Section 2. That the following findings and conditions are hereby imposed upon said rezoning:

Findings:

1. The zoning map amendment is consistent with the Davenport +2035 Land Use Plan, which identifies the property as Regional Commercial (RC) along the 53rd Street corridor and Residential General (RG) on the southern portion of the site.
2. The proposed C-2 Corridor Commercial District is compatible with the zoning of nearby property on 53rd Street. However, the proposed R-MF Multi-Family Residential District creates a higher density than the surrounding neighborhoods, which are zoned R-3 Single-Family and Two-Family Residential District. Therefore, conditions requiring enhanced landscaping buffers and a reduction in the maximum building height are needed to mitigate potential impacts between land uses.
3. Special consideration must be given to the increased density the proposed rezoning petition. A traffic study is required to address increased traffic demand on the major arterial roadway and local streets. Requiring a traffic signal on 53rd Street and a public north-south road through the development site will aid in mitigating traffic and emergency response concerns.
4. Rezoning the property to C-2 Corridor Commercial District and R-MF Multi-Family Residential District does not create any nonconformities.

Conditions:

1. The City Council is requested to pass a resolution amending the Regional Commercial (RC) and Residential General (RG) land use boundaries on the Davenport +2035 Future Land Use Map.
2. A traffic study is required and additional traffic safety measures may be required as development occurs.
3. A traffic signal shall to be required at the intersection of Lakeview Parkway and East 53rd Street.
4. A second ingress/egress point to East 53rd Street shall be required.
5. Street connections to East 51st Street, Eastbury Estates Drive, and Hawk Drive shall be prohibited.
6. The multi-purpose trail shall be extended to the west property line.
7. A 20-foot setback on the eastern and western-most property lines in the C-2 zoning district shall be required where abutting commercial zoning districts.
8. A 30-foot landscaped setback shall be required on the eastern, western and southern-most property lines of the subject property where abutting residential districts.
9. The height of structures in the R-MF zoning district shall be no greater than 35 feet.
10. Upon vacation by the City of a portion of Eastbury Estates just to the south of the subject property, Petitioners, jointly and severally, shall be responsible for paying for or executing the work specified by the City of Davenport for reconfiguring/redesigning/reconstructing the northern terminus of Eastbury Estates in the area abutting the southern boundary of the subject property. The City is to provide plans, including a site plan and landscaping plan to Petitioners.
11. Townhouses and Multi-Family units shall be prohibited where the property abuts existing single-family residential.

12. The requirement under Section 16.24.040C of the City Code stating no cul-de-sac shall exceed 600 feet in length as measured from the center line of the intersecting street to the termination of the right-of-way shall be waived, if the Petitioner provides secondary access via private ingress/egress easement to 53rd Street.
13. Carwashes and gas stations shall be prohibited west of Lakeview Parkway.
14. The fence associated with the required buffer between residential and commercial shall be installed after final grading has been completed.
15. Buildings within 100 feet of the west property, abutting existing residential line shall be limited to 35 feet in height.

Section 3. At its February 2, 2021 meeting, the Plan and Zoning Commission voted to forward the case to the City Council with a recommendation for approval subject to the listed findings and conditions.

Section 4. The approval of this ordinance amends and replaces the prior conditions on the real estate as set forth in Sections 17.17.010G and 17.17.010H from the City Code; per the repealer clause.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.
