Two-Family Central Residential District | R-MF Multi-Family Residential District
- West: R-4C Single-Family & Two-Family Central Residential District

The C-T Commercial Transitional District was identified as the most appropriate zoning classification due to its ability to accommodate office, social services, residential, and recreational uses. This is also the lowest intensity commercial zoning classification in Davenport. Permitted uses in the C-T District have minimal, if any, outside impacts on adjacent properties. In addition, the commercial district dimensional standards are intended to protect residential neighborhoods by imposing more restrictive building heights and setbacks than Davenport's other commercial districts.

There is also an abutting 3.6-acre property at 2805 Eastern Avenue zoned C-T Commercial Transitional District. The property is currently developed as a multi-tenant office and retail center. Rezoning the Annie Wittenmyer Complex will create compatibility with an already established district.

Due to the close proximity of nearby property zoned C-T Commercial Transitional District and the substantial size of the site, it is staff's opinion the proposed zoning amendment is not considered spot zoning. The request is compatible with the zoning of nearby property.

c. The compatibility with established neighborhood character.

Staff Response: Given the history of the property as both a Civil War training camp and children's orphanage, the Annie Wittenmyer Complex has a character that is truly unique. Many structures on the campus were built pre-1900 and are in a state of deterioration. To address these challenges, the City of Davenport approved a conditional purchase agreement with a developer whom has experience in historic preservation. The rezoning to C-T Commercial Transitional District, along with the Planned Unit Development, are intended to accommodate adaptive reuse of the property in

a manner that is sympathetic to the historic campus and the surrounding neighborhoods.

The subject property is surrounded by open space in the form of Eastern Avenue Park to the north and Oakdale Cemetery to the east. The preliminary plan submitted by the developer includes preservation of the green space at the northwest corner of the property. This area contains floodplain and will remain undeveloped. In addition, the master planned campus will be preserved under this proposal. Due to the historic nature of the site, no new buildings are proposed.

While the developer does not intend to construct new buildings, it should be noted that the C-T Commercial Transitional District has dimensional standards that mitigate impacts on surrounding residential properties. The maximum district height is 35 feet, which is the same as Davenport's R-4C Single-Family & Two-Family Central Residential District. Interior and rear setbacks are also increased in the C-T District when abutting a residential district. However, the existing railroad tracks will continue to serve as a barrier between the campus and the adjacent neighborhood to the west.

If the property were to be redeveloped, the current Zoning Ordinance contains design standards that ensure compatibility with the neighborhood character. The standards require facades to incorporate a unifying architectural theme, including windows, prominent entrances, projections, and quality building materials. In addition, the Annie Wittenmyer Complex is a local landmark. Therefore, any exterior alterations to the buildings or site improvements will require approval from the Historic Preservation Commission.

It is staff's opinion the proposed zoning district and the planned unit development will ensure compatibility with the established neighborhood character.

d. The extent to which the proposed amendment promotes the public health, safety, and welfare of the City.

Staff Response: City staff evaluated the preliminary plan and proposed uses for impacts on the regional transportation network. The site plan shows three access points onto Eastern Avenue, a minor arterial, and one access drive onto East 29th Street, a collector. From a cursory look at the proposed site plan, it appears like the development may generate an extra 200 trips per day, which may equate to approximately 20 trips during the peak hours. Since these trips will be divided among four different access locations, no traffic disruptions are expected, and a traffic study will not be needed.

Rezoning the property to create multi-family dwellings will not be detrimental to the surrounding area, which currently has a mixture of housing types. No new structures are proposed in the preliminary plan. Instead, existing buildings will be retrofitted for new residential uses and amenities. The density of housing is limited to the existing square footage within each historic structure. Any deviation from the approved plan will require an amendment to the planned unit development, which is an action item at City Council.

Residents have expressed both support and opposition for the proposed housing mix, which includes senior, affordable, and market-rate units. It should be noted that the Zoning Ordinance does not regulate price points or owner occupancy of dwelling units.

It is staff's opinion that the proposed zoning map amendment will not negatively impact the

public health, safety, and welfare of the City.

e. The suitability of the property for the purposes for which it is presently zoned, i.e. the feasibility of developing the property in question for one or more of the uses permitted under the existing zoning classification.

Staff Response: The Annie Wittenmyer campus includes roughly 32 acres in the 2800 block of Eastern Avenue. Many of the structures are from the 1800s when the property was built as an orphanage coming out of the Civil War era. In the 1950s, it was converted primarily for use in behavioral services and counseling for youth. The property was acquired by the City in the 1970s when the facility closed as funding was no longer sufficient to fund operations.

Since then, nonprofit operations (such as Family Resources) and Junior Theatre began using portions of the campus. The City converted outdoor fields to the current Aquatic Center on the north side of the campus; however, many of the buildings have sat vacant or been underused over the past decades. Lease revenue has been insufficient for routine maintenance and, as a result, the campus has suffered significant deferred maintenance.

Last year, a developer team (including Chris Ales) indicated interest in the site and began working on a concept plan that would preserve the historic buildings on the campus. Ales has substantial experience in completing historic redevelopment projects including several in Davenport. Their plan would be to convert many of the structures to affordable rental housing, including 52 units for seniors and 47 units for families. None of the structures on campus would be demolished per his plan.

To accomplish this, the property requires a rezoning to C-T Commercial Transitional District as the current zoning classification does not allow housing. The S-IC Institutional Campus District is no longer appropriate as ownership of the property will be transferred from the City to a private developer (with the exception of the aquatic center). Over the coming months, the Developer will work with existing tenants and the anticipated timeline of redevelopment.

It is staff's opinion that the present zoning district impedes the feasibility of redeveloping the historic Annie Wittenmyer Complex.

f. The extent to which the proposed amendment creates nonconformities.

Staff Response: The existing 32-acre triangular property far exceeds the minimum lot area requirement of 10,000 square feet and lot width requirement of 60 feet. However, staff has identified several nonconformities that will be created if the site is rezoned to C-T Commercial Transitional District. The dimensional and use nonconformities include:

1. The C-T Commercial Transitional District has a minimum front build-to-zone of 0-20 feet. Since the aquatic center facility has a substantial setback from East 29th Street, this requirement is considered legal nonconforming.
2. There is a minimum corner build-to-zone of 0-15 feet. A minimum of 60% of a structure must be located within this zone. While buildings C, D, and the Davenport Junior Theater Building abut Eastern Avenue, none are within the corner build-to-zone. Therefore, the property is considered legal nonconforming to this standard.
3. While architectural plans are not available, staff believe the three-story administration building and chapel bell tower may exceed the district height requirement of 35 feet.
4. While the historic structures on the campus were built with quality materials, there may be

deficiencies in meeting the Commercial District Design Standards outlined in Table 17.05-2 of the Zoning Ordinance. Davenport's code was adopted in 2019 to address modern development practices, rather than pre-1900s construction. The flexibility in the planned unit development will enable preservation of the architectural facades while addressing nonconformities.

5. The existing social services offered at the property will be allowed to continue operation, despite not being traditionally permitted in the C-T Commercial Transitional District.

Planned unit developments are a special approval intended to encourage and allow more creative and flexible development of land than is possible under district zoning regulations. Exceptions from district regulations may be granted for planned unit developments, if the exceptions:

1. Enhance the overall merit of the planned unit development.
2. Promote the objectives of both the City and the development.
3. Enhance the quality of the design of the structures and the site plan.
4. Will not cause excessive adverse impact.
5. Are compatible with adopted City land use policies.
6. Provide a public benefit to the City.

Staff believe the preliminary plan satisfies the criteria outlined in Section 17.14.080.D.2. of the Zoning Ordinance for granting an exception to the C-T Commercial Transitional District dimensional, design, and use standards. The degree of nonconformities will have minimal impact, if any, on surrounding land uses. Instead, the planned unit development process will facilitate the adaptive reuse of a historic district.

Any redevelopment of the site shall be in accordance with applicable city codes and meet the standards of the C-T Commercial Transitional District and the approved final development plan.

It is staff's opinion the nonconformities created by the proposed amendment will be mitigated through the planned unit development process.

Planned Unit Development:

Planned Unit Developments (PUD) are a special approval intended to encourage and allow more creative and flexible development of land than is possible under district zoning regulations and should only be applied to further those applications that provide compensating amenities to the City.

Through the flexibility of the planned unit development technique, a PUD is intended to:

1. Encourage flexibility in the development of land and in the design of structures.
2. Encourage a creative approach to the use of land that results in better development and design than might otherwise be accomplished under the strict application of other sections of this Ordinance.
3. Allow for the design of developments that are architecturally and environmentally innovative, and that achieve better utilization of land than is possible through strict application of standard zoning controls.
4. Combine and coordinate architectural styles, building forms, and structural/visual relationships within an environment that allows mixing of different uses in an innovative and functionally efficient manner.
5. Provide for the efficient use of land to facilitate a more effective arrangement of land uses, structures, circulation patterns, and utilities.

6. Encourage land development that, to the greatest extent possible, preserves natural vegetation, respects natural topographic and geologic conditions, and refrains from adversely affective flooding, soil, drainage, and other natural ecologic conditions.
7. Facilitate the implementation of adopted City land use policies, particularly with respect to areas planned for potential redevelopment.

A planned unit development is subject to the underlying district regulations, including use, unless an exception is specifically granted. The Plan and Zoning Commission may recommend and the City Council may grant exceptions to the zoning district regulations, including use, for a planned unit development.

The underlying zoning district regulations, including use, apply unless an exception is granted as part of the planned unit development approval. In no case may an exception to district regulations be granted unless the applicant demonstrates a substantial benefit to the City.

Preliminary Plan:

A site plan has been provided as the preliminary development plan associated with the rezoning request. The City owned and operated Annie Wittenmyer Aquatic Center will continue without interruption. The chapel currently used by Junior Theatre will remain. In addition, the City has the option of leasing additional cottages for classroom space. Building A, C, D, G-M, O and P are proposed as residential. In total there are approximately 99 proposed residential dwelling units.

Additional building uses include residential amenities and social services. No new buildings are being proposed, and no demolitions are proposed (save for two which have already commenced with HPC approval). Additional parking areas are generally located in previously developed areas. The functional general circulation of pedestrians and vehicles throughout the campus will not change other than the addition of a few new parking areas.

Local & National Historic Landmark:

The Iowa Soldiers' Orphan's Home Historic District (Annie Wittenmyer Complex) is both a locally and nationally designated landmark. The Historic Preservation Commission will retain review authority over proposed exterior and site alterations following the proposed rezoning and planned unit development. The National Register of Historic Places Inventory-Nomination Form and statement of significance can be accessed at the following link: <https://catalog.archives.gov/id/75340094>

Davenport Junior Theatre:

In the next several months, the Developer will communicate the anticipated development timeline to existing tenants. In particular, the Junior Theatre Program will continue, either on-site or at a new location. Staff has begun to explore a potential partnership with the Davenport Community School District. The developer has offered to allow the City to lease (for \$1) and potentially buy-back (for \$1) the current Theatre building if more time is needed. The City recognizes the value the theatre program brings to the community and is committed to its long term success.

Technical Review:

City Departments reviewed the proposed Zoning Map Amendment Application for compliance with City ordinances and impacts to regional systems.

Public Input:

Letters were sent to property owners within 200 feet of the proposed request notifying them of the

January 11, 2024 neighborhood meeting and the January 16, 2024 Plan and Zoning Commission Public Hearing.

Approximately thirty members of the public attended the neighborhood meeting. City staff, the potential developer, and elected officials were also in attendance to answer questions and facilitate discussion. Comments were generally related to the following items:

- Concerns over the future of Davenport Junior Theatre.
- The ability to safely convert historic structures into quality affordable housing.
- Redevelopment should be sympathetic to the historic character of the local landmark.
- Housing types: affordable, senior, market-rate.
- Density and number of residential dwelling units.
- Increases in traffic through local residential neighborhoods.
- Opposition to additional housing units.
- Impacts on local property values and tax base.
- Impacts the adaptive reuse may have on existing neighborhoods.
- Ownership of the campus following redevelopment.

To date, staff have received several responses from the public, both in favor and in opposition to the request. Written comments received as of February 2nd at 1pm, are attached.

Staff will apprise the Commission of any additional correspondence at the February 6, 2024 Plan and Zoning Commission meeting.

- RETAINED BY CITY
- SOLD TO AW HOLDINGS, LLC
- SOLD TO AW HOLDINGS, LLC & RESOLD TO AW FAMILY, LLC
- SOLD TO AW HOLDINGS, LLC & RESOLD TO AW SENIOR, LLC

SITE PLAN

Planned Unit Development

Purpose:

This application is to rezone the Annie Wittenmyer campus, which is comprised of approximately 30 acres of land at 2800 Eastern Avenue, from S-IC Institutional Campus District to C-T Commercial Transitional District and Planned Unit Development (PUD). The City of Davenport is petitioning the rezoning request to achieve the following objectives:

- As a campus with 27 buildings of varying sizes and past uses, a rezoning to C-T District provides flexibility to convert 20 structures into housing units. The Planned Unit Development encourages the adaptive reuse of campus structures with compatible land uses that may not be traditionally permitted within the C-T District.
- The remaining buildings would be available to support the housing use (i.e., fitness center and community center) or use by nonprofits for community benefit. The site plan would become part of the rezoning to truly reflect the uniqueness of this historic campus.
- The plan includes maintaining community amenities, preservation of historic features, open space preservation, adaptive reuse of buildings and affordable housing.

To best position the campus for future redevelopment, the city intends to sell the land south of the Annie Wittenmyer Aquatic Center to a private developer with experience in historic preservation. Since the land would no longer be city-owned in its entirety, the existing S-IC Institutional Campus Zoning District is no longer appropriate as residential units are not permitted under this designation.

The request to rezone the property to a Planned Unit Development offers flexibility to maintain existing uses, provides amenities to future housing, ensures the property can be maintained as a cohesive campus, and preserves the rich historic character of this Local Landmark. Development under standard zoning parameters would render adaptive re-use of historic resources infeasible. There is also added assurance that a Planned Unit Development provides more specific uses for the campus and allows for City review of any proposed changes to the plan in the future.

Site Plan Overview:

A site plan has been provided as the preliminary development plan associated with the rezoning request. The city owned and operated Annie Wittenmyer Aquatic Center will continue without interruption. The chapel currently used by Junior Theater will remain. In addition, the city has the option of leasing additional cottages for classroom space. Building A, C, D, G-M, O and P are planned for housing. In total there are 99 proposed residential dwelling units.

Additional building uses include a residential amenity center, fitness center, and social services. No new buildings are being proposed, and no demolitions are proposed (save for two which have already commenced with Historic Preservation Commission approval). Additional parking spaces are generally located in previously developed areas. The functional general circulation of pedestrians and vehicles throughout the campus will not change other than the addition of a few new parking areas.

Affordable Housing:

The city anticipates the conversion of existing structures into residential units with the assistance of Low-Income Housing Tax Credits. This funding source, administered through the State of Iowa, has specific requirements related to the income levels of those living in the residential units. This ensures a certain number of units will be available as affordable housing.

Local & National Historic Landmark:

The Iowa Soldiers' Orphan's Home Historic District (Annie Wittenmyer Complex) is both a locally and nationally designated landmark. While the history of this area is extensive, a brief summary of its significance is been provided here.

The grounds for the Orphans' Home were developed over 15 decades beginning with the establishment of the Civil War Camp Roberts/Camp Kinsman and shifted into various orphanage uses by 1865. The campus's significance is due to several factors. It is associated with an important social welfare effort – a state-operated orphanage for the children of Civil War veterans and indigent families.

This is the first statewide orphanage to open in the country in the post-war period. Annie Wittenmyer, the founder and first matron, became a national figure serving as a major promoter of orphans' homes. The orphanage also pioneered progressive child welfare initiatives including the Cottage System of orphanage operation, an early foster care placement program, and one of Iowa's first Montessori nursery school programs.

The residential cottages are examples of simplified Queen Anne Style while the larger buildings are designed in the Romanesque Revival, Colonial Revival and PWA Moderne Styles. There are also examples of English Period Cottages. In addition, the complex contains archeological significance dating from the early to middle Woodland Period (800 BC – 400 AD).

Davenport's Historic Preservation Commission will retain review authority over proposed exterior and site alterations following the proposed rezoning and planned unit development. The city anticipates that the developer will utilize both state and federal historic preservation tax credits to help finance the project. This provides an additional level of oversight regarding historic preservation of the campus.

Conclusion:

The overall exceptions in the uses applied in a Planned Unit Development help enhance the merit of the project. The development will help promote the City's objectives and provide several public benefits by enabling adaptive reuse of facilities better suited for residential; providing additional affordable housing, ensuring historic preservation, and maintaining open space.

Summary of Land Uses at Annie Wittenmyer Site		
BUILDINGS		
	Existing Use	Proposed Use
Building A	Family Resources	Residential (8) units and social services
Building B	Parks Department	Fitness Center

PUBLIC HEARING NOTICE | PLAN AND ZONING COMMISSION

To: All property owners within 200 feet of the subject property located at 2800 Eastern Avenue

Neighborhood Meeting

Date: 1/11/2024

Time: 6:00 PM

Location: Council Chambers | City Hall | 226 West 4th Street

Plan & Zoning Commission Public Hearing Meeting

Date: 1/16/2024

Time: 5:00 PM

Location: Council Chambers | City Hall | 226 West 4th Street

What is this About?

This notice is being sent to inform you that a neighborhood meeting and a public hearing will be held for a Rezoning Request. The subject property is currently zoned S-IC Institutional Campus District. The City of Davenport is requesting a rezoning to C-T Commercial Transitional District and Planned Unit Development. The purpose is to identify an adaptive reuse and preserve the historic structures at the Annie Wittenmyer Campus.

Request/Case Description

Case REZ24-01: Request of the City of Davenport to rezone approximately 31.9 acres of land at 2800 Eastern Avenue from S-IC Institutional Campus District to C-T Commercial Transitional District and Planned Unit Development. [Ward 5]

What are the Next Steps after the Neighborhood Meeting and Public Hearing?

The Plan and Zoning Commission will hold a formal public hearing at their meeting on January 16, 2024. The Plan and Zoning Commission will vote (provide a recommendation) to the City Council at their meeting on February 6, 2024. The Commission's recommendation will be forwarded to the City Council, which will then hold its own public hearing. You will receive a notice of the City Council's public hearing. For the specific dates and times of subsequent meetings, please contact the case planner below.

Would You Like to Submit an Official Comment?

As a neighboring property owner you may have an interest in commenting on the proposed request via email or in person at the public hearing. Send written comments to planning@davenportiowa.com (no later than 12:00 PM one day before the public hearing) or to: Planning, 1200 E 46th St, Davenport IA 52807.

All documents related to the meeting (agenda included) are at "Search Minutes & Agendas": www.cityofdavenportiowa.com/boards Mondays before the meeting/public hearing.

Do You Have Any Questions?

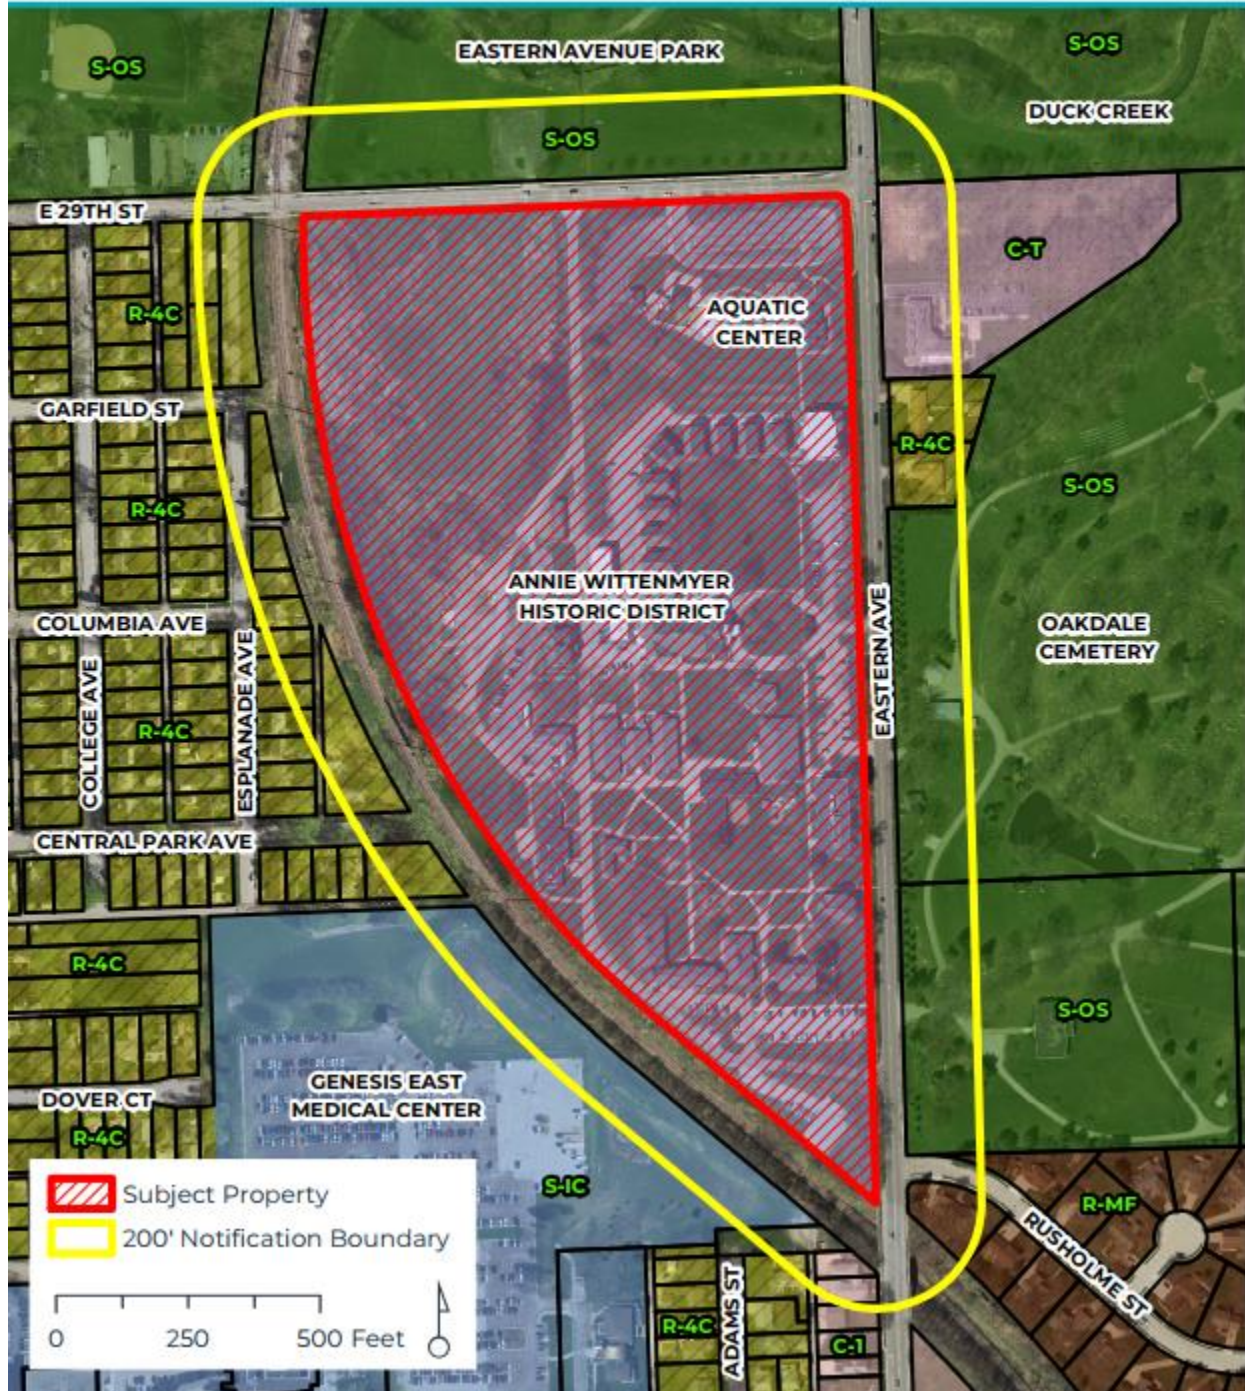

If you have any questions or if accommodations are needed for any reason, please contact the planner assigned to this project (Matt Werderitch) at matt.werderitch@davenportiowa.com or 563-888-2221. Interpretive services are available at no charge. Servicios interpretativos libres estan disponibles. TTY: (563) 326-6145

Please note items may be removed or tabled to a future hearing date at the request of the Applicant or Commission/Board. Those interested in verifying case actions and/or tablings, please contact Planning at 563-326-6198 or planning@davenportiowa.com for updates.

Rezoning Request | Case REZ24-01

Request of the City of Davenport to rezone approximately 31.9 acres of land at 2800 Eastern Avenue from S-IC Institutional Campus District to C-T Commercial Transitional District and Planned Unit Development. [Ward 5]

Neighborhood Meeting Attendance List

Date: 01/11/2024

Time: 6:00 pm

Location: Council Chambers | City Hall | 226 W 4th ST

Case:

REZ24-01 | City of Davenport | Rezone 31.9 acres at 2800 Eastern Ave from S-IC Institutional to C-T Commercial Transitional Planned Unit Development

The purpose of this meeting is to provide an **informal setting to allow courteous discussion** between the developer and adjacent owners, and to answer any questions and concerns about the proposed action. This meeting does not replace the Public Hearing.

Subject: [EXT] Annie Wittenmyer rezoning

ATTENTION: This is an external email.

Hello, I am writing this email to express concerns about the rezoning of this facility. We live at 1823 East Rusholme Street and are worried about the property value effect of adding low income housing to our area. Also the additional traffic through our neighborhood. We were not notified of this but found out through another one of our neighbors. I don't understand why we did not receive any notification of this and ask for additional time before the zoning meeting is held. My husband will be attending the neighborhood the neighborhood meeting tonight to express our concerns. Thank you Kristine Clevenger

Subject: [EXT] Affordable Housing Initiative

ATTENTION: This is an external email.

Greetings,

I'm emailing you all to discuss my major concerns with the plans to convert the Annie Wittenmeyer complex. My primary concern is the displacement of Davenport Junior Theatre.

As a former employee of the City of Davenport, I know the value Davenport Junior Theatre specifically as a program has had on me as an individual and the multitudes of students that I have seen go through the program. It has created better students, artists, and citizens in it's 70+ years of existence and to displace the program again makes me anxious as to the city's plan to accommodate them.

There is currently no plan I see with the city to move the program to a reasonable and sustainable location. My first thought is that the city would try to house the program in various schools within the district. This should not happen. It will create confusion with parents and students all over the city, make it difficult for non-Davenport residents to find out where to go and when, and will invade the space of other students. My second thought is that there would be no rehousing of the program, and that is an absolute travesty that you would do well to avoid.

As one of the few city-funded arts programs in the nation, Davenport Junior Theatre is an organization that any city would be proud to keep funding, and it has proven to be something the city is proud of. With multiple successful fundraisers, in-person classes returning to pre-1st wave pandemic numbers (something very few organizations around the country have done yet), and consistent growth in their Spring and Summer Break camps, Davenport Junior Theatre is something Davenport and the Greater QC Metro area as a whole believes in, and you as a committee must as well.

If you intend to go through with converting the complex to affordable housing without investing time into establishing rent control in the city, so be it. But you must find a consistent and suitable home for Davenport Junior Theatre.

Max Moline

Subject: [EXT] Davenport Junior Theater deserves to stay.

ATTENTION: This is an external email.

To whom it may concern,

I am an alum of Davenport Junior Theater and I have just read the tentative plan to convert the Annie Whittenmeyer complex into housing. I am incredibly concerned for the future of Davenport Junior Theatre and about the impact this will have on our arts community.

Davenport Junior Theater is the second-oldest children's theater in the country and has helped thousands of students thrive through the power of performance art. This program is unlike any other and is something the city of Davenport should be incredibly proud of and vehemently protecting. In a world where it is becoming increasingly difficult for children to have the space to just be kids, away from screens and online influences, I hope DJT can continue to be a safe space for all of the QC's young artists.

I understand the need for affordable housing, but is forcing a nonprofit like DJT out really the best that Davenport can do?

What is the cost of converting these buildings into housing, compared to building a new structure?

How will we know if these structures are even safe enough to be converted into full-time housing?

In my opinion, it would be shameful for this council to bring about the demise of a historic organization such as Davenport Junior Theater. The Annie Whittenmeyer complex has been home to DJT since the 1970s and forcing them out of this space would certainly be a stain in Davenport's history.

Again, I understand the importance of affordable housing. But I also know the importance of culturally enriching spaces and experiences for our children, so I beg you to reconsider your plan.

Sincerely,
Alexandra Olsen

To: Planning
Subject: [EXT] Annie Wittenmeyer Complex

ATTENTION: This is an external email.

Hello,

My name is Joie Stoefen, and I am a former resident of the Quad Cities area. I have been fortunate to experience all the area offers, including Davenport Junior Theatre.

Davenport Junior Theatre is the place that nurtured my love for the arts. At DJT, I took my first acting class, made lifelong friendships, and found a home away from home. I could not imagine my life without this amazing organization-- it was my savior during the most challenging times in childhood. By selling the property and temporarily displacing the organization, Davenport officials suggest that the arts are not valuable to the community. It would also deny future generations-- composed of *various* economic, gender, and racial backgrounds-- opportunities to learn and grow through artistic endeavors.

I understand that there is a possibility that DJT could remain in the complex and or find a new home. While this seems reasonable, it would erase decades of history. **Davenport Junior Theatre is the SECOND oldest children's theatre in America.** This is something worth celebrating and preserving. The historical and social implications of Davenport Junior Theatre's presence in the Annie Wittenmyer Complex cannot be understated. The lack of clarity and transparency about this process is incredibly confusing. Additionally, the timeline of fundraising and rehoming for this project threatens the sustainability of DJT. A well-developed plan would prevent the downfall of one of the Quad Cities' most beloved theatrical organizations.

Affordable housing is necessary for the diverse population of Davenport; however, I do not believe it is worth sacrificing a successful organization. Please consider clarifying these plans and ensuring that Davenport Junior Theatre continues to serve the community. Thank you for your time and consideration.

Best,

Joie Stoefen

Subject: [EXT] Annie Wittenmyer Proposal Plan

ATTENTION: This is an external email.

Hello,

I am not able to attend the upcoming town halls, but I wanted to say that I am very in favor of redeveloping the Annie Wittenmyer complex!

The proposal allows space for the Davenport Junior Theater to move or continue in place, which preserves a wonderful community resource. I also appreciated that the developer hopes to keep some of the original buildings, which are part of the charm of the neighborhood. However, the most exciting part of this proposal is the addition of 100 affordable housing units to the neighborhood. This would be a great asset for our community!

I would absolutely love to have more seniors and families in stable, high-quality housing they can afford. This is a great location for more units. My family lives nearby and often plays at Garfield Park in the summer - it would be fun to have more kids nearby, and I'm sure the families would enjoy having the park so close to them. Davenport is also in dire need of affordable housing, and so adding this many units would benefit our whole city. I hope the proposal passes and the development can happen.

Thank you,
Rev. Katie Styrt
1115 Grand Ct, Davenport.

Subject: [EXT] Concerns about Annie Whittenmyer Complex Project

ATTENTION: This is an external email.

Dear City Planning Committee,

I am writing to share my concerns regarding the potential sale and development of the Annie Whittenmyer campus. I first want to state that I unequivocally support the development of affordable housing in the Quad Cities. I am a social work student, about to graduate with my Masters of Social Work, so I understand more than most the severity and importance of this need. I believe access to safe and affordable housing is a human right, and therefore am thrilled that the city wants to create more affordable housing.

My concern, however, is the impact of this project on Davenport Junior Theatre. You see, I grew up in those cottages, beginning theatre classes at the age of six. My mom was a social worker at Family Resources for many years, and her office was in one of the cottages, so I would go there after school and wait for my acting class to start, at which time I'd simply walk next door and sign in.

At that time, I believe, DJT was only using three cottages and the theatre, but the program grew as I grew up alongside it, and it now is housed in ten cottages, plus the scene shop and the Nighswander Theatre. I had the privilege of working at DJT, starting as a teaching assistant and junior staffer in middle and high school, and eventually as a theatre instructor, jobs which taught me the value of giving back to the community that raised you. I have taught hundreds of students in those cottages, and every class reminded me of my young self, in those same cottages, learning to be confident in who I am and what I stand for.

Now, as a former DJT teacher of mine turned friend, Megan Rieck said, DJT was never about a place. It is about the community we have created. I fully agree with that sentiment, which is why I am not here to ask you not to develop these buildings into affordable housing. I am simply here to ask you to give DJT more time to create a path forward.

The theatre and dance programs as they are can NOT function with only the theatre building. The theatre building may be where students perform and share their newly acquired skills, but it simply is not enough to house the massive program this has become. For example, one of the best parts of DJT as an alumni and former staff member is summer camp. Each summer, DJT hosts several performing arts camps, which take up each and every available space the program currently has, and even that is not enough! Kids have to be turned away from camp every year because there just isn't enough room for more of them.

So how, I ask, can this wonderful and extremely well attended program be expected to function without the cottages? I have heard whisperings of partnering with the Davenport Schools, which I must say, as a former teacher, is absolutely unfeasible. If the program is spread out across the city, it will be much harder for parents to locate the correct place for their child's class, for one.

Another point is the lack of support staff if the program is spread out. Currently, if a teacher is in need of support in their classroom for any reason, for anything from behavioral issues to a medical emergency, they can contact the front desk and someone will be there to help within minutes or even seconds. If these needs arise and a teacher is alone with their class with no support staff nearby, what is that teacher meant to do? This plan is a logistical nightmare and a disaster waiting to happen.

If I could describe the best possible outcome of this situation, it would be that DJT has the time, support, and funding to seek out another facility which could perhaps provide an even better home for its programming. Whether that facility exists or needs to be built, the city of Davenport must help DJT find this new home, should it be removed from its current one.

All I am asking for is that proper consideration be given to Davenport Junior Theatre and its future. After all it has done for the greater Quad Cities community, that is the least you can do for it.

Sincerely,

Abigail Carpenter, DJT Alumn and Former Staff Member

Subject: [EXT] Concerns for the futures of Davenport Junior Theatre

ATTENTION: This is an external email.

To our community leaders-

I know you have been hearing from many concerned citizens about the future of Davenport Junior Theatre. We all agree that affordable housing is important and that moving the theatre program isn't necessarily a bad thing- but the carelessness and thoughtless actions of our leaders are highly concerning. Before this all started, was the full scope of space used and what the program needs explained enough to make an educated decision on behalf of your constituents?

Where I am coming from is the fact that I am an alumni, current parent of a student in the program, and have signed on to direct the final show this season, making me staff once again. I can honestly say Junior Theatre saved my life as a teenager when every other system around me was failing. I started when I was seven and it was my first job as a teen. My son recently started class and when I hosted a foreign exchange student in 2017-2018, she was taken in is a volunteer and given a wonderful experiences. I directed my first show in 2005 and this upcoming show will be my 6th time directing a production and I taught classes for many years. I have seen countless students mirror my experience and grow into respectable adults. I tell people all the time that what sets JT apart from the rest is the fact that it's not there to be a place where kids learn to compete... it's there to help kids grow into confident adults who know how to work on a team and communicate effectively (which you are seeing through the many emails, calls, social media posts, and speeches to come). I have had people approach since all of this started who were never involved with the program but have seen it's power and want to help. This program is more than the space, it's the whole entire community. This is the legacy it leaves behind as it moves forward.

The scope of the program has only grown. Even in my time with the program as an adult I have watched it grow beyond the space it held when I was a teen. We went from 3 cottages to 10. A parking lot was put in. Spaces were reworked; storage expanded. An actual scene shop to build sets in was born. And the thing is- ALL THIS SPACE IS BEING USED. Not to mention the fact that I can bring my kids to ANY show regardless of our finances because they are free. And the addition of a free show with an ASL interpreter just continues to show the impact the arts have on us as humans. When our leaders want to take something so meaningful to so many and not move forward with a plan to secure it's future, faith in those leaders can fade quickly.

Please take the time to understand how this timeline effects the kids currently involved with the program. Moving too quickly will have consequences. Please understand what you are doing and develop a timeline that shows this 72 year partnership respect. Communicate that plan in a way that shows up for this meaningful program. Thank you.

With respect,
Cynthia Taylor

Subject:

Case ORD24-01: Request of Chris Kretz to amend Table 17.08-1: Use Matrix of the City of Davenport Zoning Ordinance to allow "Bed and Breakfast" and "Reception Facility" as permitted uses in the C-T Commercial Transitional Zoning District. [All wards]

Recommendation:

Staff recommend the Plan & Zoning Commission accept the listed findings and forward Case ORD24-01 to the City Council with a recommendation for approval, subject to the following condition:

1. Amend Table 17.08-1: Use Matrix of the City of Davenport Zoning Ordinance to allow "Bed and Breakfast" and "Reception Facility" as a Special Use in the C-T Commercial Transitional Zoning District.

Findings:

1. The proposed amendment is consistent with the Comprehensive Plan and adopted land use policies.
2. The proposed amendment promotes the public health, safety, and welfare of the City.
3. The proposed amendment is consistent with the intent and general regulations of the Zoning Ordinance.
4. The amendment reflects a change in policy and development trends.
5. The proposed amendment eliminates any existing nonconformities.

Background:

City staff received an Application for a Zoning Text Amendment from a property owner requesting an amendment to allow "Bed and Breakfast" and "Reception Facility" as permitted uses in the C-T Commercial Transitional Zoning District. The proposed zoning text amendment will impact all properties throughout Davenport zoned C-T Commercial Transitional District.

City staff explored options with the petitioner, including rezoning their property. However, a Zoning Text Amendment was deemed the most appropriate option as there are existing residential dwellings in commercial districts throughout the city. Staff consider this to be a city-wide issue, rather than specific to the petitioner's property.

Zoning Ordinance Purpose Statement:

The **C-T Commercial Transitional Zoning District** is intended to accommodate low intensity limited office, service, and retail uses that may serve as a transition between residential areas and more intensely developed commercial or light industrial areas of the City. Low intensity mixed-use is allowed.

Zoning Ordinance Use Definitions:

1. **Bed and Breakfast:** A single-family dwelling where a resident/owner provides lodging for a daily fee in guest rooms with no in-room cooking facilities, and prepares meals for guests. A bed and breakfast may include dining facilities.
2. **Reception Facility:** A facility that provides hosting and rental services of a banquet hall or similar facilities for private events including, but not limited to, wedding receptions, holiday parties, and fundraisers, with food and beverages that are prepared and served on-site or by a caterer to invited guests during intermittent dates and hours of operation. Live entertainment may be provided as an ancillary use as part of an event. A reception facility is not operated as a restaurant with regular hours of operation.

Bed and Breakfast Principal Use Standards (Section 17.08.030.D)

1. The exterior of a bed and breakfast must maintain its original appearance as a single-family dwelling. No parking may be located in front of the front building façade.
2. Cooking equipment is prohibited in individual guest rooms. However, a mini-refrigerator and/or a microwave is allowed.
3. No retail sales are permitted with the exception of ancillary retail of related items such as souvenirs, postcards, and snack items.
4. No bed and breakfast may operate a restaurant. Meals may only be served to registered guests and at private events.
5. One sign, either freestanding, window, or wall, is permitted. Such sign may not exceed six square feet in sign area. Freestanding signs are limited to six feet in height and must be a minimum of five feet from any lot line.

Reception Facility Principal Use Standards (Section 17.08.030.X)

1. A general admission fee or any other monetary donations (payment at the door to the general public) for entrance is prohibited, with the exception of fundraisers or events for bona fide non-profit organizations, places of worship, or educational facilities.
2. When allowed in the residential districts and S-AG District, a minimum lot size of two acres is required. Fifty foot minimum setbacks are required along all lot lines.

Use Matrix (Table 17.08-1)

The principal use "Bed and Breakfast" is allowed in the following zoning districts:

1. Permitted Use:
 - S-AG Agricultural District
2. Special Use (Reviewed and Approved by the Zoning Board of Adjustment):
 - R-1 Single-Family Residential District
 - R-2 Single-Family Residential District
 - R-3 Single-Family and Two-Family Residential District
 - R-3C Single-Family and Two-Family Central Residential District
 - R-4 Single-Family and Two-Family Residential District
 - R-4C Single-Family and Two-Family Central Residential District
 - R-MF Multi-Family Residential District

The principal use "Reception Facility" is allowed in the following zoning districts:

1. Permitted Use:
 - C-3 General Commercial District
 - C-C City Centre District
 - C-E Elmore Corners District
 - I-MU Industrial Mixed-Use District
2. Special Use (Reviewed and Approved by the Zoning Board of Adjustment):

- R-1 Single-Family Residential District
- R-2 Single-Family Residential District
- R-3 Single-Family and Two-Family Residential District
- R-3C Single-Family and Two-Family Central Residential District
- R-4 Single-Family and Two-Family Residential District
- R-4C Single-Family and Two-Family Central Residential District
- C-1 Neighborhood Commercial District
- C-2 Corridor Commercial District
- C-D Downtown District
- C-V Village of East Davenport District
- S-AG Agricultural District

Approval Standards for Text Amendments

1. The consistency of the proposed amendment with the Comprehensive Plan and any adopted land use policies.
2. The extent to which the proposed amendment promotes the public health, safety, and welfare of the City.
3. The consistency of the proposed amendment with the intent and general regulations of this Ordinance.
4. Whether the proposed amendment corrects an error or omission, adds clarification to existing requirements, or reflects a change in policy or change in development trends or technology.
5. The extent to which the proposed amendment creates nonconformities.

Special Use Permit:

City staff are recommending "Bed and Breakfast" and "Reception Facility" be allowed in the C-T Commercial Transitional District as a Special Use. The Zoning Ordinance recognizes that there are certain uses that require individual consideration to mitigate any potential impacts upon neighboring land. Special Use Permits are reviewed and approved by the Zoning Board of Adjustment, whom evaluate the following criteria:

1. The establishment, maintenance, and operation of the proposed special use will not endanger the public health, safety, or welfare.
2. The proposed special use is compatible with the general land use of adjacent properties and other property within the immediate vicinity.
3. The special use in the specific location proposed is consistent with the spirit and intent of this Ordinance and adopted land use policies.

Given the C-T Commercial Transitional District serves as a buffer between residential neighborhoods and higher intensity commercial corridors, requiring a Special Use Permit will ensure additional oversight and prevent conflicts between incompatible land uses.

Public Input:

A Notice of Public Hearing was published in the Quad City Times informing the community of the January 16, 2024 Plan and Zoning Commission Public Hearing. To date, staff has not received any public comments in favor or opposition to the request. Staff will apprise the Commission of any correspondence at the February 6, 2023 Plan and Zoning Commission Public Hearing.

CHAPTER 17.08.	USES
Section 17.08.010	General Use Regulations
Section 17.08.020	Use Matrix
Section 17.08.030	Principal Use Standards
Section 17.08.040	Temporary Use Standards
Section 17.08.050	Use Definitions

Section 17.08.010 General Use Regulations

- A.** No structure or land may be used or occupied unless allowed as a permitted or special use within the zoning district.
- B.** All uses must comply with any applicable federal and state requirements, and any additional federal, state, or city ordinances.
- C.** Any use that is not included in the use matrix and cannot be interpreted as part of a use within the matrix is prohibited in all districts.
- D.** A site may contain more than one principal use, so long as each principal use is allowed in the district. Each principal use is approved separately. In certain cases, uses are defined to include ancillary uses that provide necessary support and/or are functionally integrated into the principal use.
- E.** All uses must comply with the use standards of Section 17.08.030, as applicable, as well as all other regulations of this Ordinance and the City.

Section 17.08.020 Use Matrix

- A.** Table 17.08-1: Use Matrix identifies the principal and temporary uses allowed within each zoning district. Cells are color-coded for ease of review only; the letter indicated in the cell controls over any errors in color-coding.
- B.** Uses allowed in the R-3 and R-3C Districts are those listed in Table 17.08-1 for the R-3 District. Uses allowed in the R-4 and R-4C Districts are those listed in Table 17.08-1 for the R-4 District.
- C.** P indicates that the use is permitted by-right in the district. S indicates that the use is a special use in the district and requires special use approval. If a cell is blank, the use is not allowed in the district.
- D.** In the case of temporary uses, a T indicates the temporary use is allowed in the district and may require approval of a temporary use permit per the standards of Section 17.08.040.
- E.** For accessory uses, see Chapter 17.09.
- F.** See Section 17.04.020 for additional use restrictions in the R-3, R-3C, R-4, and R-4C Districts.
- G.** See Section 17.05.020 for additional use restrictions in the C-V District.

P indicates a use is permitted by-right in the district. S indicates a use is a Special Use in the district and requires Zoning Board approval. Blank cells indicate a use is not allowed.

City of Davenport
Plan and Zoning Commission

Department: Development & Neighborhood Services
Contact Info: Matt Werderitch 563.888.2221

Date
2/6/2024

Subject:

Case ROW24-01: Request of the City of Davenport to vacate a portion of unimproved Marquette Street right-of-way located south of West 76th Street. [Ward 8]

Recommendation:

Staff recommends the City Plan and Zoning Commission accept the listed findings to vacate the unimproved right-of-way on Emerald Drive in Case ROW24-01 to the City Council with a recommendation for approval, subject to the following findings and conditions:

Findings:

1. The existing public right-of-way is not required for city purposes.
2. A utility easement would preserve the rights for utility providers to maintain existing and future infrastructure.

Condition:

1. All existing utilities located in the Right-of-Way which are subject to vacation shall be granted a blanket utility and access easement for the maintenance of such utilities.
2. That a 20-foot multi-use trail easement shall be established on the western boundary of the land to be vacated.

Background:

The City, on behalf of the Waste Commission of Scott County, is petitioning that a portion of unimproved Marquette Street south of West 76th Street be vacated. The subject land is part of the landfill that was decommissioned in the 1970s. Due to the restrictions on how this area is treated, the construction of a road and installation of underground utilities is infeasible. The area to be vacated is approximately 32,193 square feet or .739 acres, more or less.

The intention is to return this area to the Waste Commission of Scott County, since there is landfill within the current right-of-way.

The vacation of public right-of-way is a two step process:

1. Determine if the right-of-way is needed for public purposes.
2. Negotiate and determine terms of conveyance to adjacent property owners. (No Plan and Zoning Commission action is required.)

Comprehensive Plan:

Within Existing Urban Service Area: Yes

Within Urban Service Area 2035: Yes

Future Land Use Designation:

The abutting properties are currently designated as Residential General, Industry, and Open Space & Public Land in the Davenport +2035 Future Land Use Map.

1. **Residential General (RG)** - Designates neighborhoods that are mostly residential but include,

or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

2. **Industry (I)** - Designates areas devoted to manufacturing, assembly/fabrication, warehousing and distribution, research and technological innovation centers, and associated commercial/office uses developed at a scale as to warrant access to good transportation networks and separation or buffering from residential uses.
3. **Open Space / Public Land (OS)** - Includes undeveloped open space, natural areas, floodplains and wetlands that may be or may not be planned for future park and recreation development.

Abutting Zoning:

The abutting properties are currently zoned R-3 Single-Family and Two-Family Residential District, R-4 Single-Family and Two-Family Residential District, I-1 Light Industrial District, and S-OS Open Space District.

1. **R-3 Single-Family Residential Zoning District:** This district is intended to accommodate residential neighborhoods in the City of Davenport consisting of single-family and two-family homes in a moderately dense urban development pattern. Limited non-residential uses that are compatible with the surrounding residential neighborhoods may be permitted in the R-3 District.
2. **R-4 Single-Family and Two-Family Residential Zoning District:** This district is intended to accommodate residential neighborhoods in the City of Davenport consisting of single-family and two-family homes in a dense urban development pattern. The R-4 District may also serve as a transitional district between Davenport's single-family and two-family neighborhoods and more intense uses within the City. Limited non-residential uses that are compatible with the surrounding residential neighborhoods may be permitted in the R-4 District.
3. **I-1 Light Industrial Zoning District:** This district is intended to provide for a variety of light manufacturing, fabricating, processing, distributing, and warehousing uses. Light industrial uses are enclosed, low-intensity uses with minimal, if any, outside impacts.
4. **S-OS Open Space District:** This district is intended to provide and protect larger open space and public recreational facilities, both outdoor and indoor, and cemeteries. Larger regional open spaces/parks may include both active and passive recreation areas and certain ancillary uses, such as cultural facilities, performance venues, and eating establishments. This district is also intended for governmental agency offices/facilities providing a governmental service to the public.

Technical Review:

The following technical review comments were received from City Departments and Utility Companies:

- Streets: Marquette Street is unimproved from West 76th Street to West 62nd Street. At this time, the City does not have plans to construct Marquette Street. The extension will be spurred by future development of abutting property. There is adequate public right-of-way to the west of the proposed vacation. Engineering requested a 20-foot easement for a future multi-use trail.
- Sanitary Sewer: There is no sewer infrastructure within the proposed area to be vacated. The closest sanitary sewer pipe extends from West 76th Street, through the Scott County

Waste Commission property, south to Goose Creek.

- Other Utilities: Utility poles extend the length of the unimproved Marquette Street right-of-way from 76th Street to the south lot line of the Scott County Waste Commission property. Staff recommend a utility easement be provided to ensure access to this infrastructure.

Public Input:

Letters were sent to property owners within 200 feet of the proposed request notifying them of the January 16, 2024 Plan and Zoning Commission Public Hearing.

To date, staff has not received any written public comments. An abutting property owner spoke in favor of the right-of-way vacation at the January 16, 2024 public hearing. Staff will apprise the Commission of any additional correspondence at the February 6, 2024 Plan and Zoning Commission meeting.

Public Hearing Notice | Plan and Zoning Commission

Date: 1/16/2024
Time: 5 PM

Location: Council Chambers | City Hall | 226 W. 4th ST.
Subject: Public Hearing for a Right-Of-Way Vacation

To: All property owners within 200 feet of the portion of unimproved Marquette Street right-of-way, located south of West 76th Street.

What is this About?

This notice is being sent to inform you that a public hearing will be held for a request to vacate right-of-way. The City, on behalf of the Waste Commission of Scott County, is petitioning that a portion of unimproved Marquette Street south of West 76th Street be vacated. The subject land is part of the landfill that was decommissioned in the 1970s. Due to the restrictions on how this area is treated, the construction of a road and installation of underground utilities is infeasible.

Request/Case Description

Case ROW24-01: Request of the City of Davenport to vacate a portion of unimproved Marquette Street right-of-way located south of West 76th Street. [Ward 8]

What are the Next Steps after the Public Hearing?

The Plan and Zoning Commission will hold a formal public hearing at their meeting on January 16, 2024. The Plan and Zoning Commission will vote (provide a recommendation) to the City Council at their meeting on February 6, 2024. The Commission's recommendation will be forwarded to the City Council which will then hold its own public hearing. You will receive a notice of the City Council's public hearing. The City Council will ultimately decide if the property is no longer needed for City purposes, and is eligible for vacation. At that point, the City Attorney's office will negotiate with adjacent property owners to determine the appropriate way to convey the property, and possibly, purchase price. For the specific dates and times of subsequent meetings, please contact the case planner below.

Would You Like to Submit an Official Comment?

As a neighboring property owner, you may have an interest in commenting on the proposed request via email or in person at the public hearing. Send written comments to planning@davenportiowa.com (no later than 12:00 PM one day before the public hearing) or to: Planning, 1200 E 46th St, Davenport IA 52807.

All documents related to the meeting (agenda included) are at "Search Minutes & Agendas":
<http://www.cityofdavenportiowa.com/boards> Mondays before the meeting/public hearing.

Do You Have Any Questions?

If you have any questions or if accommodations are needed for any reason, please contact the planner assigned to this project (Matt Werderitch) at matt.werderitch@davenportiowa.com or 563-888-2221. Interpretive services are available at no charge. Servicios interpretativos libres estan disponibles. TTY: (563) 326-6145

Please note items may be removed or tabled to a future hearing date at the request of the Applicant or Commission/Board. Those interested verifying case actions and/or tablings, please contact Planning at 563-326-6198 or planning@davenportiowa.com for updates.

Subject:

Case F24-01: Request of Klinger & Associates, P.C., on behalf of LNL LLC, for a Final Plat of Golf Course Heights Addition. The 1-lot subdivision is located at 2718 Wisconsin Avenue on 3.15 acres. [Ward 1]

Recommendation:

Staff recommends the Plan and Zoning Commission accept the listed findings and forward Case F24-01 to the City Council with a recommendation for approval subject to the listed conditions:

Findings:

1. The final plat conforms to the comprehensive plan Davenport +2035.
2. The final plat (with conditions recommended by City Staff) will achieve consistency with subdivision requirements.

Conditions:

1. That the surveyor signs the plat.
2. That the utility providers sign the plat when their easement needs have been met.

Background:

Discussion:

The purpose of the final plat is to separate the existing residential dwelling along Wisconsin Avenue from the farm field to the west. The barn and agricultural buildings were removed from the property in 2019.

Comprehensive Plan:

The property is located outside the limits of the 2035 Urban Service Boundary, which is delineated along the eastside of Wisconsin Avenue.

Future Land Use Designation:

1. Agricultural Reserve (AR): Areas located outside the Urban Service Area and unlikely to develop in the foreseeable future. Uses should be limited to agriculture and open space, with only limited residential development needing minimal urban services.

Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.
The proposed Final Plat complies with the Davenport +2035 proposed land use section.

Zoning:

The subject property is split zoned between R-1 Single-Family Residential District (abutting Wisconsin Avenue) and S-AG Agricultural District.

1. **R-1 Single-Family Residential District:** This district is intended to accommodate the lowest-density single-family neighborhoods within the City of Davenport, exhibiting a predominantly

semi-suburban development pattern of large lots and generous yards.

2. **S-AG Agricultural District:** This district is intended to address existing agricultural land uses. The standards of the S-AG District promote the continuation of farming, and protect agricultural land uses from encroachment of incompatible developments.

Technical Review:

1. Zoning: The parcel is split zoned between R-1 Single-Family Residential District and S-AG Agricultural District. The existing dwelling and detached garage are appropriately sited on the residentially zoned portion of the property. The lot exceeds the R-1 District minimum lot area requirement of 20,000 square feet and minimum lot width requirement of 100 feet. The remnant farm parcel will maintain right-of-way frontage on Wisconsin Avenue to the north and south of Lot 1.
2. Streets: The final plat dedicates 7 feet of right-of-way along the length of the east property line. This will establish a consistent boundary with the abutting properties to the north and south. Following dedication, Wisconsin Avenue will be a uniform 73 feet along this block face.
3. Storm Water: Stormwater detention and water quality treatment will not be impacted.
4. Sanitary Sewer: The existing home is not served by city sanitary sewer. The nearest connection is located on Emeis View Court.
5. Other Utilities: Normal utility services are available at this site.
6. Parks/Open Space: There are no impacts to parks/open space

Public Input:

No public hearing is required for a Final Plat.

Subject:

Case F24-02: Request of Klinger & Associates, P.C., on behalf of LNL LLC, for a Final Plat of Locust View Addition. The 1-lot subdivision is located at 5328 West Locust Street on 2.6 acres. [Ward 1]

Recommendation:

Staff recommends the Plan and Zoning Commission accept the listed findings and forward Case F24-02 to the City Council with a recommendation for approval subject to the listed conditions:

Findings:

1. The final plat conforms to the comprehensive plan Davenport +2035.
2. The final plat (with conditions recommended by City Staff) will achieve consistency with subdivision requirements.

Conditions:

1. That the surveyor signs the plat.
2. That the utility providers sign the plat when their easement needs have been met.

Background:

Discussion:

The purpose of the final plat is to separate the existing residential dwelling along West Locust Street from the surrounding farm field. The barn and agricultural buildings were removed from the property in 2020.

Comprehensive Plan:

The property is located outside the limits of the 2035 Urban Service Boundary, which is delineated along the eastside of Wisconsin Avenue and southside of Locust Street.

Future Land Use Designation:

1. Urban Fringe (UF): Areas that are currently outside the Urban Service Area but may be considered for inclusion later within the planning timeframe. Appropriate land use categories should be determined at that time.
2. Commercial Node (CN): (Intersection of Wisconsin Avenue and Locust Street) Clusters of generally more intense uses found either along existing Urban Corridors or along or at the intersection of major streets in newly developed areas. CN areas may contain commercial uses somewhat more intense than uses found elsewhere on Urban Corridors, as well as higher density residential uses and office and service businesses. CN should serve a population of about 5000 people within 1/2 mile. Ideally, CN areas should be architecturally integrated, and designed to serve all modes of transportation. Pedestrian connections to the neighborhoods they serve are important. Therefore, master planning and customized zoning provisions for new CN areas should occur before development or redevelopment occurs.

Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.

The proposed Final Plat complies with the Davenport +2035 proposed land use section.

Zoning:

The subject property zoned **S-AG Agricultural District**. This district is intended to address existing agricultural land uses. The standards of the S-AG District promote the continuation of farming, and protect agricultural land uses from encroachment of incompatible developments.

Technical Review:

1. Zoning: The parcel is zoned S-AG Agricultural District, which requires lot sizes of 1 acre for agricultural uses and a minimum lot size of 38 acres for all other uses. If subdivided as shown, Lot 1 will contain more area of row crops than residential dwelling. The remnant farm parcel will maintain right-of-way frontage on Locust Street.
2. Streets: The final plat dedicates 15 feet of right-of-way along the length of the south property line. The City anticipates a future widening of Locust Street from Wisconsin Avenue to Interstate-280. The additional right-of-way will help facilitate any future road expansion.
3. Storm Water: Stormwater detention and water quality treatment will not be impacted.
4. Sanitary Sewer: The existing home is not served by city sanitary sewer. The nearest connection is located on Baraboo Court.
5. Other Utilities: Normal utility services are available at this site.
6. Parks/Open Space: There are no impacts to parks/open space

Public Input:

No public hearing is required for a Final Plat.
