If the Landlord fails to perform obligations under this Lease which creates a condition which interferes substantially with normal use, and as a consequence the Tenant is compelled to discontinue business in the Leased Premises in whole or in part, rental shall be proportionally abated. If Landlord defaults for more than Thirty (30) Days, after written notice by the Tenant, the Tenant shall have the right, but not be obligated to remedy such default. All such sums expended, or obligations incurred, by the Tenant in connection with the foregoing shall be paid by the Landlord to the Tenant upon demand, and if the Landlord fails to reimburse the Tenant, the Tenant may, in addition to any other right or remedy that it may have, deduct such amount from the next month's rent or rentals.

B. In the event of a destruction of the Leased Premises or the building containing the same during said term which requires repairs to either said Leased Premises or said building, or is declared to be unfit for occupancy by any authorized public authority for any reason other than

the Tenant's act, use, or occupation, which declaration requires repairs provided the Tenant gives to the Landlord written notice of the necessity therefore. If those repairs are not, or cannot be, completed within Thirty (30) Days of said notice, then the Tenant may, at its option, cancel this Lease. However, if the Tenant does not desire to cancel the Lease, rent shall be abated during the period which those repairs are made and the Tenant is compelled to discontinue business in the Leased Premises. Further, in the event of flooding, rent shall be abated during that time period the leased premises are declared to be unfit for occupancy by any authorized public authority.

20. ASSIGNMENT AND SUBLETTING

The Tenant shall not assign this Lease, or any interest therein, and shall not sublet the Leased Premises or any part thereof, or any right or privilege appurtenant thereto, or permit any other person (the agent and servants of the Tenant excepted) to occupy or use the Leased Premises, or any portion thereof without first obtaining the written consent of the Landlord. Consent by the Landlord to one assignment, subletting, occupation, or use by another person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person. Consent to an assignment shall not release the original named Tenant from liability which has accrued or occurred prior to the date of assignment. If the Landlord does not release the Tenant from liability, the Landlord shall give the Tenant notice of defaults by assignee and an opportunity to cure the same. Any assignment or subletting without the prior written consent of the Landlord shall be void, and shall, at the option of the Landlord, terminate this Lease. Neither this Lease nor any interest therein shall be assignable, as to the interest of the Tenant, by operation of law without the prior written consent of the Landlord. The Landlord shall give the Tenant prior notice of the assignment of this Lease and/or any interest of the Landlord therein.

21. DEFAULT, RE-ENTRY REMEDIES

If the Tenant shall fail to pay any part of the rent herein provided, or any other sum required by this Lease to be paid to the Landlord at the times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed, and such failure to perform other covenants shall continue for Thirty (30) Days after written notice thereof from the Landlord to the Tenant, then the Landlord, besides other rights or remedies it may have, shall have the immediate right of re-entry and may remove all persons and property from the Leased Premises without liability to any person for damages sustained by reason of such removal. Such property may be removed and stored in a public warehouse or elsewhere at the cost of, and for the account of, the Tenant.

22. DEFAULT, COSTS, AND ATTORNEY FEES

If the Tenant shall fail to pay any part of the rent herein provided, or any other sum required by this Lease to be paid to the Landlord at the times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed, then the Tenant shall be responsible for payment of all reasonable costs and attorney fees of the Landlord that result from the Landlord pursuing its rights and remedies.

23. SALE OF LEASED PREMISES BY LANDLORD

In the event of any sale of the Leased Premises, or assignment of this Lease by the Landlord, the Landlord shall give the Tenant prior notice of any such sale or assignment. The Landlord shall be relieved of liability under the Lease only in the event that the new Landlord agrees to the Lease and to not disturb the Tenant.

24. REIMBURSEMENT

A. All covenants and terms herein contained to be performed by the Tenant shall be performed by the Tenant at its expense, and if the Landlord shall pay any sum of money or do any act which requires the payment of money by reason of the failure, neglect, or refusal of the Tenant to perform such covenant or term~ the sum or sums of money so paid by the Landlord shall be considered as additional rental and shall be payable by the Tenant to the Landlord on the first of the month next succeeding such payment, together with interest at the maximum rate permitted by law from the date of payment.

B. All covenants and terms herein contained to be performed by the Landlord shall be performed by the Landlord at its expense, and if the Tenant shall pay any sum of money or do any act which requires the payment of money by reason of the failure, neglect, or refusal of the Landlord to perform such covenant or term after written notice by the Tenant, the sum or sums of the money so paid by the Tenant shall be considered as rental and shall be deducted by the Tenant from the rent on the first of the month next succeeding such payment.

25. WAIVER

B. If any part of the Leased Premises shall be acquired or condemned by eminent domain or public or quasi-public use or purpose, and in the event that such partial taking or condemnation shall render the Leased Premises unsuitable for the business of the Tenant, which shall be at the Tenant's reasonable discretion, then the term of this Lease shall cease and terminate as of the date of title vesting in such proceeding and the Tenant shall have no claim against the Landlord for the value of any unexpired term of this Lease. LICENSE AGREEMENT

THIS License Agreement ("License") is made and entered into at Davenport, Iowa on this 27th day of March, 2018 by and between the City of Davenport, Iowa through its Riverfront Improvement Commission, hereinafter designated as "Land Owner," and Taste of Ethiopia, LLC, hereinafter designated as "Licensee."

A. For the purposes described below, Licensee is allowed to use of the following described property located in Davenport, Iowa:

The Freight House complex, second floor at 421 West River Drive, Davenport, Scott County, Iowa, the kitchen area, and made a part hereof.

B. This License shall be effective beginning May 5, 2018, and shall terminate on October 27, 2018 (26 total Saturdays), unless earlier terminated or extended by mutual agreement.

C. There shall be regular check-in points between the Land Owner and the Licensee, at times and places mutually agreeable to both parties.

D. The rent shall be charged at \$45.00 per day of use. The use shall be on Saturdays only from 5am until 8am. The billing shall be invoiced on the first day of each month.

E. The Licensee has exclusive use of the Premises during rental time and non-exclusive use of and access to the Freight House parking lot, located to the south of the complex, and other common areas. It is intended that all licensees and related uses will work with the Land Owner regarding the use of such leased area to accommodate needs and to avoid scheduling conflicts.

F. The Licensee shall occupy, use and clean the Premises for the operation of its farmer's market company kitchen service. No other uses shall be permitted without the written consent of the Land Owner. The Licensee shall not sell, or permit to remain in or about the Premises, any article that may be prohibited by standard form fire insurance policies.

G. The Licensee shall be responsible for carrying fire insurance and other risk insurance on personal property owned or used by the Licensee. The Land Owner shall be responsible for fire and extended coverage, including casualty, on the building that the Premises are located in.

H. The Licensee will hold the Land Owner harmless from any third-party claim for tangible property damage or bodily injury to the extent arising from the negligence or willful misconduct of the Licensee. "Licensee" includes Licensee, its officers, employees, volunteers, or agents.

I. During the entire term of this License, the Land Owner and Licensee, at their sole cost and expense, will each keep their respective property interests in the Premises and their liability interests reasonably insured against hazard and casualty and against claims for personal injury, death, or property on the Premises and reasonably insured against hazard and casualty against claims for personal injury, death, or property damage occurring in, upon, or about the Premises.

Licensee's policy shall name the Land Owner as a certificate holder and identify the Land Owner as an "additional insured on a primary basis and non-contributory" per this contract, in the Description of Operations. Neither party hereto will do or omit the doing of any act which would invalidate either insurance policy. The Licensee agrees to provide evidence of the issuance of its policy to the Land Owner within Ten (10) Days after the commencement of this License. The Land Owner shall be notified in writing at least Thirty (30) Days prior to the cancellation of the Licensee's policy. The Licensee shall have, as a minimum, the following insurance:

(1) Statutory Worker's Compensation with waiver of subrogation in favor of the City.

(2) General Liability

Each Occurrence	\$1,000,000
General Aggregate	\$2,000,000

(3) Excess Liability Umbrella Form \$3,000,000

Waiver of Subrogation - Land Owner and Licensee each hereby release the other from liability for damage or destruction to the Leased Premises and the improvements located on the Property, whether or not caused by acts or omissions of the other party; provided, however, such release shall only be in force and effect in respect of damage or destruction normally covered by standard policies of fire insurance with extended coverage (whether or not such coverage is in effect). Each party shall cause its fire insurance policies to contain a provision whereby the insurer either waives any right of subrogation against the other party or agrees that such a release shall not invalidate the insurance, whichever is obtainable.

J. The Licensee shall not make, or suffer to be made, any alternations, after the build-out, of the Premises, or any part thereof, without the prior written consent of the Land Owner and any additions to, or alterations of, said Premises, except movable furniture and trade fixtures, shall become at once a part of the realty and belong to the Land Owner.

K. Land Owner shall provide and be responsible for payment of all charges for water, gas, heat, air conditioning, electricity, and sewer for the Premises. The Licensee shall pay all charges for telephone and internet service, while the Land Owner shall cover costs for trash, garbage, and rubbish removal used and removed to dumpster by the Licensee. Any security deposit or connection charges required by any utility company to furnish service to the Licensee shall be paid by the Licensee. Land Owner shall provide and maintain the necessary mains, conduits, wires, and cables to bring water, electricity and gas, and other utilities to the Premises.

L. The Licensee shall permit the Land Owner and the Land Owner's agents to enter into and upon the Premises as may be required, for the purpose of inspecting the same, or for the purpose of maintaining the buildings in which said Premises are situated, or for the purpose of making repairs, alterations, or additions to any other portion of said buildings.

M. The Licensee is responsible for obtaining and renewing all licenses and permits necessary for its operation. The Licensee shall comply with all Federal, State, or local rules and regulations applicable to its operation.

N. This License, and any exhibits attached hereto, sets forth all the covenants promises, agreements, conditions, or undertakings, either oral or written, between the Land Owner and Licensee. Except as herein otherwise provided, no subsequent alteration, amendment, change, or addition to this License shall be binding upon the Land Owner or Licensee unless reduced to writing and signed by both parties.

O. This License (a) binds and benefits the parties and their successors in interest, heirs, beneficiaries, legal representatives, and permitted assigns; (b) is governed by and construed in accordance with Iowa law; and (c) may be signed in several counterparts, each of which will be an original and all of which will constitute one agreement. Time is of the essence of each provision in this License, and the unenforceability, invalidity, or illegality of any provision does not affect or impair any other provision or render it unenforceable, invalid, or illegal. A party's failure to enforce at any time or for any period of time any provision of this License or to exercise any right or remedy does not constitute a waiver of such provision, right, or remedy, or prevent such party thereafter from enforcing any or all provisions and exercising any or all rights and remedies. The exercise of any right or remedy does not constitute an election or prevent the exercise of any or all rights or remedies. Unless the context clearly indicates otherwise, the use of the singular includes the plural, and vice versa; and the use of any gender is applicable to any other gender.

IN WITNESS WHEREOF, the parties hereto have duly executed this License Agreement in duplicate the day and year above written.
