Proclamation

Whereas Davenport is proud to honor National Bully Prevention Month and the efforts of Pete the Purple and his Posse in promoting a safe and welcoming community in which to live, learn and work, and;

Whereas Pete, a friendly, kind bull, is leading the Kindness Rocks Campaign throughout the Quad Cities, beginning October 1st, to remind all Quad Citizens of the essential role each plays in ensuring a safe and welcoming community for all, and;

Whereas Pete invites all Quad City families to participate in one or more of the special events scheduled in the Fall of 2018 to raise Awareness of Bully Prevention efforts happening in Davenport and the entire Quad City Community, and;

Whereas Research shows that teaching social and emotional skills leads to reduced violence and aggression among children, higher academic achievement, and an improved ability to function in schools and in the workplace; and

Whereas When our citizens practice empathy, tolerance and respect in their actions and communication, Individuals benefit, Schools benefit, our Community as a whole is strengthened and our efforts to eliminate bullying is greatly enhanced.

Now Therefore We, Mayor Frank Klipsch, and the Davenport City Council do hereby proclaim October as Bully Prevention Month & the beginning of Pete the Purple Bull's year-long "Bee a Good Neighbor" Campaign in Davenport. We hereby encourage all members of our community: individuals, businesses, schools, community organizations, churches and government, as well as our friends and neighbors across the country, to get involved in this effort.

Dated this 26th day of September, 2018.

First Consideration: Ordinance amending multiple chapters located within Title 8, Health, Safety and Neighborhood Enhancement of the Davenport Municipal Code for the purposes of clarification and consistency with enforcement. [All Wards]

Recommendation:
Amend the Ordinance

Background:

Through consistent enforcement efforts, it was found that several sections of Title 8 were in need of clarification and revision to accomplish the goals of City Council. Neighborhood Services and Davenport City Legal reviewed Title 8 (Health, Safety and Enhancement) as well as the supporting documents of the rental code in order to clearly define the expectations of the code and enforcement. This review also cleaned up erroneous references to old divisions and departments of the City of Davenport. In addition, the property maintenance standards are being updated to use the International Property Maintenance Code Book as the guiding document. This will allow inspections to be achieved more consistently following best practices of property maintenance.

ORDINANCE NO. _____

Ordinance amending various sections in Title 8 of the Davenport Municipal Code to change regulations relating to nuisances, solid waste, environmental violations, and housing code provisions.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. That Chapter 8.04 entitled “Sanitation and waste regulations” is hereby amended to read as follows:

Chapter 8.04 SANITATION AND WASTE REGULATIONS

Sections:

8.04.010 Premises to be kept free from nuisances—Inspection.

8.04.020 Privy vaults, cesspools, etc.—Locations.

8.04.030 Privy vaults, cesspools, etc.—Requirements.

8.04.010 Premises to be kept free from nuisances - Inspection.

All persons owning, leasing, occupying, or having control of any land, building, or buildings within the city limits, shall at all times keep the same free from accumulating filth, stagnant water (including, but not limited to, inside of cisterns), or other nuisance, and from all avoidable conditions promoting or inviting disease; and shall, in the case of an emergency, permit the health officer or neighborhood services inspector, to freely inspect such premises and in such circumstance shall not obstruct, impede, or interfere with the efforts to abate the public health threat.

8.04.020 Privy vaults, cesspools, etc. - Location.

No privy vault, cesspool, or other conduit or reservoir of filth, except the same is made and kept watertight, shall be allowed within fifty feet of any source of water, or in such location on or near a slope, that its contents can reach the surface and create a nuisance, nor shall be allowed to open or discharge onto the surface or another's property nor shall it be allowed to discharge into the city sewer.

8.04.030 Privy vaults, cesspools, etc. - Requirements.

A. Whenever any privy, privy vault, or cesspool ceases to be used for such purpose, the contents thereof shall not be covered over with any substance whatever; nor shall such vault be filled up until the contents thereof have been removed and the vault cleansed and disinfected.

B. Privy vaults, cesspools, and all reservoirs of filth shall at all times be kept reasonably free from offensive odor and shall be cleaned out and disinfected whenever the board of health directs.

Section 2. That Section 8.08.040 entitled "Refuse and commercial containers" is hereby amended to read as follows:

8.08.040 Refuse and commercial containers.

It shall be required of every person in possession, charge or control of any place in or from which solid waste is accumulated or produced to provide and at all times to keep in a suitable place that does not otherwise violate federal, state or local law, adequate and city approved solid waste containers, as described herein, capable of holding all such waste materials which would ordinarily accumulate between the times of successive collections. Container lids must remain closed at all times except during deposit or collection of solid waste. The public works department, neighborhood services department, or the health department determine the type, size, quantity, frequency of collection and location of said solid waste containers and determine whether said solid waste containers, and commercial containers, are serviceable.

Section 3. That Section 8.08.140 entitled "Enforcement and penalties" is hereby amended to read as follows:

8.08.140 Enforcement and penalties.

A. The administration and enforcement of the provisions of this chapter shall be the duty of the department of public works, neighborhood services department, or the health department.

B. The owners or agents, tenants or lessees of all residential units and commercial establishments shall be responsible for compliance with this chapter.

C. Anyone who violates the provisions of this article is guilty of a municipal infraction and upon conviction shall be fined as follows:

- | | |
|------------------------|----------|
| 1. First offense | \$100.00 |
| 2. Second offense | \$200.00 |
| 3. Subsequent offenses | \$500.00 |

In addition to the civil fine, the city may seek equitable relief or take other abatement actions. Each day a violation exists shall constitute a separate offense.

D. Unauthorized accumulations as described in this subsection are prohibited. At any time other than those specified in this chapter for the regularly scheduled setting out

of solid waste for collection or in conjunction with a scheduled bulky waste collection, any accumulation of solid or hazardous waste which remains on private or public property, other than a sanitary disposal project, is hereby declared to be a public nuisance and is prohibited. All owners of property in violation of this section shall cooperate with the health department, neighborhood services department or department of public works in formulating a plan to eliminate any future issues on the property. Nothing contained herein shall preclude the city from seeking alternative relief to abate the nuisance and prevent its recurrence.

E. Whenever in the judgment of the director of public works, director of the neighborhood services or the director of the health department an emergency or immediate health hazard exists by reason of the continuing presence of solid waste, the immediacy of its harm, the seriousness of its danger or current disruption, or its potential to expand and thereby frustrate efforts to contain and abate it, the city may take immediate action to protect the public health, safety or welfare by abating the violation without prior notice. The city may perform the required action to abate, and assess the costs as by law provided.

Section 4. That Subsections 8.12.010(B) and (H) and (J) and (K) are hereby amended to read as follows:

B. "City administrator" means the city administrator and his designees including, but not limited to, attorneys employed by the city, the police department, public works department, neighborhood services department and the fire department.

H. "Residential lot" means any lot of record within the city that is residential in character.

J. "Property" means any property, including land and that which is affixed, incidental, or appurtenant to land, including, but not limited to, any business or residence, parking area, loading area, landscaping, building or structure or any separate part, unit, or portion thereof. For property consisting of more than one unit, property may be limited to the unit or the portion of the property on which any nuisance activity has occurred or is occurring or is attributable to, but includes areas of the property used in common by all units of the property, including without limitation, other structures erected on the property and areas used for parking, loading, and landscaping.

K. "Founded" means that a call for service resulted in the verification that nuisance activity had occurred. Incidents of domestic violence may be categorized as founded, if warranted. Founded domestic violence incidents shall not be a factor when determining whether a property has met the criteria for a problem property nuisance designation, or when a penalty for failing to abate a nuisance is imposed, absent additional circumstances or crimes affecting other unrelated third parties.

Section 5. That Section 8.12.015(A)(13) is hereby amended to read as follows:

13. A single incident of a health code, environmental, or solid waste violation of such a magnitude that it falls within the definition of a nuisance under Section 8.12.010(E). of the Davenport Municipal Code.

Section 6. That the unnumbered paragraph at the end of Section 8.12.015 is hereby amended to read as follows:

The above references to provisions of the Iowa Code or the Davenport Municipal Code should not be interpreted to mean that a prosecution or conviction of the specific charge is a necessary prerequisite to an action under this chapter nor shall it be interpreted to mean that proof of the action beyond a reasonable doubt is required. However, a court conviction on the underlying charge is irrebuttable proof of the occurrence.

Section 7. That Section 8.12.020 is hereby amended to read as follows:

8.12.020 Prohibition and enforcement.

The creation or maintenance of a nuisance is prohibited, and a nuisance, public or private, may be abated in the manner provided in this chapter.

Section 8. That Section 8.12.030 is hereby amended to read as follows:

8.12.030 Inspection of premises.

Unless a warrant is required by law, the city administrator, public safety employees, attorneys employed by the city, or neighborhood services department employees are authorized to enter and remain upon private property to the extent reasonably necessary for the purpose of locating, identifying, and documenting any nuisances as defined in this code, or for the purpose of investigating allegations of such nuisances.

Section 9. That Section 8.12.050 is hereby amended to read as follows:

8.12.050 Notice to abate—Contents.

A. The notice to abate shall contain:

1. A description of what constitutes the nuisance;
2. The location of the nuisance;
3. An order to abate the nuisance and either (i) a statement of the act or acts to be taken to abate it (the order may also include a statement giving the recipient an opportunity to submit an alternative abatement plan satisfactory to the city); or (ii) a statement requiring the recipient to submit an abatement plan satisfactory to the city within a specified number of days.
4. A reasonable time within which to complete the abatement or implement the abatement plan.

5. A statement regarding the availability of a hearing;

6. A statement that if the nuisance is not abated as ordered and no request for hearing is made within the time specified, the city will abate the nuisance and assess the costs against such person and/or property.

B. The notice to abate may contain:

1. A statement that the property owner shall be assessed the cost of police response for all founded nuisance incidents that occur during the following one year period beginning with the date of the notice to abate. Upon demonstration by the property owner, within the time stated in the assessment notice, that all reasonable and warranted steps to prevent or resolve the issue(s) giving rise to the nuisance had been taken in good faith, the assessment for the cost of police response for any incident so proven may be withdrawn. The assessment for the cost of police response shall terminate at the end of one year if the founded nuisance incidents during that year do not meet or exceed the criteria for a problem area nuisance as defined above in Section 8.12.015. If applicable, when the criteria for a problem area nuisance is met or exceeded for two consecutive years following an abatement notice, the rental license shall be revoked for a period not to exceed one year. This section shall be enforced in a manner consistent with Iowa Code Sections 562A.27B and 562B.25B.

2. For nuisances pertaining to debris or environmental violations, a statement that the city of Davenport will no longer issue further written warnings or notices and all violations must be corrected within twenty-four hours otherwise the city will clean up any offending environmental violations at the property owner's cost.

Section 10. That Section 8.12.060 is hereby amended to read as follows:

8.12.060 Notice to abate—Form.

The notice shall be in the form of certified mail sent to the property owner as indicated in the Scott County Parcel query or by personal service. The notice should also be sent by regular mail.

Section 11. That Section 8.12.070 is hereby amended to read as follows:

8.12.070 Abatement hearing.

Any person ordered to abate a nuisance may request an appeal hearing as provided in Section 2.86.020 as to whether a nuisance exists or whether they are the person responsible for its existence or whether the specified abatement plan should be altered. If timely appeal is not requested the existence of the nuisance and the notified person's responsibility for its existence will be conclusively presumed as true and the specified abatement plan will be final. If requested the hearing shall be scheduled and held pursuant to Chapter 2.86 of the city code.

Section 12. That Section 8.12.080 is hereby amended to read as follows:

8.12.080 Emergency.

If it is determined by the city administrator that an emergency exists by reason of the continuing presence of a nuisance, the immediacy of its harm, the seriousness of its danger or current disruption, or its potential to expand and thereby frustrate efforts to contain and abate it, the city may perform any action which may be required under this chapter without prior notice or hearing. The city shall assess the costs, as provided in this chapter, subject to an appeal under chapter 2.86.

Section 13. That Section 8.12.100 is hereby amended to read as follows:

8.12.100 Expenses—Collection.

The clerk shall mail a statement of the total expense incurred, minus any salvage value, to the person who has failed to abide by the notice to abate, demanding payment of the expense. Subject to the provisions of Section 8.12.110, if the amount shown by the statement has not been paid by the person within thirty days, it shall then be assessed, liened and/or otherwise collected as provided by law.

Section 14. That Section 8.12.120 is hereby amended to read as follows:

8.12.120 Violations.

It is unlawful for any person to:

- A. Create or maintain a nuisance as defined in this chapter;
- B. Fail to abate within the originally prescribed time period, or such additional time period as may be granted pursuant to the appeal process outlined in this chapter and chapter 2.86, any nuisance after having been ordered to do so by a written notice to abate;
- C. Resume or allow the resumption of a nuisance after having been ordered to abate the nuisance by a written notice to abate, by order of the chapter 2.86 hearing officer, or by a magistrate or judge;
- D. Otherwise hinder, delay, or interfere with the city administrator in the enforcement of the provisions of this chapter.
- E. Terminate a lease agreement with or otherwise retaliate against a tenant because that tenant complained or otherwise notified the police or city official about nuisance activities at the owner's premises.

Section 15. That Subsection 8.14.010(B) and (C) are hereby amended to read as follows:

- B. "Director" means the neighborhood services director or designee, unless otherwise stated.

C. "Property owner" means the contract purchaser if there is one of record, otherwise the record holder of legal title as indicated in the Scott County Parcel query.

Section 16. That Section 8.14.015 is hereby amended to read as follows:

8.14.015 Maintenance of boulevard and private property.

All property owners shall maintain their property and the abutting boulevard according to the following standards:

A. In developed areas and other areas which lie within one hundred feet of a developed area or urban street, except for those areas otherwise hereinafter regulated, all weeds, vines, brush, and other troublesome growth shall be cut or destroyed to a height comparable to or lower than the groundcover in the surrounding area. However, under no circumstances shall the troublesome growth exceed nine inches in height.

B. In areas of forest cover all weeds, vines, brush, and other troublesome growth between the established treeline and the abutting developed area or urban street shall be cut or destroyed to a height comparable to or lower than the groundcover in the surrounding developed area. However, under no circumstances shall the troublesome growth exceed nine inches in height.

C. All weeds, vines, brush, and other troublesome growth which occurs within the public right-of-way of an urban street, including any drainage ditch located therein, shall be cut or destroyed when such growth exceeds nine inches in height.

D. Natural areas, farmland, and publicly-owned open spaces may exceed the standards established by this chapter except that any weeds, vines, brush, and other troublesome growth which constitute a health, safety, or fire hazard shall be cut or destroyed when such growth exceeds two feet in height.

E. In all other areas of the city all weeds, vines, brush, or other troublesome growth shall be cut or destroyed when such growth exceeds two feet in height.

F. The abutting boulevard shall be kept in repair, free of holes, excavations, protrusions, or other obstacles which could cause injury to the public.

G. All residences are required to have and maintain landscaping. Except for gardens, areas under lawful construction, and occasional small patches, bare dirt is not landscaping and is prohibited, as are dead vegetation and weeds.

H. When such instances occur in areas designated as stormwater or drainage easements, or areas approved to be natural areas by the director of public works, or his designee, Section 13.34.160D. shall govern.

I. Shrubs, bushes, and similar growth shall not: block the visibility of traffic upon a roadway so as to create a hazard given the speed limit and sight distance, be allowed to overgrow or encroach into the space above the sill and directly in front of a window or

door opening, overgrow or encroach into the space directly above a path, sidewalk, or service walk, overgrow or encroach unto the property of another, or take on the appearance of being allowed to grow unpruned. Volunteer trees within a front or side yard are prohibited.

Section 17. That Section 8.14.025 is hereby amended to read as follows:

8.14.025 Notice to owner.

Notice to the property owner shall be provided as follows: The director shall cause to be published each year in a newspaper of general circulation within the city a notice stating that maintaining property as required under this chapter shall be done, that for violations of subsections A through C of Section 8.14.015 the property owner has until the growth reaches nine inches in height to cause the work to be done, and that for violations of subsections D through E the property owner has five calendar days to cause the work to be done. For violations of subsections F through I the property owner shall receive notice of the violation and five-day abatement period to correct by regular mail, certified mail or door posting. Further, the above notices shall state that failure to comply after notice will result in the city causing the work to be done, and the costs incurred by the city shall be assessed against the property in the manner provided by law. No further notice shall be required.

Section 18. That Section 8.14.045 is hereby amended to read as follows:

8.14.045 Violation—Penalty.

Anyone who violates the provisions of this article is guilty of a municipal infraction and upon conviction shall be fined as follows:

- A. First offense..... \$100.00
- B. Second offense..... \$200.00
- C. Subsequent offense..... \$500.00

In addition to the civil fine, the city may seek equitable relief or take other abatement actions. Each day a violation exists shall constitute a separate offense.

Section 19. That Section 8.14.210 is hereby amended to read as follows:

8.14.210 City arborist—Office created—Enforcement duty.

- A. There is created the office of city arborist.
- B. The city arborist shall have charge of the enforcement of the provisions of this article.

Section 20. That Section 8.14.360 is hereby amended to read as follows:

8.14.360 Violation—Penalty.

Any person, firm or corporation violating or failing to comply with any of the provisions of this article shall be guilty of a simple misdemeanor or municipal infraction and, upon conviction thereof, shall be fined \$100 for a first offense, \$200 for a second offense, and \$500 for a third or more offense. A separate and distinct offense shall be regarded as committed each day on which such person continues such violation.

Section 21. That Section 8.14.390 is hereby amended to read as follows:

8.14.390 Storing of solid waste.

All accumulations of solid waste and building materials shall be stored in a manner which does not present a threat to public safety in accordance with the following provisions:

A. Public Streets and Private Property. No person shall place any accumulation of solid waste or building materials in any street, median strip, alley, or other public place of travel, nor upon any private property except as stated herein.

B. Blockage of Storm Drains. No person shall place any solid waste, building materials, dirt, rock, sand, refuse containers or commercial containers on, upon or over any storm drain, or so close thereto as to be drawn by the elements into same.

C. City-Owned Containers. No person shall deposit any refuse or building materials in any city-owned refuse containers or commercial containers unless authorized to do so by the city.

D. Refuse. All refuse shall be placed and maintained in either commercial or refuse containers as specified in chapter 8.08.

E. Commercial Establishments. In addition to the requirements of chapter 8.08, all commercial establishments shall store their refuse in commercial containers so as to eliminate wind-driven debris and unsightly litter in and about their establishments. Spillage and overflow shall be immediately cleaned up when and as it occurs by said establishment.

F. Loading and Unloading Areas. All loading and unloading areas shall be provided with public refuse containers for refuse. The number of containers necessary for each area shall be as required to maintain a clean, neat and sanitary premises as directed by the neighborhood services department or the health department.

G. Obligation to Furnish and Use Containers.

1. Obligation to Furnish Containers. All parking lots and establishments with parking lots held out to the public as a place for assemblage, the transaction of business, recreation, or as a public way shall provide public refuse containers distributed within the parking area. The neighborhood services department or the health department shall have the authority to determine the number of containers necessary to provide proper containerization when uncontainerized refuse becomes a nuisance. It

shall be the responsibility of the owner or the manager of the parking lot to collect the refuse deposited in such containers and store this material in an approved location as hereinabove defined.

2. Obligation to Use Containers. It shall be the obligation of all persons using parking areas to use such public refuse containers as hereinabove provided for the purposes intended, and it shall be unlawful for any person or persons to dump, scatter, or throw upon any such parking lot, any refuse or building materials of any kind.

H. Construction Sites and Demolition Sites. All construction and demolition contractors shall provide on-site commercial containers for building materials and other refuse produced by those working on the site. All such material shall be containerized and the site shall be kept in a reasonably clean and litter-free condition at all times. Dirt, mud, construction materials or other debris deposited upon any public or private property as a result of construction or demolition shall be removed by the contractor.

Section 22. That Section 8.14.400 is hereby amended to read as follows:

8.14.400 Maintenance of property.

A. Sidewalks, Alleys and Rights-of-Way. All owners or occupants of property shall maintain their property in a clean and litter-free manner, including sidewalks, boulevards, one-half of alleys, curbs or rights-of-way up to the edge of the pavement of any public street.

B. Sweeping, Blowing or otherwise Placing into Sidewalks or Streets. No person shall sweep or blow into or otherwise put on any street or sidewalk yard waste (including, but not limited to, grass clippings), rubble, refuse, or building materials.

Section 23. That Section 8.14.420 is hereby amended to read as follows:

8.14.420 Violation—Penalty.

Anyone who violates the provisions of this article is guilty of a municipal infraction and upon conviction shall be fined as follows:

- A. First offense..... \$100.00
- B. Second offense \$200.00
- C. Subsequent offenses..... \$500.00

In addition to the civil fine, the city may seek equitable relief or take other abatement actions. Each day a violation exists shall constitute a separate offense. (Ord. 2007-268 § 1: Ord. 2002-31 § 13).

Section 24. That Section 8.14.450 is hereby amended to read as follows:

8.14.450 Emergency cleanup.

In the event that immediate corrective action must be taken in order to stop the conditions created by a violation of this title from worsening or spreading (negatively impacting the ability to contain and abate) or a clear and compelling threat to the public health or safety exists, the city may abate the violation without notice.

Section 25. That Section 8.14.4600 is hereby amended to read as follows:

8.14.460 Nuisance vehicles defined.

"Vehicle" means any manner of conveyance designed to be propelled by force, but not human powered, along the ground, water or air, and including, but not limited to, automobiles, trucks, tractor trailers, motorcycles, trailers, wagons, tractors, watercraft, aircraft, and snowmobiles. A vehicle is a "nuisance vehicle" if it is upon public or private property, lawful junkyards or salvage yards excepted, not enclosed within a legal structure and exhibits at least one of the following characteristics:

- A. Cannot be operated under its own power or is otherwise inoperable (in the case of a trailer the trailer is not attached to a fully-operational vehicle that can tow it that displays a current registration);
- B. Has at least one tire that is not fully-operational, unless designed to operate without the same;
- C. Is unattended on jacks, blocks, or elevated in any other way which constitutes a threat to the public health, safety or welfare;
- D. Has become a habitat for rats, mice, snakes, or other vermin or insects;
- E. Lacks a fender, door, hood, steering wheel, trunk top, or the same is loosely attached;
- F. Has an exposed and dangerous edge or protrusion;
- G. Lacks current registration or does not display current registration, if registration is required for that category of vehicle;
- H. Leaks any flammable or hazardous fluid;
- I. Has been partly or fully dismantled;
- J. If upon public right-of-way, cannot be legally operated on the same;
- K. In the case of a motor vehicle, cannot be legally operated on a public street or highway;
- L. Largely functions as a solid waste container—lawfully operated solid waste or garbage trucks excluded; or

M. Has a dangerous or defective condition that poses a threat to the public health or safety.

Section 26. That Section 8.14.470 is hereby amended to read as follows:

8.14.470 Notice to abate.

No nuisance vehicle shall remain upon public or private property for a period in excess of 24 hours. After a 24-hour waiting period said vehicle is hereby declared to be a nuisance and may be immediately abated by the city. The police department, neighborhood services department or their respective designees shall give notice of the nuisance and request abatement to begin the 24-hour waiting period in any one of the following ways:

A. By certified and regular mail addressed to the private property owner, if applicable, as shown by the Scott County Parcel query;

B. By certified and regular mail addressed to the last known address of the registered owner of the nuisance vehicle; or

C. By attaching a notice securely to the nuisance vehicle. Said notice shall state the nature of the violation, the abatement action to be taken to correct the violation, the date by which the abatement action must be taken, that failure to correct the violation will result in the vehicle being towed, that the costs of abatement action by the city will be assessed against the property (required only if the cost assessment is pursued), and that a hearing to contest the tow may be requested.

In the case of mailing notice shall be deemed given when mailed.

Section 27. That Division 1 of Chapter 8.15 is hereby amended to read as follows:

Division 1 Administration

8.15.100 Title.

The regulations in this chapter shall be known as the Davenport Property Maintenance Code, may be cited as such, and will be referred to herein as "this code." Any reference to the Uniform Building Code, the Uniform Fire Code, or any other codes mentioned herein, shall be to such codes as adopted by the city of Davenport.

8.15.105 Intent.

The intent of this code is to provide minimum standards to safeguard life or limb, health, property, property values and public welfare by regulating and controlling the use and occupancy, location and maintenance of all residential buildings, nonresidential buildings, and structures in this jurisdiction.

The intent of this code is not to create or otherwise establish or designate any particular class or group of persons who will or should be especially protected or benefited by the terms of this code.

The intent of this code is to provide for the administration and enforcement of this code and certain technical codes adopted by the Davenport Municipal Code.

Administration and enforcement is a function of the neighborhood services department and any other designee of the city administrator.

This code has been adopted and is used in conjunction with other city of Davenport codes and should not be construed to include all regulations pertaining to buildings and development. This code shall be applied in conjunction with other codes of the city and nothing in this code shall be interpreted as prohibiting or limiting enforcement by the code official or any other agencies of the following codes and ordinances as adopted and amended included but not limited to:

The Zoning Ordinance of the City of Davenport

Uniform Building Code

Uniform Fire Code

Uniform Mechanical Code

Uniform Plumbing Code

National Electric Code

Iowa State Building Code as specifically referenced by the Davenport Municipal Code.

Compliance with regulations of other agencies shall be required, including, but not limited to, the Scott County Board of Health and the Iowa State Fire Marshal.

8.15.110 Scope.

The provisions of this code shall apply to all buildings or portions thereof, whether residential or nonresidential, whether vacant or occupied, and whether owner occupied or rental dwellings. This code shall further apply to all accessory structures and any nuisance as defined by this code that may exist in a building or the building's yard. Where any building or portion thereof is used or intended to be used as a combination apartment house-hotel, the provisions of this code shall apply to the separate portions as if they were separate buildings. EXCEPTIONS: dormitories, fraternities, sororities, assisted living and transient housing.

8.15.115 Workmanship.

Construction, repairs, maintenance work, alterations or installations that are caused directly or indirectly by the enforcement of this code shall be executed, and installed in a workmanlike manner in accordance with the Davenport property maintenance code.

8.15.120 Existing installations.

Buildings in existence at the time of the adoption of this code may have their existing use or occupancy continued, if such use or occupancy was legal at the time of its installation. However, where existing installations were legal at the time of their installations, if substantial alterations or replacement occurs, the work must meet existing code. Any change in the use or occupancy of any existing building or structure shall comply with the related provisions of the Davenport Municipal Code.

8.15.125 Reserved.

8.15.130 Responsibilities defined.

A. Every owner remains liable for violations of duties imposed upon him/her by this code even though an obligation is also imposed on the occupants of his/her building, and even though the owner has, by agreement, imposed on the occupant the duty of furnishing required equipment or of complying with this code.

B. All buildings and structures and all parts thereof shall be maintained in a safe and sanitary condition. The owner or his/her designated agent shall be responsible for such maintenance. To determine compliance with this subsection, the building may be reinspected.

C. Every owner or his/her agent, in addition to being responsible for maintaining his/her building in a sound structural condition, shall be responsible for keeping that part of the building or premises which he/she occupies or controls in a clean, sanitary and safe condition, including the shared or public areas in a building containing two or more dwelling units.

D. Every owner shall, where required by this code, the health ordinance or the code enforcement officer, furnish and maintain such approved sanitary facilities as required, and shall furnish and maintain approved devices, equipment or facilities for the prevention of insect and rodent infestation, and where infestation has taken place, shall be responsible for the extermination of any insects, rodents or other pests when such extermination is not specifically made the responsibility of the occupant by law or ruling.

E. Every occupant of a dwelling unit in addition to being responsible for keeping in a clean, sanitary and safe condition that part of the dwelling or dwelling unit or premises which he/she occupies and controls, shall dispose of all his rubbish, garbage and other organic waste in a manner required by ordinance and approved by the code official.

F. Every occupant shall, where required by this code, the health ordinance or code official, furnish and maintain approved devices, equipment or facilities necessary to keep his/her premises safe and sanitary.

G. With respect to rental residential units, the code official shall send letters of violation to both the occupant (addressed as "occupant") and owner of record containing the applicable portions of the text below:

1. Smoke Detector Operation. It is the occupant's responsibility to periodically test smoke detectors within the unit to see if they are functioning properly. State law requires the occupant to be responsible for changing the battery.

2. Unsanitary Conditions Within a Dwelling Unit. It is the occupant's responsibility to properly dispose of rubbish, garbage, organic waste, any excessive accumulation of debris within their dwelling unit.

3. Improper Storage Within a Dwelling. Occupants are responsible for any improperly stored flammable liquid or combustible material within a utility compartment/room accessible from their dwelling unit.

4. Items Hanging from Electrical Conduits, Plumbing or Gas Piping. Occupants are responsible to remove and cease the practice of using electrical conduits, plumbing or gas piping in this manner.

5. Use of Unvented Portable Fuel, Oil-Burning Devices. Occupants are responsible to cease the use of any unvented portable fuel, oil-burning devices.

6. Excess Accumulation of Debris (Exterior). Occupants are responsible for all debris outside of the dwelling unit where it is possible for the code official to determine which tenant is responsible for the specific items.

7. Illegal Sleeping Rooms (Attic or Cellar). Occupants are responsible to cease the use of these areas for sleeping purposes.

8.15.135 Appeals.

An order, decision or determination by an inspector regarding the application or interpretation of Chapter 8.15 may be appealed as provided in Section 2.86.020. If an appeal is filed a hearing shall be scheduled and held pursuant to Chapter 2.86 of the city code. If timely appeal is not filed the order, decision or determination made by the inspector shall be conclusively presumed as being true and the recipient of the order, decision or determination shall have waived all rights to challenge said order, decision or determination.

8.15.140 Violations.

It shall be unlawful for any person, firm or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, or occupy or maintain any building or structure or cause or permit the same to be done in violation of this code.

8.15.145 Licensing, permits and inspections for rental property.

A. General. It shall be a violation of this code for any person to let to another for rent and/or occupancy any dwelling, dwelling unit, duplex, multiple dwelling, sleeping room, single-family dwelling or condominium unless all of the following criteria are met:

1. The owner or agent holds a valid certificate of structure compliance, issued by the city applicable to those portions of the specific structure used for residential rental purposes or affecting any areas used for residential rental purposes.
2. The owner or agent holds a valid rental license issued by the city, in the name of the owner or agent, applicable to those portions of the specific structure used for residential rental purposes.
3. The owner or agent, if they have not done so previously, must attend the City's landlord education classes within six months of obtaining an initial rental license issued by the City.
4. The owner provides the name(s) of a twenty-four-hour emergency contact(s), to the neighborhood services department, who can provide the names of the residents and has authority to make decisions with respect to the property. This requirement also applies to group homes and properties under the control of a foreclosing lender. The emergency contact must be able to be on site within 8 hours.
5. The owner has in place, at a minimum, the standard screening and background check process acceptable to the neighborhood services department.

B. **Certificate of Structure Compliance.** The certificate of structure compliance, when issued, shall certify that the requirements of this code are met. The certificate shall be transferable at the time of a change in ownership and shall be maintained as a public record of the city. The certificate, in and of itself, shall not be interpreted as granting the owner or operator the privilege of letting the structure for residential occupancy, but must be accompanied by a valid rental license. The certificate of structure compliance shall state the date of issuance and the address of the structure to which it is applicable. All dwelling units and sleeping rooms being let for rent and/or occupancy without a valid certificate of structure compliance may be ordered vacated.

C. **Issuance of Certificate of Structure Compliance.** When the owner or operator has complied with the provisions of this code, along with payment of the required fees, the city shall issue a certificate of structure compliance. The certificate of structure compliance shall expire in accordance with the inspection cycle established pursuant to subsection G.

D. **Revocation of Certificate of Structure Compliance.** When there exists a material and substantial noncompliance with this chapter which directly affects the health, life, safety or property of the occupants or the public, the city may revoke the certificate of structure compliance in whole, or modify the certificate to reflect the compliance of each dwelling unit or sleeping room within a structure.

E. **Rental License.** A rental license shall be a document issued to each individual property that is properly registered with the city and shall be valid for one year. The document shall be transferable from one owner or agent to another at any time prior to its expiration, termination or revocation. The owner or agent shall notify the city of any

change of interest or ownership in the property within thirty days of any conveyance or transfer of interest affecting the property and provide the name and address of all persons who have acquired an interest therein. In the event the city has not been notified of such conveyance or transfer within the designated period of time, the rental license may be transferred from the owner or agent to another upon payment of a fee, the amount of which shall be established by resolution of the city council. The fee shall be assessed to the new owner or agent. The rental license shall state the date of issuance, the address of the structure to which it is applicable and its expiration date. All dwelling units and sleeping rooms being let for rent and/or occupancy without a valid rental license with the city and fees paid may be ordered vacated and/or the owner may be subject to a municipal infraction prosecution.

F. Registration of Rental Property. It is the responsibility of the owner and/or agent of any building used for rental purposes as defined by this code to register said building with the city for the purpose of rental licensing within thirty days after title transfer or occupancy of the building.

G. Dwelling Inspection Schedule. All rental dwellings as described in this chapter regardless of the number of rental units contained in each property would be placed on a 2 year inspection cycle. If properties have been inspected after July 1, 2016 and prior to November 1, 2018, they would remain on the current cycle for which they are certified. The inspection cycle will begin on rental inspection certification date. Inspection cycles may be extended based on performance standards set forth below. Newly constructed buildings (registered within two years of final occupancy certificate will automatically be assigned a Four (4) year cycle.

Properties receiving a score of 200 points or more would be placed on a 2 year cycle
 Properties receiving a score of 101-199 would be placed on a 3 year cycle
 Properties receiving a score of 0 - 100 would be placed on a 4 year cycle

H. Issuance of a Rental License. The city shall issue a rental license upon the applicants meeting of all standards and the payment of all fees and other debt owed to the city.

I. Revocation of a Rental License. The code official or designee shall have the authority to revoke a rental license on any property when: 1) it is in violation of the city code on a frequent and recurrent basis; 2) has a serious life safety violation and is ordered vacated; 3) fails to correct a founded complaint violation by the time that the third reinspection for the same concludes; 4) the owner or manager fails to appear for three inspections/reinspections in a row; or 5) the owner or agent provides false information to the city.. The owner or agent of the affected property shall be notified in writing by certified mail of the license revocation.

J. Appointments for Inspections. Appointments for inspections with the owner/agent of the building shall be scheduled by the city. The owner/agent may request the appointment to be rescheduled. However, the inspection shall be performed within thirty

days of the original date unless modified by the administrative hearing officer or the code official. An owner/agent shall be required to arrange for access to all portions of the building. Failure to provide access to all portions of the building shall prevent the issuance of a certificate of structure compliance, and thus compliance with the law. The owner/agent shall notify all tenants of the inspection in accordance with Iowa law.

K. Inspections shall not be:

1. Conducted with a minor as the sole representative of the owner.
2. Conducted against the will of the tenant without the building's owner/agent present.
3. Conducted without prior notice to the tenant, as required by state law.
4. Conducted in an occupied dwelling without the owner/agent or tenant of the dwelling or designated agent being present.

Should the person in control of the unit refuse admittance to the code enforcement officer or designee and refuse to reschedule the inspection or reinspection, a request to the court to issue a search warrant may be prepared, subject to approval by the legal department.

All areas of each dwelling governed by this code shall be inspected. Should access not be obtained to all areas, a reinspection must be scheduled and an additional fee may be charged for each subsequent reinspection of accordance with the established fee schedule.

L. Provision of False Information Prohibited. No person shall provide false information to the city in connection with the licensing, permitting, or inspection of a property whether owner occupied or not.

8.15.150 Fee schedule.

Fees shall be charged for services rendered in relation to this code. These services include but are not limited to the following: licenses, inspections, and failure to appear for any scheduled inspections, late cancellations, and appeals. The amount shall be established by resolution of the city council.

As a nuisance abatement remedial measure the fee schedule shall include a per tax parcel per response surcharge for police and fire department responses, excluding emergency medical responses, in an amount equal to the approximate cost of the response, plus a processing fee, for all responses above the excessive response threshold set forth immediately below within a calendar year. This section shall be construed consistently with Iowa Code §§562A.27B and 562B.25A.

Dwelling Units per Tax Parcel	Excessive Response Threshold
1-3	10

4-8	25
9-24	50
25 or more	75

In the case of police responses the number shall be based upon founded calls. Within ten days of the date of a surcharge invoice, the owner may request the neighborhood services director or his designee review the call log to verify the number of responses and provide the owner with the dates and nature of the responses included in the bill.

8.15.155 Notice and order of code official.

A. Commencement of Proceedings. Whenever the code official has inspected or caused to be inspected any building and has found and determined that such building is a substandard building, he shall commence proceedings to cause the repair, rehabilitation, vacation or demolition of the building.

B. Notice and Order. The code official shall issue a notice and order directed to the record owner of the building. The notice and order shall contain:

1. The street address and a legal description sufficient for identification of the premises upon which the building is located.
2. A statement that the code official has found the building to be substandard with a brief and concise description of the conditions found to render the building substandard under the provisions of this code.
3. A statement of the action required as determined by the code official.
 - a. If the code official has determined that the building or structure must be repaired, the order shall require that all required permits be secured therefor and the work physically commenced within such time (not to exceed thirty days from the date of the order except for weather related repairs as determined by the code official and completed within such times as the code official shall determine is reasonable under all of the circumstances).
 - b. If the code official has determined that the building or structure must be vacated, the order shall require that the building or structure be vacated, within a certain time from the date of the order as determined by the code official to be reasonable.
 - c. If the code official has determined that the building or structure must be demolished, the order shall require that the building be vacated within such time as the code official shall determine reasonable (not to exceed thirty days from the date of the order); that all required permits be secured therefor within thirty days from the date of the order, and that the demolition be completed within such time as the code official shall determine is reasonable (not to exceed sixty days from the date of the order).

4. Statements advising that if any required repair or demolition work (without vacation also being required) is not commenced within the time specified, the code enforcement officer:

- a. Will order the building vacated and posted to prevent further occupancy until the work is completed, and
- b. May proceed to cause the work to be done and charge the costs thereof against the property or its owner.

5. Statements advising:

Any person having any record title or legal interest in the building may appeal from the notice and order or any action of the code official as provided in Chapter 2.86. Failure to appeal from a notice and order or action of the code official will constitute waiver of all rights to an administrative hearing and determination of the matter as provided in the notice and order or action of the code official shall be the final determination.

C. Service of Notice and Order. The notice and order, or any amended or supplemental notice and order, shall be served upon the record owner/agent. The failure of the code official to serve any person required herein to be served shall not invalidate any proceedings hereunder as to any other person duly served or relieve any such person from any duty or obligation imposed on him by the provisions of this section.

D. Method of Service. Service of the notice and order shall be made upon all persons entitled thereto either personally or by mailing a copy of such notice and order by regular mail, to each such person at his address as it appears on the last assessment roll of the county or as known to the code official. If no address of any such person so appears or is known to the code official, then a copy of the notice and order shall be so mailed, addressed to such person, at the address of the building involved in the proceedings. The failure of any such person to receive such notices shall not affect the validity of any proceedings taken under this section. Service by regular mail in the manner herein provided shall be effective on the date of mailing.

E. Recordation of Substandard Conditions. If compliance is not had with the notice and order within the time specified therein, and no appeal has been properly and timely filed, the code official shall file in the office of the county recorder a certificate describing the property and certifying:

1. The building is a substandard building, and
2. The owner has been so notified. If a certificate of substandard conditions has been filed and whenever the corrections ordered shall thereafter have been completed or the building demolished so that it no longer exists as a substandard building on the property described in the certificate, the code official shall file a new certificate with the county recorder certifying that the building has been demolished or all required

corrections have been made so that the building is no longer substandard, whichever is appropriate.

F. Repair, Vacation and Demolition. The code official shall follow the standards set forth hereinafter when ordering the repair, vacation or demolition of any substandard building or structure:

1. Any building declared a substandard building under this code shall be made to comply with one of the following:

a. The building shall be repaired in accordance with the current property maintenance code or other current code applicable to the type of substandard conditions requiring repair; or

b. The building shall be demolished at the option of the building owner; or

c. If the building does not constitute an immediate danger to the life, limb, property or safety of the public or of the occupants, it shall be ordered to be vacated and to be secured in accordance with the Davenport Municipal Code.

2. If the building or structure is in such condition as to make it immediately dangerous to the life, limb, property or safety of the public or of the occupants, it shall be ordered vacated and/or demolished.

G. Notice to Vacate.

1. Notice of Intent to Post. The code official shall send notice to the record owner or her agent that the property will be posted with a notice to vacate.

2. Posting. Every notice to vacate shall, in addition to being served, be posted at each building.

3. Compliance with Notice to Vacate. Whenever such notice is posted, the code official shall include a notification thereof in the notice and order issued by him reciting the violation and specifying the conditions necessitating the posting. No person shall remain in or enter any building having been so posted, except that entry may be made to repair, demolish, or remove such building under permit. No person shall remove or deface any such notice after it is posted until the required repairs, demolition, or removal have been completed and approved by the code official pursuant to the provisions of this code.

8.15.160 Appeal.

Any person who receives notice under this chapter may appeal said notice and order pursuant to the procedures set forth in Section 2.86.020. If a timely request for appeal is not filed the order, decision or determination shall be conclusively presumed as being true and the recipient of the order, decision or determination the responsible party. If an

appeal is filed a hearing shall be scheduled and held pursuant to Chapter 2.86 of the city code.

8.15.165 Enforcement of the order of the code official or administrative hearing officer.

A. Compliance. After any order of the code official or administrative hearing officer shall have become final, no person to whom such order is directed shall fail, neglect or refuse to obey said order. Any person who fails to comply with or obey said order shall be guilty of a municipal infraction.

B. Failure to Commence Work. Whenever the required repair or demolition is not commenced within thirty days or any time period established after any final notice and order issued under this code becomes effective:

1. The code official shall cause the building described in such notice and order to be vacated by posting a notice at each entrance thereto.

2. No person shall occupy any building having been posted as specified in this subsection. No person shall remove or deface any such notice so posted until the repairs, demolition or removal ordered by the code official have been completed and a certificate of compliance issued pursuant to the provisions of this code.

3. The code official may, in addition to any other remedy provided herein, cause the building to be repaired to the extent necessary to correct the conditions which render the building substandard as set forth in the notice and order; or if the notice and order required demolition, to cause the building to be sold and demolished, or to be demolished, and the materials, rubble and debris therefrom removed and the lot cleaned. Any such repair or demolition work shall be accomplished and the cost thereof paid and recovered in the manner hereinafter provided in this code. Any surplus realized from the sale of any such building, or from the demolition thereof, over and above the cost of demolition and of cleaning the lot shall be paid over to the person or persons lawfully entitled thereto.

C. Extension of Time to Perform Work. Upon receipt of an application from the person required to conform to the order and an agreement by such person that he will comply with the order if allowed additional time, the code official may, in his sole discretion, grant an extension of time, not to exceed an additional one hundred twenty days, within which to complete said repair, rehabilitation or demolition, if the code official determines that such an extension of time will not create or perpetuate a situation imminently dangerous to life or property. The code official's authority to extend time is limited to the physical repair, rehabilitation or demolition of the premises and will not in any way affect or extend the time to appeal his notice and order.

D. Interference with Repair or Demolition Work Prohibited. The final order of the code official or administrative hearing officer shall be enforced as written. No person shall obstruct, impede or interfere with any officer, employee, contractor or authorized representative or agent of the city engaged in the work of repairing, vacating and

repairing, demolishing or any act necessary or incidental to enforcement of the final order.

E. Violations—Penalties. Any person or entity who violates any of the provisions of this chapter shall be guilty of a municipal infraction; and shall be fined one dollars for a first offense, two hundred dollars for a second offense, and five hundred dollars of every offense thereafter for the same violation. However, in addition to all other remedies and sanctions available, violations of Subsection 8.15.145A(3) and Section 8.15.145L shall be punished by a fine of two hundred dollars for the first offense and five hundred dollars for each violation thereafter. Additionally, violations of 8.15.155G(3) may be charged and punished as a simple misdemeanor. The code official is authorized to enforce this chapter pursuant to procedures and remedies set forth in this chapter as well as Chapter 1.30.

8.15.170 Performance of work, repair or demolition.

A. Procedure. When any work or repair or demolition is to be done pursuant to this code, the code official shall cause the work to be accomplished by city personnel or by private contract under the direction of the code official. The code official may prepare plans and specifications, or he may employ such architectural and engineering assistance on a contract basis, as he may deem reasonably necessary.

B. Costs. The cost of such work shall be made a special assessment against the property involved, or may be made a personal obligation of the property owner, whichever the legislative body of this jurisdiction shall determine is appropriate.

C. Personal Obligation or Special Assessment. The city legal department shall determine whether said charge shall be made a personal obligation of the property owner and/or assess said charge against the property involved.

D. Lien of assessment. All liens of assessment shall be done according to applicable city and state code.

8.15.175 Conflicting provisions.

Whenever conflicting provisions or requirements occur between this code, the technical code or any codes or laws, the most restrictive shall govern.

8.15.180 College/university zone requirements.

A. The city council of the city of Davenport finds that a significant number of landlords rent residential units to unrelated persons who frequently engage in conduct that negatively impact the quality of life of the surrounding neighborhood and tends to depress the value of the nearby properties. This situation is in major part due to the presence of numerous university students living off-campus in rental properties located within established residential neighborhoods; a condition present in an area relatively close in proximity to the college or university campus. The intent of this section is to establish further specific regulations to help protect established neighborhoods from said negative impacts.

B. The area(s) designated as college/ university zones that are subject to these regulations is/are:

1. The area of the city bounded on the north by Columbia Court extended westerly along its centerline to Fillmore and easterly to and along the centerline of Columbia Avenue, on the east by the centerline of Pershing, on the south by the centerline of West 16th Street and the centerline of Kirkwood Boulevard, and on the west by the centerline of Fillmore.

C. In addition to those requirements set forth in Section 8.15.145, upon written notice of a determination by the neighborhood services director that reasonable suspicion of over-occupancy exists or upon a "founded call" (Defined in Chapter 8.12) at the address, the tenants of a single-family rental property, defined the same as "dwelling, single-family detached," "dwelling, single-family attached," or "dwelling single-family semi-detached," or "dwelling, single-family townhouse," as the case may be, in Title 17, located within a college/university zone shall:

1. Register the property by property address;
2. Provide information regarding number of bedrooms, number of bathrooms, and number of off-street parking spaces available (counting only enclosed garage spaces and driveway spaces behind the front of the residential structure and connecting the entrance of a private garage with a public right-of-way so as to permit ingress and egress—one off street parking space for each 8' x 20' area of paved driveway);
3. Provide information regarding the lease and tenant(s): term of the lease and initial of first name and surname of all tenant(s), each tenant registered shall be required to report license plate information (state and number) for each vehicle he or she has at the property within seven days' time of the onset of their tenancy and failure to comply with this requirement constitutes a violation of this chapter;
4. The tenants shall amend the information required to be on file by this subsection within seven days of an occurrence affecting the required information, such as change in tenancy;
5. Said information shall be kept current for a period of two years from the date of the notice unless the property owner has received notice from the city that the university zone registration requirements no longer apply;
6. All of the tenants of a single-family rental property for which notice in this subsection has been given are jointly and severally responsible for making such that the required information has been filed.

D. The maximum number of persons who may occupy a dwelling shall be reduced on a one-to-one ratio based upon the number of off-street parking spaces available on the single-family rental property so that there is one off-street parking space for each person living within a single-family rental property within a college university zone and

shall be further reduced, if necessary, so that the total square footage of the building provides at least 200 square feet of enclosed living space per occupant. Off-street parking space is defined the same as "parking space" in Title 17 and, if unenclosed must be durably surfaced (paved or bricked) and connect the entrance of the private garage with a public right-of-way so as to permit ingress and egress with no such space being allowed in the front yard. No additional off-street parking space shall be constructed as a parking pad, but any off-street parking pad in existence as shown on the GIS aerial photograph taken in 2009 may be considered in the number of available off-street parking spaces (parking pad being a durably surfaced area for vehicle storage that does not serve as ingress/egress to a garage). If, because of the age and character of a single-family property located within a designated college/university zone there are no off-street parking spaces, the maximum number of unrelated persons who may occupy the single-family rental property is two persons. For purposes of this subsection, the square footage and bedroom numbers on file with the city assessor are presumed to be accurate and it is the property owner's or tenant's duty to rebut their presumed accuracy. This subsection applies to any single-family rental property located within a designated university zone that is occupied by unrelated persons regardless of whether the property has been notified to register tenant information or not. If illegal over occupancy is established a property owner shall take immediate steps to comply with the provisions of this section.

E. This section shall not apply to a multi-family rental property located within a college/university zone. A multi-family rental property being defined the same as a "dwelling, multiple" in Title 17. This section shall also not apply to the rental of a single-family rental property to a family or related persons, as defined in Title 17, or to a group of persons with verifiable disabilities, as defined by the fair housing act, as amended, of 1988, who occupy a single-family rental property as a single housekeeping unit.

F. It shall be a violation of this section for a tenant to occupy a single-family rental property without said tenant's name and other specified information having been provided to the city or its designee as required.

G. It is a violation of the section for an owner to permit occupancy contrary to the provisions of this section.

H. Each day a violation occurs shall be deemed a separate and distinct violation subject to the penalty provisions of this section. Any person who is found to have violated this section after having been previously convicted of violating this section shall be subject to the applicable penalty for the subsequent offense.

1. For a first offense the fine for a tenant shall be one hundred dollars. For a first offense for an owner the fine shall be three hundred dollars.

2. For a second offense the fine for a tenant shall be two hundred dollars. For a second offense for an owner the fine shall be five hundred dollars.

3. For a third or subsequent offense the fine for a tenant shall be five hundred dollars. For a third or subsequent offense the fine for an owner shall be one thousand dollars.

In addition, the code official or designee shall have the authority to suspend or revoke a rental license on any single-family rental property that has been the subject of three or more violations of this section.

Section 28. That Divisions 2 through 8 of Chapter 8.15 are hereby amended to read as follows:

Division 2 Specifications and standards

8.15.185 Adoption of 2015 International Property Maintenance Code.

The city hereby adopts and incorporates the provisions of the International Code Council's 2015 International Property Maintenance Code with commentary except as noted:

A. From Chapter 1 ("Scope and Administration") only Subsection 102.6, Subsection 104.3, Subsection 104.4, Section 105, Subsection 107.4, Section 108 (to the extent that it does not conflict with other city code sections), and Section 112 (Subsection 112.4 amended to read as follows: "No person shall continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition.") are adopted.

B. Chapters 2 through 8 are adopted with the modifications noted below:

Section 202. Definitions. Amended to add a definition for "building official" and modify the definition of "code official" and "habitable space":

Building Official. See "Code Official".

Code Official. The officer, officers, or other designated authorities charged with the administration and enforcement of this code, or a duly authorized representative. Any reference to "building official" in this code refers to "code official".

Habitable Space. Space in a structure for living, sleeping, or eating. Bathrooms, toilet rooms, closets, halls, storage or utility spaces, and similar areas are not considered habitable spaces.

Section 302.3. Sidewalks And Driveways. Amended to read:

302.3. Sidewalks And Driveways. Sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be maintained in accordance with chapter 12 of the city of Davenport code of ordinances and the city of Davenports standards for defective sidewalks.

Section 302.4. Weeds. Amended to read:

302.4. Weeds. Premises and exterior property shall be maintained in accordance with section 8.14.015 of the city of Davenport code of ordinances.

Section 304.2. Protective Treatment. Amended to read:

304.2. Protective Treatment. Exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks and fences, shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. Siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors and skylights, shall be maintained weather resistant and water tight. Metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion. Oxidation stains and rust shall be removed from exterior surfaces when oxidation stains or rust compromises the function of the building component to perform as designed. Surfaces designed for stabilization by oxidation are exempt from this requirement.

Section 304.14. Insect Screens. Insert: May 1 to November 1.

Section 304.18.1. Doors. Amended to read:

304.18.1. Doors. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a lock designed to be readily openable from the side from which egress is to be made without the need for keys, special knowledge or effort. Such locks shall be installed according to the manufacturer's specifications and maintained in good working order.

Section 305.3. Interior Surfaces. Amended to read:

305.3. Interior Surfaces.

A. Interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, loose, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected.

B. All residential properties receiving federal assistance must be in compliance with the lead safe housing rule at 24 CFR 35 and the lead based paint poisoning prevention act at 42 USC 4822. The owner of federally assisted units must provide certification that the dwelling is in accordance with said regulations. If the federally assisted unit was constructed prior to 1978, upon occupancy a notice must be provided which outlines the lead based paint regulations, the hazards of lead based paint poisoning, the symptoms and treatment of lead poisoning, and the precautions to be taken against lead poisoning.

C. All residential property must comply with the residential lead-based paint hazard reduction act of 1992, requiring the disclosure of known information on lead-based paint and lead-based paint hazards before the sale or lease of certain housing built before 1978.

Section 404.4.2. Deleted.

Section 404.4.3. Water Closet Accessibility. Amended to read as follows:

404.4.3. Water Closet Accessibility. Every bedroom in a dwelling unit shall have access to not less than one water closet and lavatory located in the same story as the bedroom or an adjacent story.

Section 602.3. Heat Supply. Insert: September 15 to May 15.

Section 602.4. Occupiable Work Spaces. Insert: September 15 to May 15.

Section 602.5. Room Temperature Measurement. Amended to read:

602.5. Room Temperature Measurement. The required room temperatures shall be measured three (3) feet above the floor, at the inside wall.

Section 605.2. Receptacles. Amended to add:

Exception: In lieu of every habitable space in a dwelling containing two separate and remote receptacle outlets, one receptacle and a separate permanently installed light fixture is allowable.

Section 29. That Section 8.16.010 is hereby amended to read as follows:

8.16.010 Authority.

The building official, the neighborhood services director or their respective reports or designees are hereby authorized and directed to enforce all the provisions of this chapter.

Section 30. That Subsection 8.16.080(B) is hereby amended to read as follows:

B. If painting of boards is required to comply with subsection A of this section, it shall be subject to the following additional rules: 1) from March 15 to November 14 painting of boards shall be performed upon installation or by the deadline specified in the notice and order to secure, if a notice and order was issued, however from March 15 to April 30 a written waiver may be obtained from the neighborhood services department if in the enforcement authority's opinion insufficient days of good weather occurred during the timeframe; 2) no notice and order shall set a deadline for the painting of boards during the four-month timeframe beginning November 15 and ending March 14 ("winter timeframe"); 3) if an owner secures his building during the winter timeframe said building will be treated for painting purposes as having been boarded on the next subsequent March 15; 4) in making its determination of "good weather" the enforcement authority shall consider that painting is generally not advisable below fifty-five degrees

Fahrenheit; 5) if the city performs the board up between November 15 to March 14, the bill for such work shall include the fee for painting despite the fact the painting may not occur until the weather permits.

Section 31. That Section 8.16.100 is hereby amended to read as follows:

8.16.100 Penalties.

Anyone violating the provisions of this chapter is guilty of a municipal infraction and shall, upon conviction, be fined one hundred dollars for a first offense, two hundred dollars for a second offense, and five hundred dollars for every offense thereafter for the same violation. Each day a violation is permitted to exist is considered a separate offense. In addition to other remedies, the city may institute any appropriate action or proceedings to prevent such unlawful act or to restrain, correct or abate such violation.

Section 32. That Subsection 8.17.130(B)(5) is hereby amended to read as follows:

5. Statements advising: i) that any person having any record title or legal interest in the building may appeal from the notice and order or any action of the designated official pursuant to chapter 2.86; and ii) that failure to appeal will constitute a waiver of all rights to an administrative hearing and determination of the matter.

Section 33. That Section 8.17.180 is hereby amended to read as follows:

8.17.180 Effect of failure to appeal.

Failure of any person to file an appeal under chapter 2.86 shall constitute a waiver of the right to an administrative hearing and adjudication of the notice and order or any portion thereof.

Section 34. That Section 8.17.230 is hereby amended to read as follows:

8.17.230 Interference with repair or demolition work prohibited.

A. General. No person shall obstruct, impede or interfere with any officer, employee, contractor or authorized representative of this jurisdiction whenever such officer, employee, contractor or authorized representative of this jurisdiction, is engaged in the work of repairing, vacating and repairing, or demolishing any such building, pursuant to the provisions of this code, or in performing any necessary act preliminary to or incidental to such work or authorized or directed pursuant to this code.

B. Violations—Penalties. Any person or entity who violates any of the provisions of this chapter shall be guilty of a municipal infraction; and shall be fined one hundred dollars for a first offense, two hundred dollars for a second offense and five hundred dollars for every offense thereafter for the same violation. Each day that a violation continues is a separate offense. A violation of section 8.17.210 may be pursued as a simple misdemeanor violation subjecting the offender to arrest and a fine of \$200.

Section 35. That a new Chapter 8.18 entitled “Registration of Vacant or Abandoned Buildings” is hereby enacted that reads as follows:

Chapter 8.18

REGISTRATION OF VACANT OR ABANDONED BUILDINGS

- 8.18.010 Definitions**
- 8.18.020 Registration required**
- 8.18.030 Registration**
- 8.18.040 Fees**
- 8.18.050 Terms**
- 8.18.060 Inspections**
- 8.18.070 Issuance and renewal criteria**
- 8.18.080 Renewal and penalty for failure to renew**
- 8.18.090 Revocation, reinstatement**
- 8.18.100 Relationship of registration to other code provisions**

8.18.010 DEFINITIONS.

For the purpose of this chapter, certain terms, phrases, words and their derivatives shall be construed as specified in either this chapter or as specified in the Building Code or the Property Maintenance Code. Where terms are not defined, they shall have their ordinary accepted meanings within the context in which they are used. Unless otherwise expressly stated or unless the context clearly indicates a different intent, the following terms shall, for the purpose of this chapter, have the following meanings:

ABANDONED BUILDING: Any building or portion thereof which has stood with an incomplete exterior shell for six (6) months or longer (city's board up effort is disregarded when determining "completeness") which meets one (1) or more of the following criteria:

- A. Is unsecured; or
- B. Is unoccupied; or
- C. Is in violation of the International Property Maintenance Code, International Building Code, or International Fire Code adopted by the City of Davenport.

NEIGHBORHOOD SERVICES DIRECTOR Includes the neighborhood services director's designee.

VACANT BUILDING: Any building or portion thereof which has been unoccupied for a continuous period of time over twelve (12) months and which meets one or more of the following criteria:

- A. Unsecured;

- B. Secured by means other than those used in the design of the building;
- C. Declared a "dangerous building" as defined in Chapter 8.17;
- D. Unfit for occupancy as determined by the neighborhood services director;
- E. Noncompliant with the property maintenance code;
- F. Has housing, building, fire, health or zoning code violations;
- G. Open to vagrants, vandals, children or the unwary; or
- H. Not receiving service by public utilities.

8.18.020: Registration required.

No person or business shall maintain a vacant or abandoned building as defined by this chapter, in the City unless such person or business registers the abandoned or vacant building as provided in this chapter.

8.18.030 Registration.

A. The owner shall register a vacant or abandoned building with the city not later than thirty (30) calendar days after any building in the city becomes abandoned or vacant as defined in this chapter. Failure to register an abandoned or vacant building or providing false information to the city shall be a violation of this chapter.

B. The registration shall include the following information:

1. A description of the premises;
2. The names and addresses of the owner or owners;
3. The names and addresses of all known lien holders and all other parties with an ownership interest in the building;
4. The name of the agent designated to act on the behalf of an out of town property owner to accept legal processes and notices, and to authorize repairs as required; and
5. The period of time the building is expected to remain vacant and/or a plan and timetable to comply with applicable city codes.

8.18.040 Fees.

The owner of a vacant or abandoned building shall pay an annual fee as established, from time to time, by resolution of the city council, and said fee shall be paid in full prior to the issuance of any permits or acceptance of the registration form for the subject property.

8.18.050 Terms.

A. Every registration is for the period of one year and shall be effective from July 1 to and through the following June 30.

B. The registration may be renewed and remain effective for successive periods of one (1) calendar year unless sooner revoked at any time by the neighborhood services director for noncompliance with any applicable provisions of this code. The owner shall keep the required information current and up to date.

C. Registrations may be transferred from one person or business to another, provided notice of the transfer is given in writing within five (5) working days of the transfer.

D. Registrations shall not be transferable from one building to another.

E. Every person or business holding a registration shall give notice in writing to the city within five (5) working days after having transferred or otherwise disposed of the legal control of the registered building. Such notice shall include the name and address of the persons or businesses succeeding to the ownership or control of such building.

8.18.060 Inspections.

The owner shall allow inspection of the building by city representatives upon request and shall allow annual inspection of the interior and exterior of the premises for the purpose of enforcing and assuring compliance with the provisions of this chapter and the Housing, Building and Fire Codes.

8.18.070 Issuance and renewal criteria.

The city is hereby authorized to issue and renew vacant or abandoned building registrations for specific buildings, in the names of the applicant owners, operators or managers, provided the following criteria are met:

A. The building to be registered is warranted by the owner or operator to substantially comply with applicable provisions of the city code.

B. The owner or operator legally authorized and responsible for maintenance of the building to be registered shall first make application therefor using the city's application.

C. All fees required by this code pursuant to the issuance of a vacant or abandoned building license are paid in full to the city.

D. The applicant shall designate a responsible agent to represent the owner/operator whenever the said applicant is not available for maintenance of the building sought to be registered. Said agent shall have full authority and responsibility, the same as the owner/operator, for maintaining the building.

8.18.080 Renewal and penalty for failure to renew.

An application for renewal of a registration for a vacant or abandoned building may be made within sixty (60) days prior to the expiration of an existing registration. Application for renewal shall be due on July 1. Application may be made and registration fees paid until July 31 without penalty. Each day that the owner fails to renew such registration as required by this chapter shall constitute a separate violation for which a municipal infraction citation may be issued.

8.18.090 Revocation, reinstatement

If a vacant or abandoned building registration is revoked by the city for noncompliance with any applicable provisions of the code, the owner/operator of the building shall be given thirty (30) days to comply with the provisions of this code. Extensions of such thirty (30) day period may be granted at the discretion of the neighborhood services director. Upon expiration of the thirty (30) day period, or any extension thereof, if the building continues to be noncompliant, the registration is deemed revoked. The revocation may be appealed in accordance with Chapter 2.86.

8.18.100 Relationship of registration to other code provisions.

The issuance of any registration for any vacant or abandoned building shall not in any way signify or imply that the building conforms with the Iowa state building code or the housing, building, property maintenance, zoning, fire ordinances or other codes and ordinances adopted by the city. The issuance of a registration shall not relieve the owner or operator of the responsibility for compliance with said codes and ordinances.

Section 36. That Chapters 8.20, 8.24, 8.28, 8.32, and 8.36 are hereby deleted in their entirety and are to be noted as “Reserved.”

Section 37. That Section 8.50.010 is hereby amended to read as follows:

8.50.010 Purpose.

The purpose of this chapter is to provide standards to regulate and control the use, location and installation of outdoor security lights within the city so that such lights will not be detrimental to the use, peaceful enjoyment and value of other land and will not be detrimental to the public health, safety, and welfare.

Section 38. That Subsection 8.50.040(C) is hereby amended to read as follows:

C. So long as the light intensity as measured at the complainant’s property line does not exceed one foot candle, the light shall not be found to violate subsections A or B above. However, any light source as described in A or B above that exceeds one foot candle at the complainant’s property line is prohibited.

Section 39. That Section 8.50.070 is hereby amended to read as follows:

8.50.070 Enforcement and appeal.

The neighborhood services department or public works department shall have the authority to inspect the installation of outdoor security lights for compliance with this chapter, order remedial changes for non-conforming outdoor security lights and generally ensure and enforce the intentions of this chapter. The enforcement authority shall give notice of violations of this chapter by certified mail or personal service and such notices may be appealed pursuant to Section 2.86.020 of the city code. If a request for appeal is filed a hearing shall be scheduled and held pursuant to Chapter 2.86 of the city code. If a timely request for appeal is not filed the order or decision of the division shall be deemed conclusively presumed to be true and the person to whom it was directed shall be deemed to have waived all right to challenge said order or decision.

Section 40. That Section 8.50.072 is hereby amended to read as follows:

8.50.072 Variances - General.

The city engineer may grant such variance upon such terms and conditions as he may find reasonable if he finds that the provisions of the ordinance sought to be varied constitute an undue hardship upon the applicant and occupants of immediately neighboring residential property have waived in writing the application of said Section 8.50.040.

Section 41. That Section 8.50.073 is hereby amended to read as follows:

8.50.073 Variances - Duration.

All variances shall be temporary, and at any time may be altered, amended, or removed by the city engineer after giving written notice of intention to do so to the owner and possessor of the property upon which said light is located. Said notice shall be given by ordinary mail addressed to such persons at their last known address at least fourteen days before the engineer proposes to take such action and shall state the nature of the action proposed to be taken.

Section 42. That Section 8.50.090 is hereby amended to read as follows:

8.50.090 Penalties.

Any person, firm or corporation violating or failing to comply with any of the provisions of this chapter shall be guilty of a municipal infraction. Fines for a violation are: \$100 for a first offense; \$200 dollars for a second offense; and \$500 for third or subsequent offense. A separate and distinct offense shall be regarded as committed each day on which such person or entity continues such violation.

Section 43. That Subection 8.08.090(B) is hereby amended to read as follows:

B. Time of Placement and Removal. Refuse and yard waste containers shall not be placed at the point of collection earlier than 7:00 p.m. on the day before the collection day or later than 7:00 a.m. on the day of collection. Containers shall be promptly removed from the point of collection after the refuse has been collected. In no event, shall the customer allow refuse containers to remain at the point of collection past

midnight on the day of collection. Further, containers shall not be located anywhere within a front yard between the day of collection and the day prior to collection. A "front yard" is any portion of a yard located between the extended line that runs parallel to and demarks the residential building's wall nearest an abutting street and the abutting street. A house which abuts multiple streets will have multiple front yards.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed as are any motions or resolutions of council that purport to give authority to a council standing committee to make a determination as all such determinations shall henceforth be made by the city council.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Honorable Mayor and City Council
City Hall – Davenport IA 52801

Honorable Mayor and City Council:

At its regular meeting of July 31, 2018, the City Plan and Zoning Commission considered Case F18-10: Request of Riverstone Group Inc. for a final plat of Crow Valley Plaza Twelfth Addition on 14.67 acres, more or less, being a replat of Lot 1 of Crow Valley Plaza Tenth Addition located along the north side of East 56th Street and north of Lakeview Parkway containing two (2) lots. [Ward 6]

Findings

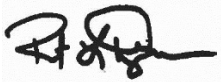

- The proposed preliminary plat facilitates the sale and proposed development of the property.
- The proposed preliminary plat generally complies with Davenport+2035: Comprehensive Plan for the City.

Staff recommends the City Plan and Zoning Commission forward Case No. F18-10 the preliminary plat to the City Council for approval.

The Plan and Zoning Commission accepted the findings and forwards case P18-10 to the City Council with a recommendation for approval, subject to meeting Municipal Code Chapter 13.34. Stormwater Management.

The Commission vote for approval was: 10-yes, 0-no and no-abstentions.

Respectfully submitted,

Robert Inghram, Chairperson
City Plan and Zoning Commission

BACKGROUND

Comprehensive Plan:

Within Urban Service Area (USB35): Yes
Proposed Land Use Designation: RG - Residential General

Residential General (RG) - Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Relevant *Davenport+2035* Goals and Objectives:

- 1. Strengthen the existing built environment.*
- 2. Identify and reserve land for future development*

Technical Review:

Streets. No new streets are proposed with this request.

Storm Water. The plat will need to conform to any requirements of the City of Davenport Natural Resources Division.

Sanitary Sewer. Sanitary sewer service is located along the street. No new service will be required.

Other Utilities. This is an urban area and normal utility services are available.

Parks/Open Space. No park shall be required with this infill development.

DISCUSSION

Planning Staff has reviewed this plat and confirmed that the plat generally conforms to the requirements of the subdivision code.

FINDINGS & RECOMMENDATION

Findings:

- The proposed plat facilitates the sale and proposed development of the property.
- The proposed plat generally complies with Davenport+2035: Comprehensive Plan for the City.

Staff recommends the Plan and Zoning Commission accept the findings and forward Case No. F18-10 to the City Council for approval, subject to meeting Municipal Code Chapter 13.34. Stormwater Management.

Subject: City Plan and Zoning Commission action on agenda item

Dear Sirs:

Please find attached a copy of the Commission's letter of recommendation regarding your agenda item. Also enclosed with this mailing is the calendar for the processing of this item through the City Council.

A preliminary subdivision plat is a resolution requiring only one (1) consideration, ***however a subdivision plat is not submitted to City Council for their consideration until all required certificates, the signed/corrected plat, and any other required fee is submitted.***

You may verify these dates on the attached calendar by calling 563-326-7765. Once the plat is correct and/or has the signed certificates, this will go to council. We will be following the items as they are processed through City Council; therefore, you may also call on us to find out the current status as processing continues.

If you have any questions regarding the Commission's recommendation please call me at sek@ci.davenport.ia.us.

Respectfully,

Honorable Mayor and City Council
City Hall – Davenport IA 52801

Honorable Mayor and City Council:

At its regular meeting of July 31, 2018, the City Plan and Zoning Commission considered Case F18-10: Request of Riverstone Group Inc. for a final plat of Crow Valley Plaza Twelfth Addition on 14.67 acres, more or less, being a replat of Lot 1 of Crow Valley Plaza Tenth Addition located along the north side of East 56th Street and north of Lakeview Parkway containing two (2) lots. [Ward 6]

Findings

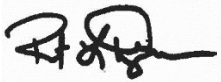

- The proposed preliminary plat facilitates the sale and proposed development of the property.
- The proposed preliminary plat generally complies with Davenport+2035: Comprehensive Plan for the City.

Staff recommends the City Plan and Zoning Commission forward Case No. F18-10 the preliminary plat to the City Council for approval.

The Plan and Zoning Commission accepted the findings and forwards case P18-10 to the City Council with a recommendation for approval, subject to meeting Municipal Code Chapter 13.34. Stormwater Management.

The Commission vote for approval was: 10-yes, 0-no and no-abstentions.

Respectfully submitted,

BACKGROUND

Comprehensive Plan:

Within Urban Service Area (USB35): Yes
Proposed Land Use Designation: RG - Residential General

Residential General (RG) - Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Relevant *Davenport+2035* Goals and Objectives:

- 1. Strengthen the existing built environment.*
- 2. Identify and reserve land for future development*

Technical Review:

Streets. No new streets are proposed with this request.

Storm Water. The plat will need to conform to any requirements of the City of Davenport Natural Resources Division.

Sanitary Sewer. Sanitary sewer service is located along the street. No new service will be required.

Other Utilities. This is an urban area and normal utility services are available.

Parks/Open Space. No park shall be required with this infill development.

DISCUSSION

Planning Staff has reviewed this plat and confirmed that the plat generally conforms to the requirements of the subdivision code.

FINDINGS & RECOMMENDATION

Findings:

- The proposed plat facilitates the sale and proposed development of the property.
- The proposed plat generally complies with Davenport+2035: Comprehensive Plan for the City.

Staff recommends the Plan and Zoning Commission accept the findings and forward Case No. F18-10 to the City Council for approval, subject to meeting Municipal Code Chapter 13.34. Stormwater Management.

Subject: City Plan and Zoning Commission action on agenda item

Dear Sirs:

Please find attached a copy of the Commission's letter of recommendation regarding your agenda item. Also enclosed with this mailing is the calendar for the processing of this item through the City Council.

A preliminary subdivision plat is a resolution requiring only one (1) consideration, ***however a subdivision plat is not submitted to City Council for their consideration until all required certificates, the signed/corrected plat, and any other required fee is submitted.***

You may verify these dates on the attached calendar by calling 563-326-7765. Once the plat is correct and/or has the signed certificates, this will go to council. We will be following the items as they are processed through City Council; therefore, you may also call on us to find out the current status as processing continues.

If you have any questions regarding the Commission's recommendation please call me at sek@ci.davenport.ia.us.

Honorable Mayor and City Council
City Hall – Davenport IA 52801

Honorable Mayor and City Council:

At its regular meeting of July 31, 2018, the City Plan and Zoning Commission considered Case F18-10: Request of Riverstone Group Inc. for a final plat of Crow Valley Plaza Twelfth Addition on 14.67 acres, more or less, being a replat of Lot 1 of Crow Valley Plaza Tenth Addition located along the north side of East 56th Street and north of Lakeview Parkway containing two (2) lots. [Ward 6]

Findings

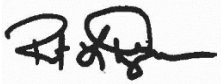

- The proposed plat facilitates the sale and proposed development of the property.
- The proposed plat generally complies with Davenport+2035: Comprehensive Plan for the City.

Staff recommends the City Plan and Zoning Commission forward Case No. F18-10 to the City Council for approval.

The Plan and Zoning Commission accepts the findings and forwards case P18-10 to the City Council with a recommendation for approval, subject to meeting Municipal Code Chapter 13.34. Stormwater Management.

The Commission vote for approval was: 10-yes, 0-no and no-abstentions.

Respectfully submitted,

Honorable Mayor and City Council
City Hall – Davenport IA 52801

Honorable Mayor and City Council:

At its regular meeting of July 31, 2018, the City Plan and Zoning Commission considered Case F18-10: Request of Riverstone Group Inc. for a final plat of Crow Valley Plaza Twelfth Addition on 14.67 acres, more or less, being a replat of Lot 1 of Crow Valley Plaza Tenth Addition located along the north side of East 56th Street and north of Lakeview Parkway containing two (2) lots. [Ward 6]

Findings

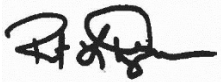

- The proposed preliminary plat facilitates the sale and proposed development of the property.
- The proposed preliminary plat generally complies with Davenport+2035: Comprehensive Plan for the City.

Staff recommends the City Plan and Zoning Commission forward Case No. F18-10 the preliminary plat to the City Council for approval.

The Plan and Zoning Commission accepted the findings and forwards case P18-10 to the City Council with a recommendation for approval, subject to meeting Municipal Code Chapter 13.34. Stormwater Management.

The Commission vote for approval was: 10-yes, 0-no and no-abstentions.

Respectfully submitted,

Robert Inghram, Chairperson
City Plan and Zoning Commission

Subject:

Third Consideration: Ordinance amending the boundaries and exemption schedules of the Central City and North Urban Revitalization Areas. [All Wards]

Recommendation:
Adopt the ordinance.

Relationship to Goals:
Welcoming Neighborhoods

Background:

The Urban Revitalization Tax Exemption (URTE) program is made available through Chapter 404 of the Code of Iowa. This program allows a municipality to designate a geographic area in which new investments that ordinarily would result in increases in the value of real estate for tax purposes to be exempted for a defined period of time. This is intended to provide an incentive for new development or redevelopment by reducing or removing any disincentive which the expected increase in real estate taxes may have in making those investments.

On April 24, 2018 the City Council met at a work session to discuss updates to the URTE program. Per Iowa Code, notices of the upcoming changes and public hearing were sent out to all registered deed holders in the affected area. A public hearing was held at the July 3, 2018 City Council Committee-of-the-Whole meeting.

Changes to the URTE program for the North Area include:

Merging the northern 2013 URTE area into the North area

- Addition of commercial and industrial properties into the North area
- Setting the following tax exemption schedules for residential, multi-residential, commercial and industrial:
 - 3 Year, 100% exemption
 - 10 year sliding scale, 80%, 70%, 60%, 50%, 40%, 40%, 30%, 30%, 20%, 20% exemption

Changes to the URTE program for the Central City include:

- Merging the southern 2013 URTE area into the Central City area
- Setting the following exemption schedules for commercial and industrial
 - 3 Year, 100% exemption
 - 10 year sliding scale, 80%, 70%, 60%, 50%, 40%, 40%, 30%, 30%, 20%, 20% exemption
- Setting the following exemption schedule for residential and multi-residential
 - 10 years: 100% exemption

This ordinance approves the geographic boundaries and new schedules for the North and Central City area.

ORDINANCE NO.

ORDINANCE amending the boundaries and exemption schedules of the Central City and North Urban Revitalization Areas.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

WHEREAS, Section 404.1 of the Code of Iowa provides the authority for a local governing body to designate an area as an urban revitalization area when said area is deemed to meet the conditions of an economic development area as defined in Section 403.17, which is therein defined as an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development; and,

WHEREAS, the area proposed and described in the Davenport 2018 Urban Revitalization Area Plan for Central City & North Areas is such an area; and,

WHEREAS, the Davenport 2018 Urban Revitalization Area Plan for Central City & North Areas (hereinafter "Plan") was drafted and presented for public comment with written notification mailed to all owners of real property within the proposed expanded area and published a notice of a public hearing that was held on July 3, 2018; and,

NOW, THEREFORE, be it enacted by the City Council of the City of Davenport, Iowa:

The boundaries and exemption schedules for the Davenport 2018 Urban Revitalization Areas be approved.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

**Davenport 2018 Urban Revitalization Area Plan for Central City & North Areas
May 2018**

Proposed for Public Hearing on July 3, 2018

Introduction

The Urban Revitalization Act, Chapter 404 of the Code of Iowa, is intended to encourage development, redevelopment and revitalization within designated areas of the City by authorizing property tax development incentives to the private sector. Qualified real estate within a designated area may be eligible to receive a total or partial exemption from property taxes on improvements for a specified number of years with the goal of encouraging new construction or rehabilitation which might not otherwise occur.

Section 404.2 of the Code of Iowa requires that a city prepare a plan to govern activities within the proposed revitalization area, and the balance of this document is intended to set out the elements of a plan that are mandated by state law.

This plan affirms a crucial partnership between the private and public sectors. This document establishes the framework and procedures for the public sector to modify its power to tax real property in order to encourage private reinvestment in the portions of Davenport where the need is greatest.

Effective Date

The provisions of the Plan shall be effective as of the date the City council has approved and published the ordinance designating the boundaries of the Davenport 2018 Urban Revitalization Area Plan for Central City & North Areas.

Goals and Purposes

The general goals and purposes to be addressed within the Davenport 2018 Urban Revitalization Area Plan for Central City & North Areas are as follows:

1. To encourage private investment and reinvestment within targeted areas of the city and thus improve the stability, economic vitality, and living environment of these areas.
 1. To encourage the preservation of existing and the expansion of new housing within the URA
 2. To encourage business growth and redevelopment within the URA
2. To encourage the rehabilitation of structures that are deficient with respect to building, housing and fire code standards.
3. To use the incentives set forth in this plan, together with other economic development programs of the City to achieve increased assistance for projects which otherwise would not occur.
4. To implement the exemptions and other benefits of this plan without unduly diminishing the City's tax revenues and its ability to provide necessary municipal services.

Legal Description

The boundaries of the Davenport 2018 Urban Revitalization Area Plan for Central City & North Areas are defined with the legal description of the entire area, which is provided in Attachment A to this plan.

Maps

As noted, a map depicting the new area is shown in Attachment B. Detailed maps showing existing parcels of real estate in the area are available in the Department of Community Planning and Economic Development, City Hall.

Designation Criteria

In accordance with Section 404.1 of the Act, the City Council has made the following determinations with respect to the Revitalization Area:

1. A portion of the property situated in the Revitalization Area is an area which, by reason of the presence of a substantial number of deteriorated or deteriorating structures, deterioration of site or other improvements, and a combination of these and other factors, substantially impairs or arrests the sound growth of the City, constitutes an economic and social liability and is a menace to the public welfare in its present condition and use; and
2. A portion of the property situated in the Revitalization Area is an area in which there is a predominance of building and improvements which, by reason of age, history, architecture and significance, should be preserved and/or restored to productive use; and
3. The Revitalization Area is an area which is appropriate as an economic development area as defined in Section 403.17 of the Code of Iowa; and
4. The rehabilitation, redevelopment, economic development and promotion of housing and residential development in the Revitalization Area is necessary in the interest of the public welfare of the residents of the City and the Revitalization Area substantially meets the criteria set forth in Section 404.1 of the Act.
5. A portion of the property situated in the Revitalization Area is an area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

Assessed Valuation

The assessed valuation of the real estate for both land and buildings in the Davenport 2018 Urban Revitalization Area Plan for Central & North is available in the Department of Community Planning and Economic Development, City Hall.

Proposals for Improving or Expanding City Services in the Area

Pending proposals for the development or improvements to certain public facilities to be funded by the City and which will improve or expand services within the URA are included in the City's Capital Improvement Program. This report is available in the Department of Community Planning and Economic Development, City Hall.

Grant and Loan Programs Available Within the Urban Revitalization Area

Grant and loan programs are available to both housing and business owners in this area. Descriptions of programs supporting improvements to real property are available from the Department of Community Planning and Economic Development, City Hall.

Zoning

Existing zoning classifications and zoning district boundaries are available in the Department of Community Planning and Economic Development, City Hall.

Owners of Record

A list of the owners of record of real estate in the proposed additional area is on file in the Department of Community Planning and Economic Development, City Hall.

Applicability

The benefits of urban revitalization tax exemption as set forth in this plan are applicable to all classes of property in the area. Benefits are available both for rehabilitation of and additions to existing buildings, as well as new construction.

Duration

The area shall remain designated and the Plan in effect for an estimated period of ten (10) years after the adoption of the Plan; with the City Council having the option to extend the time period for a maximum of two (2) five (5)- year periods. Although it is presently the City's intent to have the Plan in effect for the ten (10) year base period and to present the opportunity for extension through the two five-year options, the City Council expressly reserves the right to repeal the Plan at any time.

When, in the opinion of the City Council, the desired level of revitalization has been attained or economic conditions are such that the continuation of the exemption granted by this Plan would cease to be of benefit to the City, the City Council may repeal the ordinance establishing the Urban Revitalization Area. In the event that the Revitalization Plan is repealed by the City Council, all existing tax exemptions shall continue until their expiration.

Provisions for Relocation

Among the objectives in revitalizing a targeted area is to promote a stable housing stock and strong economic base. In rehabilitating the present housing supply, these activities may cause a varying degree of displacement to tenants. It is the intent of this plan to discourage

displacement whenever possible. When displacement is unavoidable, it shall be done with minimum inconvenience and economic hardship to those being displaced.

The following provisions apply to the displacement and relocation of residential and business tenant of real estate for which the new investment is to be presented for consideration for conferring benefits under the provisions of this plan, particularly the Urban Revitalization Tax Exemption program described more fully later in this document.

Agency Responsible for Administering Relocation Activities

The City of Davenport Department of Community Planning and Economic Development will be responsible for the monitoring of the relocation program. The City's role in relocation will be to provide technical assistance, financial compensation in some cases, and social service referrals to those in need of relocation assistance.

Who is Eligible for Relocation?

A "qualified tenant" shall mean the legal occupant of a residential dwelling unit or commercial or industrial structure within the targeted revitalization area and who has occupied the same unit continuously since one year prior to the City's adoption of the Plan.

If the City of Davenport goes through eminent domain proceedings to acquire any property from homeowners or business interests, it shall adhere to all relevant provisions of the applicable state law.

Any interest applying for Industrial Revenue Bonds must submit a suitable relocation plan to cover residential and business relocation compensation unless waived by tenant. The plan shall be approved by the City prior to issuance of the bonds.

Any small business that leases the building in which it operates, who is displaced for rehabilitation can receive assistance from the Community Planning and Economic Development Department in finding a suitable replacement location.

Any low-moderate income person (but not a "qualified tenant") who is displaced by substantial rehabilitation as determined by the City from the dwelling in which they were residing may be eligible for assistance through the Community Planning and Economic Development Department in accordance with the City's Relocation Program. (Examples of substantial rehabilitation include the shutting off of utilities for rehabilitation purposes, extensive interior rehabilitation purposes, extensive interior rehabilitation, etc.) Whenever possible, assistance to locate temporary housing will be made available.

"Low- and moderate-income persons" shall mean those persons within a household whose income is at or below the United States Housing and Urban Development standard as to the maximum allowable gross income level, as published by HUD from time to time.

Program Information

Information shall be provided by the owner, developer, or redeveloper to inform occupants within the targeted property of the benefits and assistance and grievance process. The program may include meetings, printed material, and media coverage. The information will be made available when the project is proposed. There will also be a conscientious attempt to inform tenant affected by displacement as a result of the tax exemption incentive prior to relocation.

Relocation Assistance to Families and Individuals ("Qualified Tenants")

1. Assistance. Qualified Tenants shall receive technical information and referrals to available housing from the City of Davenport Relocation Specialist.
2. Notification. Qualified Tenants shall receive thirty (30) days notice of the need to relocate by the property owner causing the displacement.
3. Payment. Qualified Tenants of residential units shall be eligible to receive compensation under the provisions of the City's Relocation Program to the extent they meet the requirements of that program and as provided by the financial parameters of that program at the time of relocation.
4. Responsibility of Payment. Relocation payments are the responsibility of property owners causing displacement as a condition or receiving tax exemption, except as provided in 3 above. Payment shall be made within ten business days of the notification of the tenant. Failure to do so will result in the forfeiture of the tax exemption.

Anyone displaced who is aggrieved by the determination as to eligibility or for the amount of relocation payment shall submit in writing the nature of the complaint to the Department of Community Planning and Economic Development, City Hall. The Director of Community Planning and Economic Development shall make a decision concerning the grievance within 30 days.

Tax Exemption

Definitions:

"Qualified Real Estate", as used in this plan, means real property, other than land, which is located in a designated revitalization area and to which improvements have been made during the time the area was so designated, which has increased the actual value by at least the amount specified in the following section of the plan. "Qualified Real Estate" with regard to the Davenport 2013 URA may also be new construction.

"Improvements" includes rehabilitation and additions to existing structures as well as new construction. However, new construction on land assessed as agricultural property shall not qualify as "improvements" unless the City Council has resented justification at a public hearing held pursuant to section 404.2 of the Code of Iowa for the revitalization of land assessed as

agricultural property by means of new construction. Such justification shall demonstrate in addition to the other requirements of this chapter that the improvement on the land assessed as agricultural land will utilize the minimum amount of agricultural land necessary to accomplish the revitalization of the other classes of property within the urban revitalization area.

“Actual Value Added by the Improvements” means the actual value added as of the first year for which the exemption was received.

Increase in Actual Value Requirements

1. Residential property: For property assessed as residential, there shall be no minimum increase in assessed value required for property tax exemption eligibility. Any dollar increase in actual value of such real estate shall qualify for the tax exemptions listed in this plan.
2. For property assessed other than residential, the improvements made to qualified real estate must increase the actual value of such real estate by at least ten (10) percent, in order to qualify for the tax exemptions provided in this plan.

Basis of Tax Exemption Central URTE Area:

1. All qualified industrial or commercial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:
 1. For the first year, eighty percent.
 2. For the second year, seventy percent.
 3. For the third year, sixty percent.
 4. For the fourth year, fifty percent.
 5. For the fifth year, forty percent.
 6. For the sixth year, forty percent.
 7. For the seventh year, thirty percent.
 8. For the eighth year, thirty percent.
 9. For the ninth year, twenty percent.
 10. For the tenth year, twenty percent.
2. All qualified industrial or commercial real estate is eligible to receive a one hundred percent exemption from taxation on the value added by the improvements. The exemption is for a period of three years.
3. All qualified residential and multi-residential real estate is eligible to receive a one hundred percent exemption from taxation on the value added by the improvements. The exemption is for a period of ten years.

Basis of Tax Exemption North URTE Area:

1. All qualified residential, multi-residential commercial or industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:
 1. For the first year, eighty percent.
 2. For the second year, seventy percent.
 3. For the third year, sixty percent.
 4. For the fourth year, fifty percent.
 5. For the fifth year, forty percent.
 6. For the sixth year, forty percent.
 7. For the seventh year, thirty percent.
 8. For eight year, thirty percent.
 9. For the ninth year, twenty percent.
 10. For the tenth year, twenty percent.
2. All qualified residential, multi-residential commercial or industrial real estate is eligible to receive a one hundred percent exemption from taxation on the value added by the improvements. The exemption is for a period of three years.

Procedures

1. Applicants for tax exemption must fill out a form prepared by city staff and available at the Department of Community Planning and Economic Development, City Hall, or at the City's website, www.cityofdavenportiowa.com. The application shall contain, but not be limited to, the following information: the nature of the improvements, the cost, the estimated or actual date of completion, the tenants currently occupying the structure, and which exemption schedule is selected.
2. All applications for tax exemption shall be due February 1 of the year in which the improvements resulting from the project are assessed for taxation.
3. An application shall be filed for each new exemption claimed.

The Davenport City Council, upon review and recommendation by city staff, shall approve the application, subject to review by the City Assessor, if the project is in conformance with the plan for revitalization developed by the City, is located within a designated revitalization area and if the improvements were made during the time the area was so designated. The City shall forward for review all approved applications to the City Assessor by March 1 of each year indicating which exemption schedule apply. Applications for exemption for succeeding years for approved applications shall not be required.

If the real estate is assessed other than residential, the City Assessor shall review each first year application to determine if the improvements made increased the actual value of the

qualified real estate by the requisite percentage. If the Assessor determines that the actual value of the real estate has increased by the requisite percent, the Assessor shall proceed to determine the revised actual value of the property and certify the revised valuation to the County Auditor at the time of transmitting the assessment rolls.

If the application for exemption is denied as a result of failure to sufficiently increase the value of the real estate as provided in this plan, the owner may file a first annual application in the subsequent year when the additional improvements are made to satisfy the requirements of this plan. After the tax exemption is granted, the City Assessor shall continue to grant the tax exemption, after annual physical review by the Assessor, for the appropriate time period. The tax exemptions for the succeeding years shall be granted without the taxpayer having to file an application for the succeeding years.

Projects determined by the City Council not to be in conformance with the revitalization plan or with the Comprehensive Plan of the City of Davenport will be denied the benefits of this plan.

Honorable Mayor and City Council
City Hall
Davenport IA 52801

Honorable Mayor and City Council:

At its regular meeting of September 4, 2018, the City Plan and Zoning Commission considered Case REZ18-12 being the request of Chris Townsend on behalf of Jimmy Holt, to rezone 1.43 acres, more or less, of property located at 3730 West Locust Street from "C-1" Neighborhood Commercial and "R-3" Moderate Density Dwelling District to "PDD" Planned Development District. [Ward 1]

Finding:

The use of the property would achieve consistency with the Residential General Davenport 2035 Future Land Use designation because the proposed design and conditions recommended by City staff would adequately safeguard surrounding residential development.

The Plan and Zoning Commission accepted the listed findings and forwards Case No. REZ18-12 to the City Council with a recommendation for approval subject to the following conditions:

1. That no self-storage units be located within 150 feet of the West Locust Street right-of-way;
2. That no self-storage unit overhead doors face West Locust Street;
3. That a six foot high fence be installed along the east, north and west property lines surrounding the self-storage unit development.

The Commission vote was 5 yes, 4 no and 0 abstention.

Respectfully submitted,

FINAL STAFF REPORT

Meeting Date: September 4, 2018
Request: Rezoning from "C-1" Neighborhood Commercial and "R-3" Moderate Density Dwelling District to "PDD" Planned Development District.
Address: 3730 West Locust Street.
Case: REZ18-12
Applicant: Chris Townsend on behalf of Jimmy Holt

Recommendation:

Staff recommends the Plan and Zoning Commission accept the listed finding and forward Case REZ18-12 to the City Council with a recommendation for approval subject to the three conditions.

Introduction:

The applicant is requesting to rezone to "PDD" Planned Development District to facilitate development of the property for self-storage units.

AREA CHARACTERISTICS:

Zoning Map

 Subject Property

Land Use Map

 Subject Property

Background:**Comprehensive Plan:**

Within Existing Urban Service Area: Yes

Within Urban Service Area 2035: Yes

Davenport 2035 Future Land Use Designation: Residential General

Residential General (RG) - Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.

Technical Review:

Streets. The development is proposed to only have access to West Locust Street.

Storm Water. The elevation of the property falls from south to north. It is unclear as to the location of the stormwater outfall. The development of the property would need to comply with the City stormwater ordinance.

Sanitary Sewer. No sanitary sewer is proposed with this development.

Other Utilities. Other normal utility services are available.

Parks/Open Space. The proposed rezoning does not impact any existing or planned parks or public open spaces.

Public Input:

A neighborhood meeting was held on August 6, 2018 Plan and Zoning Commission. Approximately 15 residents attended. The developer was present to answer questions concerning the proposed development. Members in the audience appeared supportive of the request.

City staff has received a few phone calls inquiring about the proposed development.

Discussion:**Request Summary:**

The applicant is requesting to rezone to "PDD" Planned Development District to facilitate development of the property for self-storage units.

Comprehensive Plan:

Davenport 2035 currently designates the subject property *Residential General*.

Davenport 2035 Residential General reads in part,

Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

The purpose of this language is to adequately safeguard surrounding residential development.

It is staff's opinion that West Locust Street is an edge where higher intensity may be considered. However, the development would extend approximately 620 feet north of West Locust Street, which would be further than an "edge".

It is staff's opinion that the use of the property would achieve consistency with the Residential General Future Land Use designation because the proposed design and conditions recommended by City staff would adequately safeguard surrounding residential development.

Proposed Land Use Plan:

"PDD" Planned Development District requires approval of the zoning and associated Land Use Plan and subsequent approval of a Final Development Plan.

The "PDD" Planned Development District requires a Land Use Plan to including the following (Section 17.32.050 of the Davenport City Code):

- A. *A drawing or set of drawings and other materials that include, but may not be limited to, the following:*
- 1. The existing land use and zoning surrounding the proposed development and the distance from the subject property line to the nearest structures on all abutting properties within two hundred feet of the perimeter of the site.*

Staff commentary: The proposed PDD Land Use Plan depicts the existing land use and zoning surrounding the proposed development.

- 2. The location of existing services, including: water, sanitary and storm sewer, electric, gas, streets, the capacity of those services and the service requirements of the development.*

Staff commentary: The proposed PDD Land Use Plan depicts the location of existing services. City staff waived the requirement that the capacity of those services and the service requirements of the development be provided as this will be reviewed during administrative site plan review.

- 3. The site constraints including:*
 - a. Slopes in excess of ten percent;*

Staff commentary: There are no slopes in excess of 10 percent.

- b. Drainage ways that carry water from abutting properties, drainage ways that drain areas on the site in excess of one acre and any area designated as a flood plain or floodway as defined in Chapter 15.44*

Staff commentary: The proposed PDD Land Use Plan depicts the drainage basin of the proposed development. Consistency with the City's stormwater ordinance would be reviewed during administrative site plan review.

- c. Soils that are unsuitable or require special treatment to support urban development as determined by the Soil Conservation Service Soil Survey. If unsuitable conditions are indicated field testing may be required.*

Staff commentary: A soils maps has not been provided. City staff waived the requirement that unsuitable soils been identified as this will be reviewed during administrative site plan review.

- 4. The total area in square feet of uses proposed for the site and the percentage of the site that is to be used for parking and building (impervious surface).*

Staff commentary: The proposed PDD Land Use Plan contains total area in square feet of uses proposed for the site and the percentage of the site that is to be used for parking and building as are as follows:

1. Storage units: 14,040 square feet
2. Parking and impervious surface area: 18,371 square feet
3. Greenspace and pervious surface area: 29,959 square feet

- 5. A two foot interval topographic map of the site on a scale base of one inch equals fifty feet or other scale as approved by the development official.*

Staff commentary: The proposed PDD Land Use Plan contains topographic data.

- 6. A traffic study which analyzes the aggregate trip generation to and from the site and the ability of the existing street system to accommodate the anticipated generation. Specific improvements should be proposed if the development causes the projected level of service to be less than level "C," as defined by the most recent version of the Highway Capacity Manual by the Transportation Research Board of The National Safety Research Council.*

Staff commentary: A traffic study has not been provided. City staff waived the requirement for a traffic study because the proposed use would generate a low amount of traffic.

The city council delegates authority to the city staff's development official to waive, at his or her discretion, any of the required submissions stated in Section 17.32.052A, 1 through Section 17.32.052A, 6 if the scale of the project, topography of the site or other reasons make them unnecessary. The city plan and zoning commission will be notified of any requirements that have been waived.

Staff Recommendation

Finding:

The use of the property would achieve consistency with the Residential General Davenport 2035 Future Land Use designation because the proposed design and conditions recommended by City staff would adequately safeguard surrounding residential development.

Staff recommends the Plan and Zoning Commission accept the listed finding and forward Case REZ18-12 to the City Council with a recommendation for approval subject to the following conditions:

1. That no self-storage units be located within 150 feet of the West Locust Street right-of-way;
2. That no self-storage unit overhead doors face West Locust Street;
3. That a six foot high fence be installed along the east, north and west property lines surrounding the self-storage unit development.

Honorable Mayor and City Council
City Hall
Davenport IA 52801

Honorable Mayor and City Council:

At its regular meeting of September 4, 2018, the City Plan and Zoning Commission considered Case REZ18-13 of Hawkeye Paving for the rezoning of 30.7 acres, more or less, of real property located at 8228 N. Fairmount Street (former Wacky Waters site) from A-1 Agricultural District to M-1 Light Industrial District to facilitate development of contractor headquarters, shop and equipment storage. [Ward: 2]

Findings:

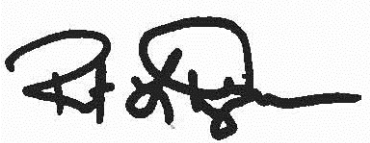

1. The proposed rezoning is consistent with the Comprehensive Plan.
2. The proposed use is consistent with adjacent uses/business to the north, east, and south.

Recommendation:

Staff recommends the Plan and Zoning Commission forward Case REZ18-13 to the City Council for approval.

The Commission vote was 8 yes, 0 no and 0 abstention.

Respectfully submitted,

Robert Inghram, Chairperson
City Plan and Zoning Commission

FINAL STAFF REPORT

Date: September 4, 2018
Request: Rezoning (A-1 to M-1)
Address: 8228 N Fairmount St
Case No.: REZ18-13
Applicant: Hawkeye Paving

Recommendation:

Staff recommends the Plan and Zoning Commission forward Case REZ18-13 to the City Council for approval.

Description:

Request REZ18-13 of Hawkeye Paving for the rezoning of 30.7 acres, more or less, of real property located at 8228 N. Fairmount Street (former Wacky Waters site) from A-1 Agricultural District to M-1 Light Industrial District to facilitate development of contractor headquarters, shop and equipment storage. [Ward: 2]

AREA CHARACTERISTICS:

Aerial

Zoning Map

Background:

Comprehensive Plan:

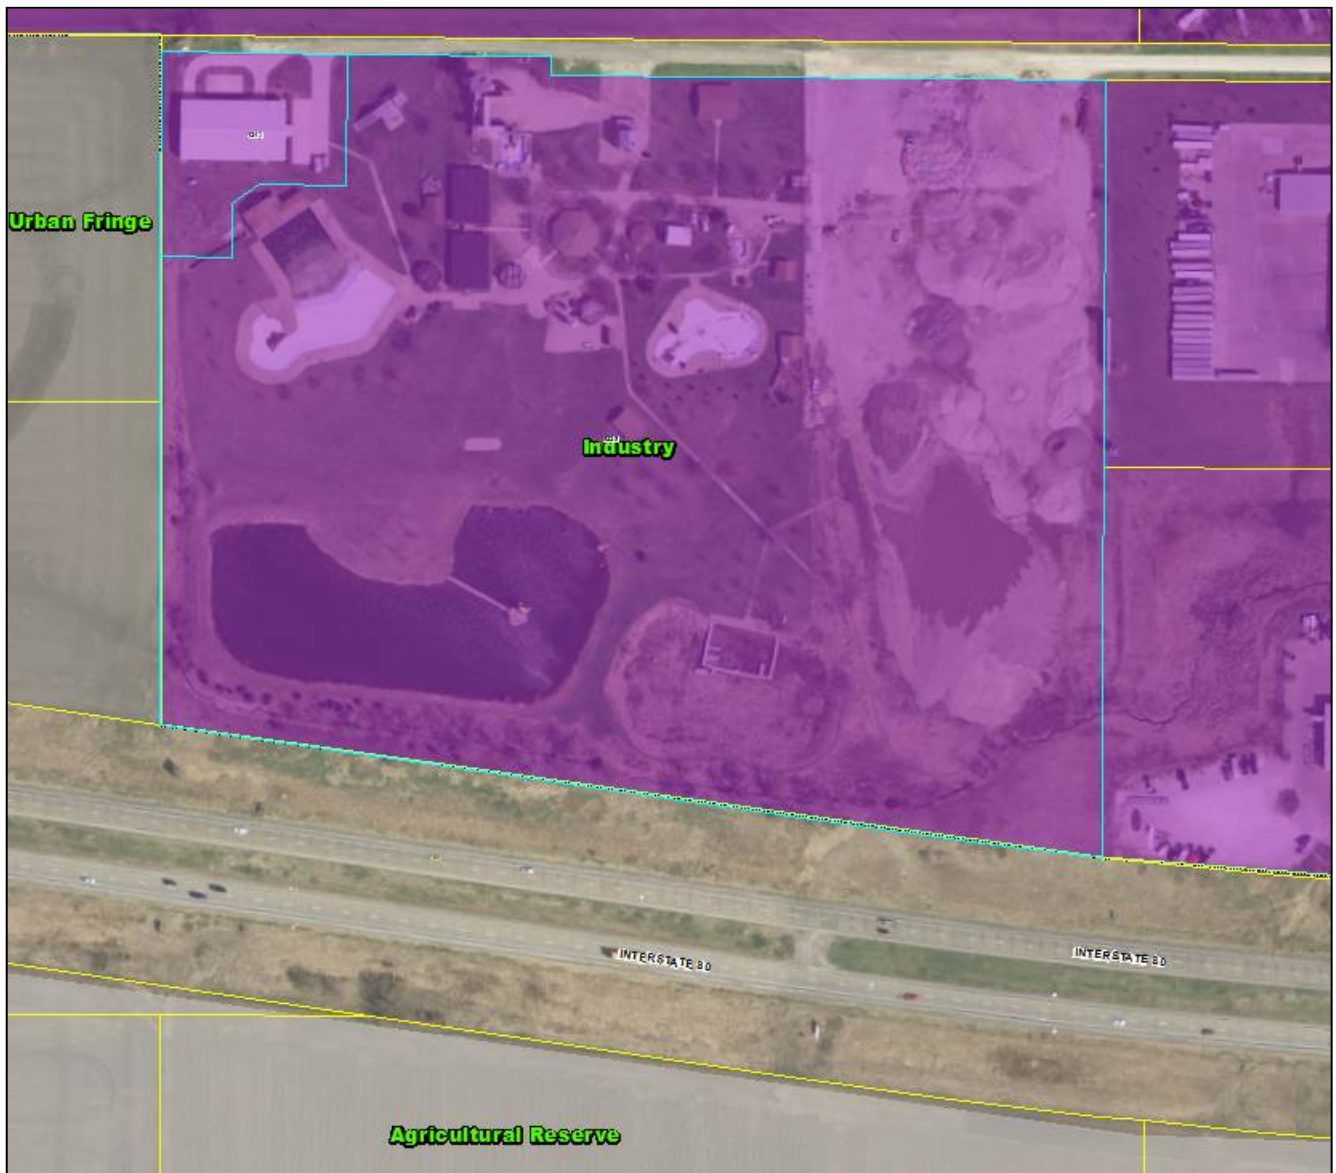

Within Existing Urban Service Area: Yes

Within Urban Service Boundary +2035: Yes

Future Land Use Designation:

Industry (I) - Designates areas devoted to manufacturing, assembly/fabrication, warehousing and distribution, research and technological innovation centers, and associated commercial/office uses developed at a scale as to warrant access to good transportation networks and separation or buffering from residential uses.

Land Use

Relevant Goals to be considered in this Case:
Fiscal Vitality

Technical Review:

Streets. No new streets are proposed. Access will remain the same.

Storm Water. No impact at this time. The site plan for the proposed building will be reviewed through regular permitting processes.

Sanitary Sewer. Sanitary sewer service is located on the site.

Other Utilities. This is an urban area and normal utility services are available.

Parks/Open Space. No impact.

The City technical review discovery did not ascertain any issues with the proposed rezoning or use.

Public Input:

The neighborhood meeting was held August 7, 2018. No adjacent property owner attended nor did any other general public attend. The Public Hearing for REZ18-13 was held August 14th, and no concerns were brought forward at that time.

Discussion:

The proposed rezoning (M-1) is consistent with the *Davenport+2035 Land Use Plan*, and is adjacent to other industrially zoned property. The proposed uses (contractor headquarters, shop and equipment storage) are allowed by right in the M-1 District.

Staff does not foresee any issues with the proposed rezoning that would necessitate mitigation. The proposed use and zoning are industrial which are proposed for an industrial area as it presently exists and as proposed on the Comprehensive Plan.

Staff Findings and Recommendation:**Findings:**

1. The proposed rezoning is consistent with the Comprehensive Plan.
2. The proposed use is consistent with adjacent uses/business to the north, east, and south.

Recommendation:

Staff recommends the Plan and Zoning Commission forward Case REZ18-13 to the City Council for approval.

Subject:
Resolution approving a development agreement for the 1606 Brady Project with developer, 1606 Brady Associates, L.P. (Newbury Living). [Ward 5]

Recommendation:
Approve the resolution.

Background:
Each year, the U.S. Department of Housing and Urban Development HUD allocates HOME investment Partnership (HOME) funding to the City. HOME funds have to be spent on housing projects/activities that benefit households at or below certain income levels and must be allocated on an ongoing basis or be repaid to HUD.

The Project, proposed by developer, Newbury Living (West Des Moines), involves the rehabilitation of the existing building placed in service in 1967 and designed by local architectural firm of Stewart-Robison-Laffan. The building was constructed by the Brenton Bank but was known at the time of its opening as the First National Bank. The building remained occupied by the bank with commercial office space in the floors above through ca. 1997, at which time it was purchased by the Davenport school district for use as district offices.

The developer has proposed the repurposing from office space to thirty-eight residential units. They will be efficiency and one-bedroom units designed primarily to be rented at market rates. The proposal includes six of the one-bedroom units to be funded by State HOME funds in the amount of \$840,000 with an additional two one-bedroom units to be assisted by City HOME funds for a total of eight affordable units at 80% of Median Family Income, which is approximately \$40,500 for a single person.

To assist with a financing gap, staff recommends in the attached development agreement up to a \$300,000 loan in HOME funding for the project.

Pending approval of the final financial underwriting, approval of the Development Agreement would authorize staff to execute the appropriate documents to commit the above sources of funding. The developer anticipates beginning site work by November 2018 and hopes to be complete by fall of 2019.

RESOLVED by the City Council of the City of Davenport.

RESOLUTION approving Development Agreement for the 1606 Brady Project.

WHEREAS, the State of Iowa, has awarded \$840,000 in HOME funding from the U.S. Department of Housing and Urban Development (HUD) to assist with the rehabilitation of six federally funded units as part of a thirty eight unit project with an estimated cost of 6.3 million located at 1606 Brady with the following legal description:

Part of Block 1 in Allen's Addition to the City of Davenport, Iowa more particularly described as follows: Beginning at a point in the East line of Main Street in the City of Davenport, Iowa which is 20 feet North of the Southwest corner of Block 1 of Allen's Addition to said City of Davenport; thence Northerly along the East line of said Main Street 140 feet; thence Easterly in straight line parallel to and 160 feet distant from the North line of West 16th Street to the West line of Brady Street; thence Southerly along the West line of Brady Street to a point 45 feet North of the intersection of the West line of Brady Street and the North line of West 16th Street; thence Southwesterly in a straight line to a point 20 feet North of the North line of West 16th Street and 50 feet West of the West line of Brady Street; thence Westerly along a line parallel to and 20 feet North of the North line of West 16th Street a distance of 293.29 feet more or less to the point of beginning; together with all of grantor's right, title and interest in and to the certain easement reserved in a quit claim deed from U.S.E. Contracts, Inc. to the City of Davenport, Iowa, dated March 18, 1964, filed June 6, 1964 and recorded in Book 278 of Deeds at page 486 in the office of the Recorder of Scott County, Iowa which easement covers the following described property: Commencing at the Southwest corner of said Block 1 of Allen's said Addition, thence East along the South line of said Block 1 a distance of 333.29 feet to a point 3 feet West of the Southeast corner of said Block 1; thence Northerly in a straight line 3 feet West of and parallel to the East line of said Block 1, a distance of 45 feet; thence Southwesterly in a straight line to appoint in a line 20 feet North of and parallel to the South line of said Block 1 and which point is 50 feet West of the Easterly boundary of the tract herein described; thence Westerly along a line parallel to and 20 feet North of the South line of said Block a distance of 283.29 feet more or less to a point in the West line of said Block 1 which is 20 feet North of the point of beginning thence South along the West line of said Block 1 a distance of 20 feet to the point of beginning.

Lots 9 and 10 in Block 4 in Allen's Addition to the City of Davenport, Scott County, Iowa as shown by plat recorded in Book R of Town Lot Deeds at page 58, records of Scott County, Iowa.

WHEREAS, the City has an interest in growing the density of the Hilltop Campus Village area and increasing the tax base; and

WHEREAS, the City has available HOME funds that must be obligated for certain eligible purposes and the Developer has applied for a \$300,000 loan in HOME funding from the City to bridge a gap in the funds and/or financing available for the project; and

WHEREAS, the developer has proposed the use of Federal and State Historic Tax Credits, and

WHEREAS, the project will need to meet final program and financial requirements.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport that contingent upon the aforementioned items, we approve the Development Agreement for this important project in our community, subject to Federal Regulations, City ordinances and the building permit process.

Subject:
Resolution approving the conveyance of five parcels located south of the Salvation Army building at the NW corner of 5th and Harrison conditioned upon closing sale of property. (Arsenal Properties, LLC, petitioner). [Ward 3]

Recommendation:
Approve the resolution.

Background:

In 1992, the U.S. Department of Housing and Urban Development (HUD) and the City executed a Settlement Agreement that provided for HUD to convey the Roosevelt Building (located at the SW corner of 6th and Harrison) to the Salvation Army. HUD agreed to transfer the property that contained the building and small piece of adjacent ground. In return, the Salvation Army agreed to use the building to provide shelter and social services to the homeless for a period of not less than 20 years.

At the end of the 20-year period (roughly October 2012), the City was to deed the remainder of the City-owned parcels on the block which was essentially the gravel parking lot area south of the Roosevelt Building. Since October 2012, the City has reached out to Salvation Army to start this conveyance; however, they had asked that the City wait until their long-term plans were solidified.

The Salvation Army has now determined that they wish to move out of the Roosevelt Building and have accepted a purchase agreement from the petitioner. In complying with the spirit of the HUD Settlement Agreement, the Salvation Army is asking that the City convey the parcels south of the building to the petitioner. Staff understanding is that the petitioner plans to renovate the building into apartments.

The Roosevelt Building was originally built around 1906 with 32-36 apartment units on part of the campus which previously hosted a brewery and a bottling company (the Frahm and Sons Brewing Company and the Davenport Malting Company) in the 1800s. The Salvation Army began operating in the building shortly after the 1992 HUD Settlement Agreement was signed. They intend to transfer this property to the petitioner in September/October.

A public hearing has been held in accordance with State Code. Approval of this resolution will direct staff to convey the City-owned portion of the parking lot (parcel #s G0054-15, G0054-40, G0054-41, G0054-42, and G0054-43) to the petitioner.

RESOLUTION NO.

Resolution offered by Alderman Gripp.

RESOLVED by the City Council of the City of Davenport.

RESOLUTION approving the conveyance of five parcels located south of the Salvation Army building at the NW corner of 5th and Harrison to Arsenal Properties, LLC (petitioner) [Ward 3].

WHEREAS, the City of Davenport is the legal owner of the real estate on the attached map and more particularly described below:

Original Town of Davenport, Block 32, part of Lots 5 and 6, commencing at the SE corner of Lot 5, thence Northerly along the West right-of-way line of Harrison Street 55 feet, thence Westerly 141 feet, thence southerly 55 feet, thence Easterly along the North right-of-way line of the public alley 141 feet to the point of beginning, all in the City of Davenport, Scott County, Iowa;

together with:

All of Lot 4 and part of Lot 3, Block 32, commencing at the SE corner of said Lot 4, thence Northerly along the West right-of-way line of Harrison Street 150 feet to the intersection with the South right-of-way line of the public alley, thence Westerly along the South right-of-way line of the public alley 130 feet, thence Southerly 150 feet to the intersection with the North right-of-way line of West 5th Street, thence Easterly along the North right-of-way line of West 5th Street to the point of beginning, all in the Original Town of Davenport, City of Davenport, Scott County, Iowa.

WHEREAS, an executed 1992 HUD Settlement Agreement obligates the City of Davenport to convey these properties to the Salvation Army or their designee once they've satisfied a 20-year requirement to provide shelter and social services to the homeless; and

WHEREAS, the Salvation Army has satisfied the 20-year requirement and desires to sell their building as well as these adjacent parcels to the petitioner; and

WHEREAS, a public hearing on the matter was held in accordance with State law.

NOW THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Davenport, Iowa, that the City Administrator and/or her designee are hereby authorized to execute all documents necessary to convey the above real estate to the petitioner (or their designee).

**IOWA DEPARTMENT OF TRANSPORTATION
AGREEMENT FOR CITY BRIDGE FEDERAL-AID SWAP FUNDING**

CITY: Davenport

PROJECT NO.: BHM-SWAP-1827(684)--SA-82

AGREEMENT NO.: 6-18-HBP-SWAP-017

This is an agreement between the City of Davenport, Iowa (hereinafter referred to as the Recipient) and the Iowa Department of Transportation (hereinafter referred to as the Department), for funding through the Federal-aid Swap City Highway Bridge Program (HBP) under 761 Iowa Administrative Code (IAC) Chapter 161.

The parties agree as follows:

1. The Recipient shall be the lead local governmental agency for carrying out this agreement.
2. All notices required under this agreement shall be in writing to the Department and the Recipient's contact person. The Department's contact person shall be the District 6 Local Systems Engineer. The Recipient's contact person shall be the Public Works Director.
3. The Recipient shall be responsible for the development and completion of the following bridge project:
 - A. FHWA Structure Number: 003250
 - B. Location: N. Division St. over Duck Creek
 - C. Preliminary Estimated Total Eligible Costs: \$750,000
4. The eligible project construction limits shall include the bridge plus grading and paving to reach a "touchdown point" determined by the Department. Eligible project costs include construction costs. Non-construction costs incurred for engineering, inspection, and right-of-way, may be applied towards the local match for Construction. Certain activities necessary to comply with Federal or State environment or permit requirements, including studies and mitigation of the project's environmental impacts, are also eligible. Costs associated with permitting and studies may be applied towards the local match for Construction. With prior approval of the Department utility relocations, construction of items related to mitigation activities, and Railroad activities that are associated with work inside the eligible project construction limits, but performed outside of the Prime Contractor's contract may be reimbursed as construction costs.
5. Costs associated with work outside the eligible project construction limits, routine maintenance activities, operations, and monitoring expenses are not eligible. In addition, administrative costs, and fees or interest associated with bonds or loans are not eligible.
6. 80% of the eligible construction project costs incurred after the effective date of this agreement shall be paid from Federal-aid Swap funds up to a maximum of \$1,000,000. At no time will the reimbursed amount exceed \$1,000,000. Non-construction costs related to the development of the construction project may be applied toward the 20% match required for the Recipient. Non-construction costs are identified in paragraph 4. Eligible non-construction costs may be used to decrease the 20% local match for Construction. Any reduction in the 20% local match for Construction will be reimbursable after the Prime Contractor's retainage is paid and the local Construction contract is closed. The maximum amount paid to the Recipient will be the total actual construction cost after non-construction costs are applied to the 20% match or \$1,000,000 whichever is less. The Recipient shall pay 100% of the non-eligible project costs. Reimbursed costs will be limited to state funds that are made available to cities through the County and City Bridge Construction Funds outlined in 761 Iowa Administrative Code, Chapter 161
7. The Recipient shall conduct project development and implementation in compliance with applicable laws, ordinances, and administrative rules. For projects which also include Farm-to-Market funds, the Recipient shall follow all administrative and contracting procedures required for Farm-to-Market projects.

8. The Recipient shall pay for all project costs not reimbursed with City Bridge Program funds.
 9. The project shall be let to contract within 3 years of the date this agreement is signed by the Department. If not, the Recipient may be in default, for which the Department may revoke funding commitments. This agreement may be extended for a period of 6 months upon receipt of a written request from the Recipient at least 30 days prior to the 3-year deadline.
 10. If any part of this agreement is found to be void and unenforceable then the remaining provisions of this agreement shall remain in effect.
 11. This agreement is not assignable without the prior written consent of the Department.
 12. It is the intent of both (all) parties that no third party beneficiary be created by this agreement.
 13. This agreement and the attached Exhibit 1 constitute the entire agreement between the Department and the Recipient. No representations, promises, or warranties have been made by either party that are not fully expressed in this agreement. Any change or alteration to the terms of this agreement must be made in the form of an addendum to this agreement which shall be effective only upon written acceptance of the Department and the Recipient.

EXHIBIT 1

General Agreement Provisions for use of Federal-aid Swap Funds on Non-primary Projects

Unless otherwise specified in this agreement, the Recipient shall be responsible for the following:

1. General Requirements.

- a. The Recipient shall take the necessary actions to comply with applicable State and Federal laws and regulations. To assist the Recipient, the Department has provided guidance in the Instructional Memorandums to Local Public Agencies (I.M.s), available on-line at: https://iowadot.gov/local_systems/publications/im/lpa-ims. The Recipient shall follow the applicable procedures and guidelines contained in the I.M.s in effect at the time project activities are conducted.
- b. In accordance with Iowa Code Chapter 216 and associated subsequent nondiscrimination laws and regulations, the Recipient shall not discriminate against any person on the basis of race, color, creed, age, sex, sexual orientation, gender identity, national origin, religion, pregnancy, or disability.
- c. The Recipient shall comply with the requirements of Title II of the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973 (Section 504), the associated Code of Federal Regulations (CFR) that implement these laws, and the guidance provided in I.M. 1.080, ADA Requirements. When pedestrian facilities are constructed, reconstructed, or altered, the Recipient shall make such facilities compliant with the ADA and Section 504.
- d. The Recipient agrees to indemnify, defend, and hold the Department harmless from any action or liability arising out of the design, construction, maintenance, placement of traffic control devices, inspection, or use of this project. This agreement to indemnify, defend, and hold harmless applies to all aspects of the Department's application review and acceptance process, plan and construction reviews, and funding participation.
- e. Termination of funds. Notwithstanding anything in this agreement to the contrary, and subject to the limitations set forth below, the Department shall have the right to terminate this agreement without penalty and without any advance notice as a result of any of the following: 1) The Federal government, legislature or governor fail in the sole opinion of the Department to appropriate funds sufficient to allow the Department to either meet its obligations under this agreement or to operate as required and to fulfill its obligations under this agreement; or 2) If funds are de-appropriated, reduced, not allocated, or receipt of funds is delayed, or if any funds or revenues needed by the Department to make any payment hereunder are insufficient or unavailable for any other reason as determined by the Department in its sole discretion; or 3) If the Department's authorization to conduct its business or engage in activities or operations related to the subject matter of this agreement is withdrawn or materially altered or modified. The Department shall provide the Recipient with written notice of termination pursuant to this section.

2. Programming

- a. The Recipient shall be responsible for including the project in the appropriate Regional Planning Affiliation (RPA) or Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP). The Recipient shall also ensure that the appropriate RPA or MPO, through their TIP submittal to the Department, includes the project in the Statewide Transportation Improvement Program (STIP). If the project is not included in the appropriate fiscal year of the STIP, funds cannot be obligated.
- b. Before beginning any work for which funding reimbursement will be requested, the Recipient shall submit a written request for acceptance to the Department. The Department will notify the Recipient when acceptance is granted. The cost of work performed prior to acceptance will not be reimbursed. The turning in of plans for letting by the Department's administering office shall be considered acceptance for construction. The Department will notify the Recipient when acceptance is granted.

3. Design and Consultant Services

- a. The Recipient shall be responsible for the design of the project, including all necessary plans, specifications, and estimates (PS&E). The project shall be designed in accordance with the design guidelines provided or referenced by the Department in the Guide and applicable I.M.s.

4. Environmental Requirements and other Agreements or Permits.

- a. The Recipient shall obtain project permits and approvals, when necessary, from the Iowa Department of Cultural Affairs (State Historical Society of Iowa; State Historic Preservation Officer), Iowa Department of Natural Resources, U.S. Coast Guard, U.S. Army Corps of Engineers, the Department, or other agencies as required. The Recipient shall follow the applicable procedures in the Instructional Memorandums to Local Public Agencies Table of Contents, Section 3.1 – Environmental Reviews and Permits.

5. Right-of-Way, Railroads, and Utilities.

- a. The Recipient shall acquire the project right-of-way, whether by lease, easement, or fee title, and shall provide relocation assistance benefits and payments in accordance with the procedures set forth in I.M. 3.600, Right-of-Way Acquisition, and the Department's Office of Right of Way Local Public Agency Manual. The Recipient shall contact the Department for assistance, as necessary, to ensure compliance with the required procedures.
- b. If a railroad crossing or railroad tracks are within or adjacent to the project limits, the Recipient shall obtain agreements, easements, or permits as needed from the railroad. The Recipient shall follow the procedures in I.M. 3.670, Work on Railroad Right-of-Way.
- c. The Recipient shall obtain agreements from utility companies as needed. The Recipient shall comply with the "Policy for Accommodating Utilities on the County and City a Non-Primary Federal-aid Road System" for projects on non-primary Federal-aid highways. For projects connecting to or involving some work inside the right-of-way for a primary highway, the Recipient shall follow the Department's "Policy for Accommodating and Adjustment of Utilities on the Primary Road System" The Recipient should also use the procedures outlined in I.M. 3.640, Utility Accommodation and Coordination, as a guide to coordinating with utilities.

6. Contract Procurement.

- a. The following provisions apply only to projects involving physical construction or improvements to transportation facilities:
- b. The project plans, specifications, and cost estimate (PS&E) shall be prepared and certified by a professional engineer or architect, as applicable, licensed in the State of Iowa.
- c. The Recipient shall be responsible for the following:
 - i. Prepare and submit the PS&E and other contract documents to the Department for review and acceptance in accordance with I.M. 3.700, Check and Final Plans and I.M. 3.500, Bridge or Culvert Plans, as applicable.
 - ii. The contract documents shall use the Department's Standard Specifications for Highway and Bridge Construction. Prior to their use in the PS&E, specifications developed by the Recipient for individual construction items shall be approved by the Department.
 - iii. Follow the procedures in I.M. 5.030, Iowa DOT Letting Process, to analyze the bids received; make a decision to either award a contract to the lowest responsive bidder or reject all bids; and if a contract is awarded, execute the contract documents and return to Department.

Note: The Department may not be able to allow a project to be let in the scheduled letting due to possible issues with cash flow availability.

- d. The Recipient shall forward a completed Project Development Certification (Form 730002) to the Department in accordance with I.M. 5.050, Project Development Certification Instructions. The project will not be turned in for bid letting until the Department has reviewed and approved the Project Development Certification.
- e. If the Recipient is a city, the Recipient shall comply with the public hearing requirements of the Iowa Code section 28.12.

- f. The Recipient shall not provide the contractor with notice to proceed until after receiving written notice that the Department has concurred in the contract award.

7. Construction.

- a. The Recipient shall follow the procedures in I.M. 6.000, Construction Inspection, and the Department's Construction Manual, as applicable, for conducting construction inspection activities. The Recipient's engineer shall at all times be responsible for inspection of the project.
- b. A full-time employee of the Recipient shall serve as the person in responsible charge of the construction project. For cities that do not have any full time employees, the mayor or city clerk will serve as the person in responsible charge, with assistance from the Department.
- c. Traffic control devices, signing, or pavement markings installed within the limits of this project shall conform to the "Manual on Uniform Traffic Control Devices for Streets and Highways" per 761 IAC Chapter 130. Proper protective measures and devices such as fences, barricades, signs, flood lighting, and warning lights as needed.
- d. The project shall be constructed under the Department's Standard Specifications for Highway and Bridge Construction and the Recipient shall comply with the procedures and responsibilities for materials testing according to the Department's Materials I.M.s. Available on-line at: <https://www.iowadot.gov/erl/index.html>.
- e. If the Department provides any materials testing services to the Recipient, the Department will bill the Recipient for such testing services according to its normal policy as per Materials I.M. 103.

8. Reimbursements.

- a. The Recipient will be initially responsible for all project costs. After costs have been incurred, the Recipient shall submit to the Department periodic itemized claims for reimbursement for eligible project costs. Requests for reimbursement shall be made at least semi-annually but not more than bi-weekly.
- b. To ensure proper accounting of costs, reimbursement requests for costs incurred prior to June 30 shall be submitted to the Department by August 1, if possible, but no later than August 15.
- c. Reimbursement claims shall include a certification that all eligible project costs, for which reimbursement is requested, have been reviewed by an official or governing board of the Recipient, are reasonable and proper, have been paid in full, and were completed in substantial compliance with the terms of this agreement.
- d. The Department will reimburse the Recipient for properly documented and certified claims for eligible project costs. The Department may withhold up to 5% of the total funds available for the project. Reimbursement will be made either by State warrant or by crediting other accounts from which payment was initially made. If, upon final review or audit selected by the Administering Office, the Department determines the Recipient has been overpaid, the Recipient shall reimburse the overpaid amount to the Department. After the final review is complete and after the Recipient has provided all required paperwork, the Department will release the funds withheld.
- e. The total funds collected by the Recipient for this project shall not exceed the total project costs. The total funds collected shall include any funds received; for example, Federal funds not received through FHWA, any special assessments made by the Recipient (exclusive of any associated interest or penalties) pursuant to Iowa Code Chapter 384 (cities) or Chapter 311 (counties), proceeds from the sale of excess right-of-way, and any other revenues generated by the project. The total project costs shall include all costs that can be directly attributed to the project. In the event that the total funds collected by the Recipient do exceed the total project costs, the Recipient shall either:
 - i. in the case of special assessments, refund to the assessed property owners the excess special assessments collected (including interest and penalties associated with the amount of the excess), or
 - ii. refund to the Department all funds collected in excess of the total project costs (including interest and penalties associated with the amount of the excess) within 60 days of the receipt of any excess funds.

9. Project Close-out.

- a. Acceptance of the completed construction shall be with the concurrence of the Department. Within 30 days of completion of construction or other activities authorized by this agreement, the Recipient shall provide written notification to the Department. The Recipient shall follow and request a final review, in accordance with the procedures in I.M. 6.110, Final Review, Audit, and Close-out Procedures for Federal-aid Projects. Failure to comply with the procedures may result in loss of funds and the ability to let future projects through the Department; reimbursed funds shall be returned and a possible suspension may be placed on the Recipient from receiving funds from the Department on future projects until the Recipient has demonstrated responsible management of funds on roadway projects.
- b. For construction projects, the Recipient shall provide a certification by a professional engineer, architect, or landscape architect as applicable, licensed in the State of Iowa, indicating the construction was completed in substantial compliance with the project plans and specifications.
- c. Final reimbursement of funds shall be made only after the Department accepts the project as complete.
- d. The Recipient shall maintain all books, documents, papers, accounting records, reports, and other evidence pertaining to costs incurred for the project. The Recipient shall also make this documentation available at all reasonable times for review by the Department. Copies of this documentation shall be furnished by the Recipient if requested. Such documentation shall be retained for at least 3 years from the date of the Department's signature of the Department's Statement of Completion and Final Acceptance of Work (Form 830435) or the Certificate of Completion and Final Acceptance of Agreement Work (Form 640003).
- e. The Recipient shall maintain, or cause to be maintained, the completed improvement in a manner acceptable to the Department.

Subject:
Motion awarding a blanket contract for the purchase of calcium chloride from Jerico Services, Inc. of Indianola, IA. [All Wards]

Recommendation:
Approve the Motion.

Background:
A Request for Bids was issued on August 15, 2018 and was sent to 91 vendors. On September 5, 2018 the Purchasing Division received and opened four responsive and responsible bids.

The city has a requirement for 32% solution liquid calcium chloride to be delivered to the city for the upcoming winter season. The estimated quantity is up to 100,000 gallons or \$63,000 depending on weather.

Funding for this purchase is from Road Use Tax.
